Music Club Program Deals With Poland

The Women's Music Club met in the Charlottetown Hotel last night and the programme was one of singular appropriateness. It dealt with Poland and their contribution to music. Programmes such as this will do their share in keeping alive the spirit of that fettered country until once again Poland has her proper place in the maps of Europe as well as in the hearts of her subjects.

Mrs. J. A. Lawson who read a paper on Poland, and who has been a member of the club since its inception, prefaced her talk with a short but splendidly persuasive historical sketch of Poland as a background for the programme following.

The history of Poland from earliest times has been filled with threats to her freedom. And she has always fought, struggled, and suffered. But never, in her long history has anybody within her borders been persecuted for his religious belief. Through the land itself has been ravaged and three partitions in the name of the nation have ever remained unbroken.

Mrs. Lawson dealt in detail with Chopin and Paderewski. Poland's two greatest musicians, teaching also on many lesser known artists, and pointing out noteworthy characteristics and highlights in the music about to be heard. Poland abounds in folk music and many different types were illustrated.

This difficult and very enjoyable musical programme was capably presented by the following artists. Piano Solos: Nocturne—Chopin. The Maiden's Wish—Chopin. Mrs. Bertram Paterson.

Vocal Solos: "My Delight"—Chopin. "The Maiden's Wish"—Chopin. Mrs. Bertram Paterson.

Piano Solos: Prelude No. 20—Chopin. Prelude No. 15—Chopin. Miss Rena Wood.

Polish Folk Dance Krakovick. "The Maiden's Wish"—Chopin. Adele Landrigan.

Vocal Solos: "Who For Years Hast Giv' The Protection."

Christmas Carols Through the Ages

At the opening of the meeting the President, Mrs. Full announced that the Christmas programme will be held in three weeks' time. She also gave the members a little advice on the matter of appearance. Charlottetown audiences are generally reproved as being known to be somewhat feeble in their applause. This delers the performer from giving his best and creates a lukewarm atmosphere. She hoped apparent improvement would be evident throughout the evening's programme and at the coming Community Concert.

On the appearance of Mrs. Lawson the talk immediately bore fruit.

SADISTIC NATIVE NABOOMSPRUIT South Africa. (CP)—A native boy found guilty of striking another child with a knobkerrie. Then twisting his neck and he died. He is sentenced to reformatory until he reaches the age of 18.

WE THREE KINGS OF ORIENT ARE We three kings of Orient are; Bearing gifts we traverse afar Field and fountain, moor and mountain, Following yonder star.

This carol about the three wise men, was written by an American, J. H. Hopkins, Pennsylvania minister, in 1857 for an ode about the three kings' travels.

Charlottetown Guilders' Club

Monday, Dec. 4th, is the night of the monthly meeting of the Charlottetown Guilders' Club and all Brown Owls, Tawny Owls, Captains and Lieutenants are hereby reminded that they are expected to be on hand at seven o'clock sharp.

L. O. L. Entertain At Kingston

A successful entertainment was held in the Orange Hall in Kingston on Friday evening, Nov. 24, 1939 when the members of King William L. O. L. entertained the members of Queen Mary L. O. B. A. and a large number of visitors.

Bro. George Beers was appointed chairman for the evening and the following program was carried out: Opening Chorus—O Canada. Address of Welcome—Bro. Reuben Barrett.

Instrumental Music, Sister Melissas Holmes, Donald MacDonald, Chalmers Newson, and Bro. Davis Ward. Address by the Worthy Mistress of L. O. B. A.—Sister Olive Tremere.

Trio—Chalmers Newson, Bro. Davis Ward, Bro. Reuben Barrett. Instrumental Music. Male Chorus. Address by County Master Bro. John Colville.

Refreshments were served by the members of King William L. O. L. in their very capable manner. The remainder of the evening was spent in games, music and social intercourse.

Votes of thanks were tendered to King William L. O. L. by the members of Queen Mary L. O. B. A. for the invitation to meet with them and the entertainment they provided, also to Sister Melissas Holmes, Donald MacDonald, Chalmers Newson, and Bro. Davis Ward for Instrumental Music.

