Eight Women Killed in India

KALKA PUNJAB, India, Jan. 5.—Eight women attendants upon the Maharajah of Patiala were killed and two probably injured today when a lorry in which they were riding was run into by a passenger train at a grade crossing. Two of the dead were cousins of the wife of the Maharajah. The accident occurred as the Maharajah was returning home from his shooting lodge.

Former Cashier Confesses Theft

HARTFORD, Conn., Jan. 5.—Declaring that he had confessed because he had been conscience-stricken and that several times he had contemplated suicide, Guy L. Baker, former assistant cashier of the First National Bank of Pulman yesterday surrendered with the announcement that he had embezzled \$16,000 from the First National.

Former State Treasurer G. Harold Gilpatrick, whose misuse of funds while cashier of the bank closed the institution and wiped out trust funds, is now serving a sentence in Atlanta prison.

Baker says he had no part in any of Gilpatrick's wrongdoings, but in the course of his own acts he discovered that Gilpatrick was a defaulter. He later assisted the National Bank examiners and the bank receiver to check up on Gilpatrick's affairs, and then resigned in October 1924.

SWISS GOVERNMENT TO WELCOME SOVIET

GENEVA, Jan. 5.—The Swiss Federal Government has decided to stand firm in its determination not to apologize to Soviet Russia for the acquittal of Conradi, assassin of Vlasov Vorovsky, in Switzerland during the Lausanne conference. Nor will the Government disclaim the action of the jury in using the case as an opportunity to denounce Bolshevism.

However, the Swiss have opened the door to Moscow by officially informing the League of Nations today.

"Bearing in mind what it regards as an international obligation proceeding from the establishment of the League at Geneva, the Federal Council is willing to renew in the case in question (Soviet Russia) its assurance that any delegations Moscow might send to the preparatory commission for the disarmament conference would receive the same treatment as the delegates of any other Government, would enjoy the same facilities for entering Switzerland, the same privileges and immunities in the conduct of their mission and all such measures of protection which the Swiss authorities might see fit to take to ensure their safety."

League officials deny they asked the Swiss Government to make overtures to Russia but as the correspondent pointed out a few days ago the Geneva Cantonal Council initiated the movement. This was primarily because of the fear that refusal of Russia to attend League meetings in Switzerland might lead to removal of League headquarters from this country. Another reason is the loss the watch industry is suffering because of the Russian boycott.

Also it is understood the envoys of several foreign Governments, including Poland, France and Germany, interested themselves in the movement in the way for Moscow. But anti-Bolshevik feeling remains strong in the country, especially in the Geneva and Vaud cantons, where many czarist refugees are living. But the Soviets too are represented by propagandists.

La Drance Rouge, supposed to be subsidized by Moscow, is published here and revolutionary propaganda in Morocco, Egypt and Syria has been found to come from Switzerland.

Woman Heads List in British Exams

LONDON, Jan. 5.—For the first time since the institution of the Incorporated Accountants examinations a woman heads the list of candidates writing on the final examinations. Miss Gladys Dods, daughter of a house painter in York, has won this honor. Miss Dods' triumph is particularly interesting inasmuch as 228 men have written on the examination, as well as four women besides herself.

MARKED DECREASE IN CRIME REPORTED IN QUEBEC.

QUEBEC, Jan. 6.—In the course of the year 1925, which closed last night, only one murder case, the first in five years, was recorded here, and crime in general was on the decrease according to figures on hand.

In the course of the year the value of goods stolen in this city, having a population of 120,000, reached \$31,999.39, but \$29,615 worth was recovered.

A decrease in the number of arrests for drunkenness is also recorded.

ACCIDENTALLY INJURED. Mrs. Geo. J. McCormac, Tuesday received painful burns on her face when a kettle of boiling water she was removing from the stove slipped to the floor. The cover was jarred off and the contents splashed into her face. Although her injuries are not serious, they are painful and will confine her to her home for some days.

RENEWING FRIENDSHIP.—Reverend George Cameron, who has been residing in Ontario since June last, is now in Charlottetown. He will supply in several of the Presbyterian pulpits during the winter. While in Ontario Mr. Cameron was engaged in work in connection with the Presbyterian Church in Canada. It is likely that he will occupy Zion Church pulpit on the 17th inst. Mr. Cameron is well known in this city and Province, and the various congregations will look forward with exceptional pleasure to hearing him again.

