William Kennedy, Summerside, has sold out his stock of drugs at Kensington to F. W. Jardine and James Bernard of that village.

All citizens are requested to have themselves vaccinated at once by a competent physician. School children who are unable to pay will be vaccinated free of charge on presentation of a certificate to that effect from some responsible person.—H. J. Massey, Town Clerk. 39 d4i

At the meeting held in the Presbyterian church, Summerside, after the usual Sunday evening service, a committee was appointed to arrange for a series of meetings by E. Tennyson Smith, the world renowned temperance orator. The dates and places of meeting will be announced as soon as arrangements can be completed. J. A. Brace is chairman and A. D. Brasscombe secretary of the committee.

D. S. McQuarrie, undertaker, Crapaud, was in Summerside, yesterday.

The stores in Summerside will remain open until 7 o'clock on and after Monday the 18th inst.

The two young men Sims and Morrison, Kensington, who spent some days in jail on a charge of contempt of court, were liberated Saturday as a result of habeas corpus proceedings instituted in their behalf.

Miss E. Gertrude Duncan who has been for the past two years milliner at McMurdo Bros. Summerside, left yesterday morning via the Capes, for Boston, where she has accepted a position in Madame LeVasche's millinery rooms.

Owing to the increase in my business and the necessity of giving it more of my personal attention, I have decided to dispose of my gents' furnishings. This department is a profitable one and will make a splendid business for a live man who will devote the necessary attention to it. The stock is new and up-to-date. Intending purchasers may inspect it at any time. Terms moderate. W. A. Stewart. 3-12d1f.

The newly elected town council, Summerside, held its first regular meeting last night, the Mayor and all the Councillors present. After routine a communication was read asking for an increase of $6 each to the firemen and that the number of men be increased to 20. Referred to the financial committee. A letter from the school board intimated that a larger amount would be required for school purposes and asking that the Legislature be asked for an amendment to the school act empowering the Council to appropriate $3000 instead of $2000 as at present. The suggested amendment was approved of but the amount was placed at $2500 instead of $3000. The following appointments were made: H. J. Massey, town clerk; Neil McQuarrie, recorder; W. G. Schurman, wharfinger; Daniel Hamilton and D. K. Currie, assessors; Alexander Campbell and Wilfrid Tanton, auditors; Albert J. Phillips and John Steele, police and pound keepers; Albert Gaudet, street commissioner; James Millman, teamster; J. Henry Gallant, second streetman; Dr. John F. McNeill, health officer; Robert Waddell and Artemas Howatt, fence viewers; Peter Quigley, Joseph Buote and Alexander Gallant, chimney sweeps; James McNeill, chief of the fire department; W. A. Cunningham, engineer, beaver; Thomas Bishop, fireman; D. Perry, tender to Beaver. Standing committees were also appointed. The Mayor submitted estimate for the ensuing year, showing a probable total expenditure of $14,997. Revenue based on previous rate of assessments, $11948. Last year's report showed a deficit of $800. This should have been $1606, as bills amounting to $716 had been carried over into this year. His Worship intimated that the town was prepared to learn that increased taxation would be in order. This problem would engage the attention of the council. He gave at this stage an excellent address outlining the general policy of the council. He spoke in firm and unmistakable terms with reference to the duties of the police and other town officials and intimated that the council expected everyone to do his duty. There was a laxity in many instances which it was the council's intention to correct. All the bylaws and especially those relating to fire protection would be enforced. The law in reference to ladders on buildings would be strictly enforced and any infringing would be punished. All sums expended must be on the order of the chancellor of the finance committee. On motion of Councillor Arsenault, seconded by Councillor Muttart, a committee was appointed to revise and consolidate the bye laws. Councillor Read reported on behalf of the health committee that in connection with the smallpox scare, the old emergency hospital, west of the town was the only one available. He suggested that it would be better, as the building was in many ways unsuitable, to secure a piece of land in a suitable place and erect a building thereon. Councillors McNeill, Muttart, and Manson concurred in this view and a rerolution was adopted Council adjourned till the 18th.

IMPORTANT ANNOUNCEMENT

We wish to announce to the public in general that we have just opened up a complete and very beautiful stock of Wall Paper. You will find not only the patterns and colorings beautiful in the extreme, but the qualities are very superior, while the prices are much lower than you would expect to pay for such goods. Competent critics say it is the best and most beautiful wall paper they have ever seen, while the prices are a revelation. Added to the extremely moderate prices at which we are able to sell the wall and ceiling papers, we are about to introduce something unparalleld in wall paper selling viz:—Instead of selling the border by the yard as has been the custom, an item, by the way, which always added considerably to the cost of papering a room, we will sell the border by the roll, at the same price as the side wall paper. This is certainly an important saving, and one which will undoubtedly appeal to all.

Not only can we sell you both paper and borders at prices the most moderate, but we promise you an assortment of patterns and colorings which will both charm and delight you. They have been selected with infinite care, and undoubted taste, there being not an undesirable pattern in the whole lot of upwards of 300 different designs. In order to introduce this magnificient line to the public we will hold a

Grand Wall Paper Demonstration

Commencing on Thursday 7th Until Tuesday 12th

An event which will be both unique and appropriate. Our whole second flat will be given over to a gorgeous, yet tasteful, display which will be well worth coming miles to see.

As an additional attraction we will have a grand display of New Spring Goods on the first floor.

Thousands of dollars worth of the cream of British, Canadian and Foreign markets will be placed on view. New Spring Jackets, New Spring Skirts, New Dress Goods, New Silks, New Trimmings and many other things too numerous to mention, all justly claiming boundless admiration.

We extend a most cordial invitation to all to come to our Grand Wall Paper Demonstration, and enjoy what will undoubtedly be a feast of artistic beauty. Sample books will be placed in convenient places, while courteous attendants will show the many beautiful designs.