The delightful evening was brought to a close by the singing of "The Star Spangled Banner" and "Blessed be the tie that binds," and the National Anthem.

"All The Night Was Dark and Dreary" "Lucy" "Singing As You Soar to Heaven" Mrs. Frances Holt Trainor.

Vocal Duet: "No Embers Nor A Firebrand" Mrs. Paterson and Mrs. Trainor.

Vocal Solos: "Ah The Torment"—Paderewski "Poland's Dirge"—Chopin. Mrs. Paterson.

Vocal Solos: "Mary Dear Be Ready" "Was an Apple Tree Perishing" "Let us Join the Gay Mazurka" "I was Born in Krakow" "Yes We Come From Krakow City" all arranged by Sigismund Stolowski.

Mrs. Trainor. Accompanists were Mrs. Full and Miss Lillian MacKenzie.

Best Yeast, Limited Begins Construction Of Plant In Ontario

The rapidly increasing demands for their product in central and western Canada, Best Yeast, Limited, of Liverpool, N.S., has already for some time been planning to erect a second Canadian yeast plant. The location now decided upon is Thorold, Ontario, on the Niagara Peninsula. The plant is on the property of the Ontario Paper Company Ltd., one of the largest newsprint mills in Canada, according to Eweson, the president.

Like in Liverpool, where Best Yeast, Limited is operating in conjunction with the Mersey Paper Company, Limited, the new plant in Ontario will also use the pure health giving sugars of Canadian spruce for the manufacture of yeast. It will be recalled that the Liverpool plant was the first one on this side of the Atlantic Ocean using this modern patented process for the manufacture of yeast. The new Ontario plant will be the second one on the continent to utilize the valuable spruce sugars, formerly wasted in the wood cooking process, for the manufacture of paper.

The supply of Best Yeast for the Maritimes is to be manufactured as before in the company's Liverpool plant, which will also continue to take care of the company's rapidly growing export business.

Especially praiseworthy in these times, the firm is making rapid progress in developing and expanding its modern yeast manufacturing process, which utilizes Canadian raw material's formerly wasted and dumped in our rivers and lakes. It is of interest to note that over 90 per cent of the raw materials used in the Liverpool plant for the manufacture of yeast are of Maritime origin.

Successful Violin Recital Last Evening

A very successful violin recital was held last night by the Senior Pupils of Miss Kathleen Hornby in the Queen Square School Hall. A large audience was present to enjoy the splendid recital presented by the pupils. One of the outstanding features of the evening was the special singing of the talented soloists, Misses M. Govehead, Mr. Wilfred MacDonald.

At the conclusion of the evening's performance Miss Hornby was the recipient of two beautiful presents which were given to her by the pupils in appreciation of her work as teacher.

The night's program was as follows: Part I O Canada, Orchestra. (a) Largo; (b) Serenade, Orchestra. Amaryllis, Carol Marie Coles. (c) Mighty Lak A Rose; (d) Somewhere A Voice Is Calling, violin Solo, Josephine Leightner, Orchestra Accompaniment. Vocal Solo—The Lamp; Hour, Mr. Wilfred MacDonald. Humoresque, Marion Pucher. Spanish Dance, Beryl MacDonald.

Part 2 (a) T. Blue Danube; (b) Cradle Song, Orchestra. (c) Hungarian Dance No. 5; (d) Hungarian Dance No. 6, Kathleen Hornby and Carolyn Kenny. Vocal Solo—There's A Land—Nocturne, Josephine Leightner. String Quartet, (a) Drink To Me Only (b) Sweet and Lowly; (c) Violin, Ralph Raynor; 2nd Violin, Clarence Pineau; 3rd Violin, Frank Auld; Cello, Kathleen Hornby. (d) Ave Maria; (e) A Dream, Kathleen Hornby. (f) Liebestraum (Dream of Love); (g) A Perfect Day, Orchestra. God Save the King.

