CAN SHRUBB "COME BACK"?—Can Alfred Shrub, England's famous long-distance runner, "come back"? Shrub who is now in England, himself thinks he can, for he has led a very careful life during the last dozen years, which he has spent in America. He is confident that he can prove himself the best runner at any distance from two to ten miles, and with this object in view he is trying to fix up a match with McCrae, the Scottish runner, over three, five and ten miles. If he succeeds it will take place at the end of September. Shrub has had a wonderful career. For nineteen years he has been on the track, the last thirteen of which he has been a professional. Now, at the age of thirty-nine, he still thinks that he is "top of the roost."

Immediately after the ceremony the wedding party proceeded to the Palliser Hotel where the wedding breakfast was served, after which the happy couple took an early train for the coast cities where their honeymoon will be spent. The groom's gift to the bride was a gold wrist watch, to the bridesmaid a pearl wish bone brooch and to the groomsmen gold cuff links. They are an absolutely safe medicine being guaranteed by a government analyst to contain no opiates or narcotics or other harmful drugs. They cannot possibly do harm—they always do good. Island's foremost 'ox men, than to anyone else we know, says the Black Fox Magazine and adds: Graham leaves home, hits New York in the morning, lights out the same night, touches Montreal in his flight, stops a few hours in Chicago or Detroit, is back home again before he is missed and incidentally gathers in the dollars en route for foxes or fur delivered.

Can We Make Money and Save the Victoria Hotel?

YES HERE IS HOW

We can buy the Hotel with all the out-buildings and two lots across the street for \$75,000. Is it good value, well S. A. MacLeod, L. E. Prowse, John McLaren, Harry Weeks, Bruce Stewart, Geo. J. Rogers, Chas. Black, Lowe Bros., and Mr. Pomeroy, who were the Committee to value the whole plant after examining every thread and every stick of the Hotel and fittings, say that it is worth now at forced sale \$100,000.00. This ought to be good enough for us, it is.

UNDOUBTEDLY THE PLANT IS GOOD

But what about the money making part, well with new management we believe it can and will by carrying out the following and other suggestions be made to yield at least 25 per cent. on the money required.

New up-to-date service, tailor in the building, Shoe Shine Stand, Larger Billiard Room, Restaurant Room, Dance Room, all of which can and I believe will be started under the New Hotel Management at practically no cost.

PRESENT RECEIPTS

Receipts at present are \$1,500 per week. Then why is Mr. Sterns selling out?
