

AMBITION'S THE SPUR OF YOUTH! WILL YOU REALIZE YOURS?

Most young men have ambitions. These ambitions probably include a wife, home, children, advancement in business, bigger earnings and a comfortable retirement income.

To achieve these ambitions takes time, but many young men are laying the foundation of comfortable retirement by purchasing as much life insurance as they can afford and by planning to add to it as their income and responsibilities increase.

In working out their insurance plans, they are being helped by Confederation Life representatives who understand the young man's point of view.

See the Confederation Life representative. He knows his business as you know yours.

Gleanings Of A Rural District New Glasgow

Mrs. Edwin Stevenson was a passenger to the City on Saturday.

Mrs. J. N. McCoubrey returned to her home recently, after having spent an enjoyable winter at the home of her daughter, Mrs. Blair Andrew, and Mr. Andrew.

The regular service in New Glasgow United Church was cancelled due to the illness of the pastor, Rev. Eric Coffin. His friends hope to soon see him able to resume his duties.

Mrs. Robert Buntain has received news of the serious illness of her sister, Miss Sadie Ross, R.N., of New York. Miss Ross has numerous friends here who will remember her, and will hope to hear very soon of an early return to health.

Mrs. Fred Clark has been with her daughter, Mrs. Cyril Smith, for a few days and it might be rightly termed a messy visit as five of the Smith children were down with the measles. However glad to say the worst is over, with only the two younger ones to have them.

While a Charlottetown motorist was passing through Hope River on Sunday, March 30, he encountered difficulty in climbing a steep hill near the home of Mr. Lewis Welsh, and but for the timely assistance of a good Samaritan who happened along with a more powerful machine and was able to help him over the rough spots, he and his companions might have had to remain there for some time. So one never knows when he might need a helping hand, especially while motoring.

Divine service was held in New Glasgow Christian Church on Easter Sunday morning. Due to the fact the weather was not at all favorable as well as the roads, there was a small congregation. The pastor, Rev. J. W. Hayter, left a very fitting Easter message with his listeners based on "The Death of Christ and His Atonement for Sin." Resurrection being the very centre of the Christian religion, which is applicable not only at Easter time, but all through the year.

A meeting of the executive for the North West Queen's District Sunday Schools was held in the United Church at Hunter River on Tuesday, March 11th at 2:30 P.M. Three schools were represented, namely, New Glasgow, Wheatley River and Hunter River. The president, Mr. Fulton Robertson opened the meeting with the reading of Psalm 96. Rev. J. I. Morrison offered prayer. Arrangements were made for the 1947 convention which will be held at Wheatley River United Church. Allocations were revised and three school allotments were raised \$1.00 each. Meeting closed with prayer by Rev. J. I. Morrison.

New Glasgow hall was the scene of a large and appreciative audience on Tuesday, March 26th, while Wheatley River talent presented a concert of high enter-

tainment value. Mr. Wallace Higgins was the capable chairman. The program was as follows: Chorus, "Bonnie, Bonnie Banks of Loch Lomond." Instrumental music, Mr. Harold McDonald. Pianoforte, "Courtship Under Difficulties." Solo by Mr. Oliver Ross. Step dance by Mr. Thomas Daulton. Solo by Donald Deroche. Medley of selected airs by Dutton brothers and Oliver Ross. Dialogue, "The Gracchus By Half." Duet, "Hunting Tower." Reading by Mr. Wallace Higgins. Chorus, "Alouette." Solo by Harold Chandler. Step dancing, musical selections. Mrs. Harold Chandler. Solo by Mr. Foché Dolron. Dialogue, "When Women Vote." Quartette by Dolron brothers, Oliver Ross and Harold Chandler. Instrumental music, Dolron brothers and Oliver Ross. Sten dance, "Kilroy." Chorus, Auld Lang Syne. Mrs. Chester Rackham was the very capable organist for the evening. The local substitute served the performers with a delicious lunch, and a hearty vote of thanks was tendered the visitors. An old fashioned reel was enjoyed where a number of young folk and others not so young enjoyed the light fantastic. Wheatley River will welcome any time they have a concert to present, as all numbers were loudly applauded.

The Auxiliary of New Glasgow United Church W. M. S. met at the home of Mrs. Blair Andrew on Thursday evening, April 3rd.

Mrs. R. W. Stevenson was leader of the devotional period, and used the Easter program prepared in the Missionary Monthly. Theme, God's Book of Life, "Christ, the Living Word." The leader was assisted by Mrs. Davis Moffatt, Mrs. Willard Nicholson, Mrs. Chalmers Laird, Mrs. Millar Orr, Mrs. George Smith and Mrs. Blair Andrew, who took the different readers parts. The program was divided into three parts. First, "Christ the Living Word." Second, "Opening New Doors for God's Word." Third, "The Word of Life and Light." Hymns, "Jesus Christ is Risen," "The Head That Once Was Crowned," and "Crown Him," were sung. Mrs. B. Andrew was pianist. The vice-president, Mrs. Warfield Orr, then took charge. In the absence of the secretary, Miss Semple, due to illness, Mrs. Andrew acted as secretary. Minutes of previous meeting read and adopted. Roll call answered with a verse containing the word "Resurrection" by six members, two associate members and five visitors. Correspondence was read as follows: From the treasurer, Mrs. Nicholson, re allocation, suggesting we increase our givings 5% over 1946. Also one from Mrs. Easton on Christian Stewardship, and asking each member to memorize the definition of Christian Stewardship, which is: Christian Stewardship is the practice of "systematic" and "proportionate" giving of time, abilities, and material possessions, based on the "conviction" that these are a trust from God, to be used in His service, for the benefit of all mankind; a card acknowledging Day Prayer offering was received. Notes of appreciation were read from Mrs. Foster Sellar, Mrs. Howatt, Mrs. W. Nicholson and Miss Ella Semple, for get-well cards. Friendship calls were made up of 1 hospital call and 13 home calls.