First Violins—Josephine Leightner, Nellie Hermans, Carolyn Kenny, Ralph Raynor, Marion Thompson, Frank Auld, Helen Friedman, Freda Hanussey, Beryl MacDonald, Marion Pucher. Second Violins—Clarence Pineau, Ednor MacDonald, Earl Jones, Spurgeon Jenkins. Cello—Kathleen Hornby. Piano—Albert Blanchard. Accompanists—Mrs. Frank Auld, Mr. Albert Blanchard.

you are no doubt aware, a little individual gift to the men such as you have sent us, goes a long way towards their comfort and good spirits, and on behalf of the other officers of the Company and myself, I wish to thank your Society very much.

As the military hospital being established in England will soon be in need of supplies it is hoped that organization making up pneumonia jackets and hospital bedgowns will send them in as soon as possible.

ISLAND

(Continued from page 1)

was higher, the speaker stated, and in conclusion assured the fishermen of the support of the citizens of Charlottetown and hoped to see this the most successful annual meeting ever held. Hon. J. P. MacCarthy, Minister of Public Works, referred to the fact that he was a fisherman himself and that he knew that all fishermen were striving to make the most out of fishing.

The fish value has been going down steadily in this Province ever since 1919 when it was \$1,500,000 and has since then fallen to the \$900,000 value of the industry this year. This constitutes a great falling off in the value of the catch and the fishermen are the losers.

He was of the opinion that Canada as a whole was not consuming enough fish and if each family could be induced to take one more week the situation would be remedied.

In conclusion, the speaker soundly rebuked the opinion of the fishermen by stating that the price of their product would be advanced due to the war. Countries at war are unable to obtain their own fish and therefore they must turn to the countries away from the fire of guns to supply them. This would result in a steady demand for fish.

Hon. J. L. Douglas spoke of the days when he fished off the North side and contrasted the equipment then used with the modern equipment now used. He stated that the equipment is superior yet the fisherman is no better off. He blamed world conditions for the decline in the value of the catch and the fishermen here and if the war continues expects to see a further decline.

The speaker voiced the hope that the industry would flourish here and if the war continues expects to see a further decline.

Mr. Douglas referred to the work of the Fishermen's Loan Board and pledged to help the fishermen in any way possible while he is at Ottawa.

Hon. H. H. Cox, chairman of the Fishermen's Loan Board, asked the co-operation of the Union in aiding the work of the Board in getting relief only where such are needed. He also warned against the misuse of funds obtained for the purchase of lobster traps.

Mr. Larrabee said that the total lobster catch during the season had been some two thousand hundred and fifty tons. The fall catch had been good but the spring catch had been curtailed through storms which destroyed a large amount of equipment.

He warned fishermen against the improper processing of ood and said that this was the reason why Island lobster was not supplying the local market. Mr. Larrabee would also like to see some method of processing lobsters here, especially during the early season when the weather was so bad.

Rev. Dr. Murphy explained how the sacrifices in fishermen's courses were being made in order to get their catch in proper shape before attempting to market it. Dr. Murphy also referred to lobsters in Prince County.

The President's report was read the full text of which appears below. The treasurer's report showed a good balance on hand.

Mr. C. P. MacCarthy, Provincial Fieldman, told the meeting that he would like to see a general meeting among the fishermen themselves as that is the most important part of the gathering. This would allow them to talk matters over themselves.

He was not prepared to give any report until he had finished a survey of the Island which he is conducting at present.

Mr. MacCarthy was glad to see this organization functioning so well and he was of the opinion that its predecessor The United Maritime Fisheries was not interested in this Province and the Federal Department of Fisheries is not especially interested in the industry either, he said, without wishing to cast any political reflections.

But in spite of all this the Union will go on and gain recognition, the Fieldman asserted. The Provincial Government has taken the broader view and assisted the organization.

He stressed the method of practical advice from the fishermen through the Union to cure the defects in administration.

