20 MILLION GERMS

according to a scientist, are freed every time a person coughs! If you happen to be in the vicinity it is impossible for you to breathe without inhaling some of them. Yet there is one sure way to avoid infection—Keep your mouth and throat bathed with the pleasant but germ-destroying vapor that is liberated from a Peps pastille as it dissolves in the mouth.

Not only as a preventive but as a cure for bronchitis, sore throat, coughs and laryngitis, Peps are equally good. All dealers, 50c. box.

PAINS AND ACHES YIELD QUICKLY TO SLOAN'S LINIMENT

Are you tormented by Neuralgia, Lumbago, Sciatica or any of those aches that require a counter-irritant? Then let the soothing, warming application of Sloan's Liniment stop the pain by drawing the blood away from the congested part.

It is the pressure on the nerves by the blood rushing to the inflamed muscle or joint that makes you ache. So when Sloan's Liniment relieves the swollen blood vessels by setting up a counter-irritant on the surface, the circulation is equalized, sympathetic nerves all soothed, and soreness or lameness disappears.

Sloan's Liniment is probably the counter-irritant most widely used to overcome painful inflammation in cases of neuralgia, sore muscles, wrenched joints, strains, bruises, gout. Rubbing is not required. This clear, clean liquid is easily applied as it does not stain the skin. Made in Canada.
