A correspondent of the Amherst News, referring to the recent excursion of the Amherst Beach picnickers to this port writes:—On Wednesday 41 good and loyal souls betook themselves to Charlottetown, P. E. I., on the good steamer yacht "May Queen," Anderson commanding. Immediately after starting the girls took charge of the yacht and the boys took charge of the girls. Coffee was served shortly after starting and it was found that we had not brought any spoons, but we were not long in finding out that there was a full supply on board. One or two young ladies and gentlemen thought they saw a school of mackerel on the way over and endeavored to bait them up to the vessel. We arrived at Charlottetown in due course and put up at the Victoria Hotel, where mine host Sterna did us more than well for dinner and supper. The elder variety of trippers did the town during the afternoon in barouches, while the younger species walked around and took everything in. Finding the weather would not permit us to leave at 7 o'clock as arranged, we took in the moving pictures and other mild forms of entertainment and finally left for home, a tired but happy crowd, at 11 p. m. The return passage was very rough but there was practically no sickness at all. The water rippled, merriment rippled, laughter rippled and there were very many other ripples, many of which could only be found by the medium of a searchlight.

Fishing tackle—We are clearing out the balance of stock in this line at greatly reduced prices. If there is anything you require this is a good chance to buy it right. We have some splendid rods and baskets still on hand. Call early. E. A. Foster, Central Drugstore, Sunnyside.