In his survey to date, Mr. MacCarthy has found that some of the stations were progressing while others are not making the progress that they should. In some of the districts the fishermen are handicapped by the lack of wharves and fish houses. In Skippers Pond the fishermen are handicapped by the wharf and also a fish house; and all they have been given so far is the fishermen's relief, it was stated.

In conclusion he advised the fishermen to stick to the Fishermen's Union and to lend their moral support to it which is even more important than the payment of fees.

Rev. George MacCormack speaking to the Union expressed his need for study clubs among the fishermen where they might have an opportunity of studying the co-operative movement.

Mr. Herbert Gaudet of Tignish stated the need for co-operation in the marketing of the fish and also strongly advised having the fish graded to insure good quality fish being placed on the market.

Mr. Benoit Blaquiere of Rustico told the meeting that the reason for failure in former co-operatives was due to the lack of study on the part of the members.

Mr. Joseph Tinsman thought that the fishermen in this Province should be able to manufacture their own products such as cod liver oil from the livers of the fish.

Mr. William MacDonald of Murray Harbor, said that the merchants buying the fish for large concerns often placed the fishermen at a decided disadvantage.

Mr. Benoit Blaquiere of Rustico told the meeting that the reason for failure in former co-operatives was due to the lack of study on the part of the members.

Mr. Joseph Tinsman thought that the fishermen in this Province should be able to manufacture their own products such as cod liver oil from the livers of the fish.

ness, he said. Hon. Douglas MacKinnon said that the Island was offering an inferior quality of fish on the market and he would like to see an Inspector placed here to grade the fish. The appointment of Mr. C. P. MacCarthy as Provincial Fieldman was a very wise choice, he stated. Speaking of the Union, Hon. Mr. MacKinnon said the foundation laid and that there was nothing to worry about now.

In the absence of Mr. H. H. Acorn of Souris, Chairman of the Salt Fish Board, the report was read by Mr. C. P. MacCarthy. Mr. Acorn is in the P. E. I. Hospital and the meeting expressed regret that he was unable to be with them and wished him a speedy recovery.

Reports of the different stations were read by the delegates which disclosed some good catches in a number of the districts and some small catches in other districts.

The resolutions adopted at the meeting are as follows: Whereas we believe that the place of holding our annual meeting should be changed we suggest that such convention be held in gluing the convention to be held either in Prince County or King's County. (Carried 11-9.)

Resolve that the members of the Union No. 10 request that the Fisheries Department have an Inspector and that fish be sold according to grade. (Carried.)

Resolve that the thanks of the Union be extended the Mayor of Charlottetown, Hon. J. P. MacCarthy, Hon. J. L. Douglas, Hon. H. H. Cox, Mr. J. J. Larrabee, Dr. J. A. Murphy and Rev. George MacCormack for their interesting talks and the Program for its valuable co-operation, and it is to be remembered. (Carried.)

Resolve that a vote of thanks be given the Retiring President and the other officers who so successfully carried on the affairs of the Union during the past year. (Carried.)

RESIDENT'S ADDRESS It now becomes my duty and privilege to present to you an outline of the work performed by your Directors during the past year.

We meet today in the history of our Association, events which have a profound significance for every one of us, and for the great Nation to which we so loyally pay allegiance. Great Britain declared war on Germany and that system of Government which declares might is right, subjugates the rights of the weak and destroys that which a Christian people regard as those necessary elements for the building of a true and righteous Democracy.

As a member of the British Commonwealth of Nations, enjoying equal privileges with the Mother Country, Canada has taken her rightful place at her side, prepared to accept her share of responsibility and do her bit to preserve the status of the Empire.

In doing so, we must remember that while we are engaged in a struggle for our freedom, we must also enjoy a stimulated prosperity, others by virtue of the fact that they may be regarded as luxuries or because they are denied.

It is of vital importance, therefore, that every effort be made to present a determined and united front to the world, and to place thereon a quality product and thus maintain a standard of price which will give our fishermen adequate returns for their labor and investment.

