THURSDAY

VISITING MORELL.—On Friday 8th inst. Mr. and Mrs. J. A. Cunningham Kinkora, accompanied by Rev. Brother Ambrose Jaumo, visited Morell and were the guests of Mr. and Mrs. Charles McCarthy, Mr. and Mrs. John Kensy, and Rev. P. S. Duffy. After spending three pleasant weeks on the island Brother Ambrose will leave for New York on the 15th inst. The best wishes of his numerous friends accompany him. Rev. Brother Agarias Professor of Mathematics, Manhattan College, New York City, is also visiting his relatives in Kinkora.

JAPANESE PREACHER HERE.—The Rev. Z. Ono, the pastor of Kurbe College, Japan will preach in the Methodist Church in this city next Sunday the 17th inst., both morning and evening. The Rev. Mr. Ono was brought to Canada by the Methodist Episcopal Church to speak at the Centenary Celebration at Columbus, Ohio. This fact alone should be a sufficient guarantee of his recognized ability. He is spoken of as a warmhearted, enthusiastic, spiritually minded, well-educated Japanese gentleman. This will be a rare opportunity for the people of Charlottetown to hear such a distinguished preacher as Rev. Mr. Ono next Sunday in the Methodist Church. All are cordially invited.

DIED IN HALIFAX.—After an illness of several months there passed at his home, 7 Agricola Street, Halifax, Saturday evening, William M. C. Frawley one of the best known of local commercial travellers. For several years past he was the travelling agent for A. Keith & Son, but more recently he was that firm's representative at Charlottetown. Although Mr. Frawley had been known to be seriously ill for some time yet his many friends in the city and throughout the provinces will learn with deep regret of his passing. Mr. Frawley who was 51 years of age was a veteran of the South African War and also the Northwest Rebellion. Besides his wife he is survived by four sons and one daughter, Madeline.—Halifax Record.

GOING WEST.—The Sackville Tribune says: Pte. Wm. Clark, who recently returned from overseas, was on the baseball field Friday evening and received a warm welcome from his many friends. He has just returned from St. Louis, Mo., where he has been visiting his sister, Mrs. John Lea. Pte. Clark, who is a Sackville boy, enlisted in Winnipeg in May 1915, and went overseas with the 43rd Battalion. He crossed to France in June, 1916, and was in all the heavy fighting until the commencement of 1918, when he was given a position in Army Pay Office, London, (Eng.) Pte. Clark was wounded twice, first at the battle of Ypres and later at the Somme. He is going to Halifax to get his discharge and will afterwards return to Winnipeg.

MARRIED IN VANCOUVER.—The nuptials of Miss Helen Hamilton, daughter of the late Daniel Hamilton of this town and Mr. Guy Lockwood, formerly of Truro, N. S., took place in Vancouver, B. C., on the 6th inst. Rev. W. H. Smith, formerly pastor of the Summerside Presbyterian Church, was the officiating clergyman. The marriage took place at 6.45 in the evening and the bridal party left at 7.30 on a wedding trip to Banff where they will spend their honeymoon. Many of Miss Hamilton's friends will be pleased to learn of her marriage for she was a member of the community held in high esteem in this her native town. We echo the felicitations being expressed on all sides on learning of the happy event and heartily wish Mr. and Mrs. Hamilton many years of wedded bliss. On their return they will reside in Bevon, Alberta.—Summerside Farmer.

ICE CREAM FROM HAIL.—Monday's electrical storm was accompanied in some places by a hail fall which was one of the most severe that Prince Edward Island ever experienced. At New Haven it furnished the family and some guests of Mr. and Mrs. Michael J. McManus with a genuine novelty in ice cream frozen by hail stones, gathered by the basketful, and ranging in size from peas to marbles. Some of the stones were of solid ice and others resembled hard snow and ice combination. The freezing quality of the stones was much superior to that of pond or river ice. The treat of ice cream frozen by nature's latest model freezer followed a picnic on the farm of Mr. John McManus at Bonshaw which was attended by a party of twenty-five. After a luncheon spread in a hayfield the guests enjoyed a spirited program of field sports followed by an entertainment including recitations by Misses Bertha, Clara and Etta McManus, fancy dancing by the two last mentioned young ladies and songs by Master John and Miss Clara McManus and by Messrs Simon Cavanagh and Andrew McElroy. In the field sports Miss Clara McManus won in the 50 yard dash, Mrs. John McManus in the ladies running match and Michael McManus was first in the free-for-all race with Miss Bertha McManus second. Attractive prizes were awarded the winners in the sporting events.

WARRIED IN FRISCO.—A very pretty wedding took place in the Calvary Presbyterian Church, San Francisco, Cal., by the Rev. Josiah Sibbey on May 29th when Calvin S. Biggar, adopted son of the late James Biggar of Bradabane, P. E. I., was united in the holy bonds of matrimony to Effie Frances Pennington of San Francisco, Cal.

