..*VALLEYFIELD W. M. S.—The regular October meeting was held at the Manse, on Wednesday night, October 14th. Mrs. Munro Bruce had charge of the devotional period, the theme being "Building a community of Christian Homes." Appropriate Hymns were sung. Scripture readings were given by four members and two members lead in prayer. With the President Mrs. (Rev.) J. M. Fraser in charge. Minutes of last meeting were read by Secretary Mrs. W. A. Bruce. Fifteen members responded to Roll Call. Treasurer Mrs. Jack MacPherson gave report for third quarter of the year. Also reported that the members had completed their third War Savings Certificate. A card from supply Secretary, Halifax, acknowledging afghan and box of clothing sent from Auxiliary was read The recent passing away of former Secretary at Halifax, Miss Grant, was regretted. An interesting study on Christian Homes," the first leaflet study from "The Church in my community" was lead by Mrs. Fraser. This study gives much material for thought on the building of better Christian Homes. Quotations were read by each member, and brought forth helpful discussion. The Temperance Secretary referred to the leaflet "Building Temperance in the Homes," and paragraphs were read in turn by each member present. This leaflet goes to show that drinking cannot be handled by itself—we cannot resist attack on this one particular point without holding the whole line of defences. The entire life must be trained, in true temperance, not only in drink, but in all other things. Plans were made for Autumn Thank Offering Service, and meeting closed with Hymn and benediction. Refreshments were served by the hostess and a pleasant social hour enjoyed.—L.

Station Hospital, in England, is reported to be progressing favorably and was removed from the "Critical Ill" list on Monday, October 26th. VISITORS TO HISTORIC CHURCH.—In spite of the estrictions on motor travel due to shortage of gasoline and rubber there have been quite a large number of visitors to the Geddie Memorial Church, New London, during the past summer. Only a few leaves are left blank in the "Visitors Book" which was presented to the church by the noted Island Writer the late L. M. Montgomery Macdonald in 1928. A number of those who had written their names in the book since then have passed on as well as the donor. Included among them the late Lord Willingdon who visited the church during his term as Governor General. Residents of the district are looking forward to a special service which will be held in the church next Sunday afternoon when Flt. Lieut, the Rev. Russel Woodside will be the guest speaker. He will be accompanied by a number of singers from the Summerside Airport. Watch the Guardian for an announcement stating the hour of service.

Stranger In Shady Gulch

(Continued from page 2)

heard her speak in that lovely, deep-throated voice, saw her smiling dark eyes as they had shone upon him after her delight at shaking hands with Caesar.

He wondered why he had never met any girl like her before—that he should wander all over the Southwest and wind up here, where he had no professional reasons to stay, only to find himself drawn to a halt, unable to think of going farther. And it had to be in a country where he would have to fight for the right to stay . . . .

The first streaks of dawn found Rackin up, preparing breakfast. By the time the sun peeped over the horizon, he was in the saddle.

He rode hurt to the sink where he had received such a cruel fear the night before. He wanted to investigate it by daylight. He stopped Tuny at one end, and shuddered at what he saw. Below thirty feet of steeply sloping sides, a long black hole, about twenty feet across and a hundred feet in length yawned up at him darkly. He could see no bottom from where he was, but he remembered that the stone he had thrown into it last night had made no sound.

ANNUAL PROVINCIAL CANVASS

BIBLE SOCIETY

NOV. 2nd — 16th. Put First Things First.

"The Word was Made Flesh and Dwelt Among Us."

At this time when all human values seem to have been swept away by the "Man's inhumanity to man" God's word is the only thing real and abiding.

On Monday, November 2nd representatives of the Bible Society in City and Country will call on the general public for contributions to help perpetuate THE WORD.

Thousands of copies of the Bible are given away annually to members of the Armed Forces. It is also translated into hundreds of languages and dialects, and given to those who know Him not. The Bible is also distributed among prisoners in penal institutions.

With your help this work can continue. Welcome the workers when they call.