May I express the hope that our deliberations and discussions today will be conducted on a high plane, with the one idea in mind of solving our problems and working toward the ultimate goal of complete co-operation.

The past year has not been one of spectacular achievement, but it has been a year of steady and definite progress. Your Directors have realized for some time the absolute need of a qualified fieldman, one who could maintain constant and direct contact with the various stations; a man possessing a certain knowledge of book-keeping, familiar with the fishing industry, with a real acquaintance and belief in the principles of co-operation, and the necessary ability to impart that which is in his mind, a brief was prepared for presentation to the Provincial Government, which brief outlined the need for such an official and the need for grant to pay his salary.

It was unfortunate that this brief was presented in April just a short time before the Local Election which caused it to be temporarily shelved. After the Election a series of important events took place which prevented the Government giving it their consideration until the early part of September, after which applications had to be called upon so that it was not until the Directors' meeting on September 29th that a selection could be made.

Mr. C. P. MacCarthy, the man selected, has a unique and outstanding record in the organization of the Fishermen's Union in the Maritime Provinces. He brings to the performance of this office a wealth of experience which will prove of great benefit to the Association and the industry as a whole. He has already addressed a number of meetings, and from now on will be at the service of the Association wherever his services are required. He will be called upon to give his report during this session.

It would be remiss in my duty as official head of this organization if I failed to express grateful thanks to the Provincial Government, and particularly to the Hon. B. W. LePage, the Chairman of the Fishermen's Loan Board, showed friendly consideration and gave active support at all times. I am sure you will join with me in extending sincere congratulations to him upon succeeding to the honorable position of Lieutenant-Governor of this Province, with the hope and expectation that in his term himself and distinction to the Province. We believe that our relations with his successor, Hon. H. H. Cox, will be equally happy and pleasant.

During the year the Federal Government has established a Salt Fish Board, the function of which is not yet clearly understood. It would appear to be an effort on the part of the Government to place the Salt Fish Industry on a healthy and profitable basis by instruction in finding profitable markets and where necessary by financial assistance. We are fortunate in having with us today Mr. H. Acorn, M.L.A., a member of the Fisheries Board, who will inform us in detail of its method of operation, and I am sure we will listen to him with much interest and with the hope that something of a definite nature may

ANNIVERSARY SALE

A great success. People appreciate bargains. You must be thrifty these days to get along. This sale will end Saturday night so don't delay. Come in today.

CASH & CARRY STORES

187 GREAT GEORGE ST. Free Delivery Phone 747-748 L-1013-11-27-21

QUARTERLY MEETING

Fish & Game Association

Board of Trade Rooms Friday, Dec. 1st at 8 O'Clock

This will be an important meeting as the further growing of trout will be taken up and discussed for the future. All members and others interested are asked to attend.

J. E. STERNS, Acting Secretary. L-1131-11-29-21

be found to help our fishermen overcome their handicaps under which they now labor. We are making slow but steady progress in the formation of new stations and increase in membership. In January Station No. 22 Summerside with 35 members and No. 23 Summerside with 11 members were instituted. In February Station No. 24 Summerside with 18 members; August West Point, 18 members; September, French River, 19 members, were instituted, a total of six new members. Most of the older stations are doing good work but unfortunately a few are not deriving the full benefits of co-operation, and it is to these Stations that our newly appointed fieldman will be particularly useful.

I am sure you join with me in expressing regret on the passing of A. E. McLean, M.P. for Prince. The whole Province mourns the loss of a man active in the political and social life of our country, a man who made a vast contribution to the upbuilding of the commercial structure of his constituency and the Island as a whole, and who was a real friend to the fishing industry.

Now as my term of office comes to a close I wish to express sincere appreciation to our Directors for hearty co-operation during the year, and for their efforts to stimulate the growth in membership. Our Director for Queens County, W. E. McInnis, has done the service of his country and I am sure you all unite with me in conveying our best wishes and fervent prayers for divine protection. To the Central Secretary my thanks for prompt and efficient attention to the duties of his office, and to