The Caledonian Club sports, an annual fixture looked forward to by young and old of Scottish descent and by their many friends were well attended yesterday at the Charlottetown Driving Park. The programme was of a varied nature and one that appealed to the sporting instincts of the spectators. The athletic events were splendid bringing to gether many noted athletes among them Major J. P. Hooper and George Gale. The dancing, bag pipe music and other specialties filled up otherwise dull moments.

Sports and other specialties were interspersed with the heats of the horse races which were put on by the Charlottetown Driving Club. Three races were on the card and they were keen, hard contests everyone trying their best to win. Honors went to Mr. Hammond Kelly with his remarkable trotter Colorado L. Mr. Henry Hooper with the pacer Oma and Mr. Horne with Upton Prince.

The Dancing
A very enjoyable feature of the day

was the dancing. Master Raymond McNeill, son of Mr. Malcolm McNeill, West River, who although only nine years of age has been one of the attractions at Caledonian Clubs for the past three years, excelled himself on this occasion. He was loudly applauded from the grand stand and it was common comment that he is the champion boy dancer of Canada. Deserving also of the highest praise was the splendid dancing of Misses Constance McFarlane, Helen McDonald, Avila Mathieson, and Elsie Biffin, Marion McDonald, Edwin McCormac, Hing McKinnon, Edwin McCormac, Joseph McMillan and Ralph Cameron.

While the parade from the Caledonian Club rooms was not as large as usual it was a picturesque and pleasing procession. The procession was headed by Pipers McKenzie, McDougall, Bailey and McDonald and the skill of the pipes as played in unison and harmony by these masters was one of the pleasing features along with the splendid music of the War Veterans Band.

FRIDAY

LEFT FOR WEST.—A number of young boys left on Monday for the Canadian West. Among them were William D. Cooke, son of Mr. and Mrs. W. H. Pope Cooke; also Willard and Hayden MacDonald, Harold Henderson and Earl Taylor. We wish them all success.

MOTOR TRIP.—Mr. and Mrs. J. D. McDonald, of Waterbury, Connecticut, motored to Prince Edward Island for a fortnight to spend their vacation with the latter's parents, Mr. and Mrs. John J. McLeod, of Ulgk, P.E.I. They leave on return this morning. Mr. McDonald is the head inspector of the Otis Elevator Co., of Connecticut.

LEFT FOR WEST.—Miss Ruth Mathieson, daughter of Donald and Mrs. Mathieson, Summerside, who has been principal of Bedeque school for the last two years, left this week for Sanford, Manitoba, where she has been engaged as teacher. Miss Mathieson, who is one of the scholarship girls will be greatly missed by her many friends, and the Island has lost one of its very best teachers.

VISITING NEWSPAPER MAN.—Mr. Elmer W. Ferguson, sporting editor of The Montreal Herald, has been spending a few days in North Rustico, the guest of Mr. and Mrs. William Glen Houston. Mr. Ferguson is a native of Prince Edward Island, but started his journalistic career in Moncton, N. B., from which city he removed to Montreal. His mother, Mrs. Robert Ferguson, of Moncton, is also visiting Mr. and Mrs. Houston.

EXCEEDING SPEED LIMIT.—The recent enquiry in the Charlottetown City Council as to the enforcement of the automobile driving by-laws calls attention to the fact the observance of the rural by-laws in the vicinity of Rustico, at least, is more noticeable by its absence than otherwise. Autos have been running on the roads frequently in defiance of the local laws—possible through ignorance on the part of the drivers.

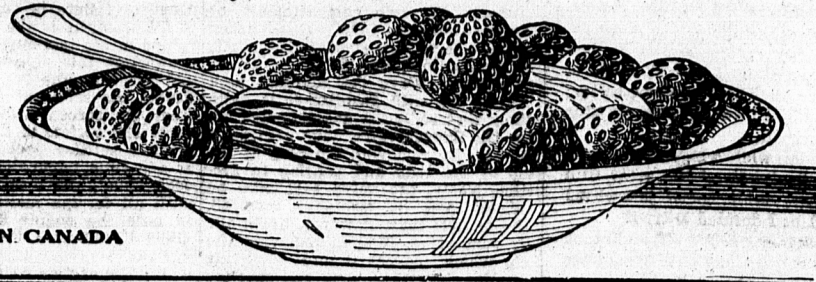

KENSINGTON HIGH SCHOOL.—The formal opening of Kensington High School took place Tuesday, August 12, under most promising auspices. The Trustees, Board and several rate payers were present, and participated in the event. The school this year has a complete new staff of teachers, viz: Principal, W. M. Silliphant, Vice-Prin., Miss Elizabeth Sullivan, 1st Asst., Miss Pearl Moase, 2nd Asst., Miss Stella Driscoll. The principal's address to the pupils, forecasting a most prosperous year, and exhorting the pupils and parents to use their utmost efforts to make this the banner year of the school.