ISLAND HOCKEYISTS GOING STRONG.—Mr. Fred Kelly returned to the city last evening from Moncton where he has been attending the past few days. Fred visited the hockey game between Saint John and Moncton, the former winning by a score of 5 to 3. He stated that the brand of hockey played out was creditable especially the fast skaters prominent among whom was Temple Lane, a former Charlottetown boy now playing with Saint John. Lane he said skated rings around his opponents and at times seemed to be going under wraps. It is satisfying to many of the town's friends in this city to hear that he is such a valuable acquisition on the Saints' lineup. Lane played with Wanderers of Halifax last season.

PAINFULLY INJURED.—A painful accident occurred at the C. N. R. Shops yesterday morning. While the workmen were testing a locomotive boiler, a temporary plug blew out and one of the men, Stephen Trainor, received the full force of steam and boiling hot water from the one inch opening. The victim of the unfortunate accident was struck full in the face, his eyes and forehead being badly scalded. First aid was immediately rendered by Messrs. H. Vandorstone and A. McEachern and in the meantime medical assistance called. When the doctor arrived, Mr. Trainor was taken to the City Hospital where an examination showed he could see, although his eyes are in a bad condition. It is thought however, that the sight will be saved.

FAMILY REUNION.—A pleasant afternoon and evening was spent at the residence of Mr. and Mrs. Geo. Lightizer, 64 Bayfield St., on New Year's Day when their two sons, John F. Master Mechanic, C. N. R., and James Assistant Manager, P. E. I. Egg and Poultry Association, with their wives and children and their two daughters, Mrs. Wm. Watts, Hampshire, P. E. I., and Mrs. A. Darrah, city, with their husbands and children, held a regular family reunion. There were four generations represented, one great grand child being among the number; besides the parents their twenty-two children enjoyed every minute of the afternoon and evening. Mr. and Mrs. Lightizer, were married over 50 years, celebrated their golden jubilee during the past summer and the reunion on New Year's Day was the first time in about twenty-five years that the family have been all together. After the games, etc., the big feature of the celebration was a Christmas tree which was loaded with toys, games, dolls, confectionery, etc. The prizes were distributed by drawing and created much amusement and merriment for both the children and their parents.

A Good Name is Above Price

bad name may be made overnight—but a good name is the result of slow building.

As it is with an individual, so it is with a product.

There are some Old Country products that were known hundreds of years ago, and whose good names are priceless. In Canada there are products that have stood for quality for many years.

Thirty years ago the name "RED ROSE" was known to few. Now it stands for everything that is good in tea—throughout Canada, in Newfoundland,

in the West Indies, and in parts of the United States.

Every package, and RED ROSE is never sold in any other way, with the name on it, is your guarantee of quality. Be sure to ask for it by the full name, especially when buying Orange Pekoe Tea. There are many Orange Pekoes but only one RED ROSE, the finest of them all. RED ROSE is most carefully selected and blended, and is very rich and flavory. Its good name is your guarantee.

And our personal guarantee is, that if a package of RED ROSE TEA ever fails to please you the price you paid will be refunded. Will you try it? Please!

IMPERIAL COD OIL AND DOG BISCUIT

Their Choice

A BALANCED RATION

Reg. Trade Mark

"Not by Meat Alone"

Leading fox ranchers have demonstrated that, in addition to meat, it is absolutely necessary to feed a liberal supply of IMPERIAL BISCUITS daily during the winter season, in order to keep the bowels regular and also to ensure the females having an adequate supply of milk during the lactation period.

IMPERIAL COD OIL BISCUITS are made from a formula which has been prepared with these results in view and which reliable tests, extending over a considerable term of years, have proved to be signally successful.

Ranches, which have continued the feeding of IMPERIALS regularly in winter have had the largest litters of young foxes and also the highest average of pups raised to maturity; in addition, they have practically eliminated the destroying of young by the females.

For assured results feed IMPERIALS throughout all the winter season. IMPERIALS are sold by leading distributors or direct from the factory.
