LOCAL BRIEFS

THE GUARDIAN had a pleasant visit yesterday from Mr. Pond, Editor of the Summerside Pioneer.

THE COLUMBIAN Mission Band will meet this afternoon in the basement of the First Methodist Church.

THE S. S. Minto arrived in Georgetown at 4.30 yesterday afternoon. Her cargo consisted of 3 cars of general freight.

LARGE shipments of fresh fish are constantly being forwarded. Recently Messrs. J. A. Morrison and Walter Matheson shipped a car load each of smelts and eels.

REV. G. P. RAYMOND will be chairman of the Temperance meeting under the auspices of the W. C. T. U. in Zion church next Tuesday evening at 8 o'clock.

THE meeting of the Model Class held last night was well attended considering the fact that Burns' Concert happened to be on the same evening. (The number enrolled continues to increase.)

L. O. A. B. A.—Regular meeting of Boyne Lodge No. 614, will be held this evening in their Lodge room, Kent St. at 8 o'clock sharp. All members are requested to attend. Visiting brethren are cordially invited.

A DREADFUL accident occurred at Corwall Wednesday. James McGregor who resides near Hyde's Mills, Corwall left his home to chop in McMahon's woods some distance away. The wind was blowing heavily and it is supposed a falling tree struck him on the head and when found by Mr. McMahon he was pinned to the ground. Life was extinct and blood was running from his nose and mouth. The body was removed to the unfortunate man's home. The GUARDIAN extends its sympathy to the bereaved.

SACRED CONCERT AT CLYDE RIVER. The Mission Band recently organized in connection with the Clyde River Baptist Church gave their initial concert in the Clyde River Baptist Sanctuary on Wednesday evening Jan. 24. The announcement of an entertainment by the Clyde River children was sufficient to overcrowd the attractive little meeting house. The program was long and embraced a variety of pleasant features, all of which were finely rendered. The small children did especially well. Indeed it would be hard to find another company of the same number, able to present an entertainment in every respect so thoroughly satisfactory. The object was to raise funds to endow a bed in the Baptist missionary hospital at Chocoma, India. The collection and mite boxes yielded about \$12.00 a sum more than sufficient for the purpose required. A concert of this character not only furnishes fine amusement, but is also, perhaps our most forcible method to implant the truth regarding Christian missions in the minds of children upon whose shoulders in a few years will fall the burden of sustaining Christian effort.

MEETING of the electors of Ward 5 to-night.

MESSE. JAS. PATON and J. K. ROSS were last night spoken of as two of the probable candidates for Ward 5.

ATTENTION.—A Basket Social and entertainment will be held in the Hall at Marshfield on Thursday evening Feb. 1st at 7 p. m. Admission 10 cents. Ladies with baskets free. Proceeds in aid of the Presbyterian Church.

THE committee in charge of the Burns' Concert desire to thank the ladies and gentlemen who took part in last night's performance in the Opera House; also the audience who by their presence and marked appreciation contributed to make the entertainment a fitting commemoration of the anniversary of Scotland's immortal bard.

FOLLOWING the practice adopted in all the leading schools of America and Europe, some of the pupils in Prince Street School were yesterday tasked as to their ability to discern objects clearly at a different distance from them. The purpose of this was to enable the teacher to seat the pupils to the best advantage for themselves in following the work from the blackboard. This commendable practice should be continued and extended throughout this and the other schools of the city. Unquestionable injury is frequently done pupils unintentionally by having them seated so that they cannot follow the work without straining their eyesight.

THE Daily Transcript says: "A very handsome new coach will be finished in the railway shops at Charlottetown, P. E. I., shortly. This will make four new coaches, one passenger and smoker, one baggage and two improved snow plows, that have been made in the shop since Mr. Sharp, the present efficient Superintendent, took hold of the road. Besides the above, there have been two splendid engines added to the rolling stock, several bad curves taken out of the road and many other important improvements made under Mr. Sharp, who, by the way, has proven himself to be a thorough railway man, and one ever alive to the requirements of the travelling public, as well as those under him and the railway he manages."

A WELL attended and enthusiastic meeting of Court St. John, I. O. F. was held in the court room, Souris East, on Monday evening last, it being the night for installation of officers. The ceremony was performed by Arch. Currie, Esq., Court Deputy. The principal officers are as follows:—

Chief Ranger, J. A. White. Vice Chief, J. Steel. Rec. Sec., Edison Stewart. Fin. Sec., J. A. McCormack. Tress., B. McEachern. Orator, C. H. S. Sturis.

A number of members from Court Whelan, North Lake, were present paying a fraternal visit and after the business of the Court had been concluded the usual speeches for the Good of the Order were given by several members and visitors. Then a grand supper was served in the adjoining room, which all enjoyed. Court St. John is one of the largest courts in the province having sixty nine members.

MISS MARY LAYTON, daughter of Rev. J. A. Layton, formerly of Emsdale, but now of Marshfield, P. E. I., who left some weeks ago for Trinidad to teach in the Mission School in Princetown has written to her friends that she and the other missionaries, who were with her, arrived safely on Monday the 18th Dec. They had a very pleasant run down, calling at Bermuda, St. Thomas, St. Croix, St. Kitts, Dominica, Martique, Antique, St. Lucien, Barbadoes on their way. They found the missionaries all well and glad to welcome them home again. Miss Layton had been introduced to her pupils and found them very bright and intelligent.—Truro Sun.

Yesterday, Messrs. Mark Wright & Co., were busily engaged unpacking the following furniture and furnishings for the new Prince Edward Island Hospital. The furniture is elegant and the new Hospital will certainly have the latest:

Don't Blame The Doctor

Sometimes a Physician is blamed for not curing a patient as soon as they think they ought to be.

Sometimes a Physician wonders why a certain drug he prescribes does not have the expected beneficial action on his patient.

Perhaps the Druggist is to Blame.

If the drug ordered by the Physician is not used, but another substituted, because the druggist doesn't happen to have it in stock, if the drugs are not pure, if the prescription is not properly dispensed. Any one of these reasons would defeat the object of the physician, and might cause him to be unjustly blamed.

We do all in our power to help the Physician by using only drugs of known purity, never substituting one drug for another, and personally doing everything in our power to help the physician, by using drugs of known purity, never substituting one drug for another, and personally doing everything in our power to see that every prescription is properly dispensed.