COMING THIS WAY.—A band of gypsies consisting of three men, three women and a gang of children camped in the vicinity of Victoria, Crapaud a day or two ago and did a thriving business in fortune telling and other stunts known to this particular brand of travellers. In their fortune telling stunts in addition to revealing the future at so much per, they made a little on the side by manipulating the change. A number of those whose future was revealed had quite heavily for the information.

This kind of harvest, however, was not sufficiently profitable for the necessities of the travellers and they added to their more or less legitimate earnings by entering the home of Mr. James Waddell and extorting from Jim's hard won earnings the considerable sum of \$20. With this and other articles of vertu picked up they left, but were followed by Mr. Waddell and Mr. Wotton, who overtook them last evening at Bonshaw where by somewhat emphatic persuasion they recovered the \$20. As there was no means at hand by which legal proceedings could be taken the gypsies were allowed to proceed. They left with no doubt reveal the future to any one desirous of having a peep in. If any of them pay more than the legitimate fee for their fortune it will be their own look out and they will receive no sympathy.

THE DISH THAT SATISFIES

Foods that please the palate are not always nourishing or satisfying. Shredded Wheat Biscuit with berries or other fruits is deliciously satisfying and nourishing. The crisp and tasty baked wheat holds the juices of fruit in their natural flavor—a dish for the Summer days when the appetite is fussy and the digestive powers are weak. Ready-cooked, ready-to-eat.

MADE IN CANADA

VISITING "THE ISLAND."—Dr. S. Spidle was the preacher at Moncton First for the last two Sundays. As always his messages were heard with great interest and profit. Dr. Green, the pastor, is enjoying a needed rest which he is securing amid the beauties of "the island."—Maritime Baptist.

HERE ON A VISIT.—Rev. Dr. J. M. MacInnis has arrived from Syracuse, N. Y., on a visit to his old home, Valleyfield. Mrs. MacInnis and Master John have been on the island for some weeks. Mr. MacInnis will preach in Zion Church next Sunday morning and evening. He is being heartily welcomed back again.

WARSHIPS AT HALIFAX.—H. M. S. Cambrian, with Admiral Morgan Singer, Commander of the North Atlantic Squadron on board, arrived at Halifax yesterday from Bermuda, to meet the Prince. The Consul General of Italy in Montreal has telegraphed Sir Robert Borden, informing him that the Italian government has directed the royal battleship Conte di Cavour to repair to Halifax to greet the Prince of Wales. The Consul General declares that the Italian government desires not only to honor the person of the Prince of Wales, but also to express the feelings of deference and friendship of the government of Italy towards Canada and her people.

SUCCESSFUL ISLANDER.—Mr. Daniel P. McCormack, of Mattapan, Mass., arrived in the city last evening returning home after a visit of about a month to friends in the eastern of the province. Mr. McCormack has been unusually successful in the country of his adoption, amongst his other activities having been instrumental in organizing the Volunteer Co-operative School of Boston, which now has a paid-up capital of two million dollars, and of which he is a director. He is very much impressed with the evident prosperity in both town and country here at present, the progress in the twenty years since his last visit being very marked. Through the courtesy of Mr. T. B. Woodman he had the privilege, in company with Mr. McAdam of the Island Cold Storage Company of inspecting the Spring Park Ranch and was greatly interested in the magnificent foxes there, as well as highly pleased with the efficient manner in which the ranching is conducted. His son Jas. and wife, who have been spending their honeymoon at Selkirk, accompanied him to the city, and return by the eastern train this morning.

MAJOR WISE HOME FOR VISIT.—Major H. A. Wise, son of the late Mr. and Mrs. Joseph Wise of Milton, who has been on transport duty for the past year and a half, is spending a short holiday on the island, accompanied by his wife and little boy Amelute. They are guests of Mrs. R. E. Burch, sister of Major Wise. Previous to enlistment Major Wise resided in Winnipeg where he was engaged in the drug business. He enlisted in 1914 with the 90th Winnipeg Rifles, the "Little Black Devils," and served with this unit, as the 8th Battalion, during the first year of the war. He was recalled to Canada in 1916 and served as second in command of the 191st Battalion. Later, in 1917, he took command of the Composite Battalion of Winnipeg, thereafter being appointed officer in command of the conducting staff. He

made 22 voyages across the Atlantic in charge of troops, many of the voyages being made during the submarine period. He transported about 50,000 troops in all without an accident, although not without experiences. On one voyage about 98 per cent. of the troops on board were down at one time with the Spanish Flu, about ten per cent. of whom died. He ar-

rived in Montreal last Thursday by the Donaldson Line Saturday with 2,000 troops. He expects to leave on the 23rd for Portland, Maine, whence he will return to England on the Hospital ship Araguaya. Needless to say, his many friends are pleased to see Major Wise again and are proud of the record he made during the world war.
