### "No Hat" Custom Gains In Favor Of Frenchman

PARIS, Oct. 29.—The "no-hat" custom launched some years ago by Robert Edeline, then manager of Eugene Ciqui, former feather-weight boxing champion, has grown very fast recently with the price of hats ranging from 100 to 200 francs. The number of hatless men on the Boulevards pay even in these cold Autumn days is extremely large. But opposition to the custom.

hitherto confined to hat dealers, has now sprung up among government functionaries. Chief clerks in the various ministries strolling through the offices were wont to overlook the momentary absence of their assistants, providing their hats were in the rack outside the office door. But when functionaries came to work without a hat in the morning and then disappeared, the absence of both man and hat was regarded as sufficient proof to warrant the "docking" of a day's pay. Now the Functionaries Union has ruled that all their members must wear their headpiece to work.

—WEDDING BELLS.—The following is taken from a Calgary paper and may be of interest to a number of Islanders. A very pretty wedding took place at the Cathedral of the Redeemer, Calgary, Alta., on Oct. 6th, 1926, when Rev. R. A. Robinson united in marriage Miss Jennie May Moase, second eldest daughter of Mr. and Mrs. Herbert R. Moase, of Kensington, Prince Edward Island to Mr. John Clarence Holmes of this city and formerly of England. The bride who entered the church leaning on the arm of her brother-in-law, Mr. W. J. Proffit, Elmore, Alta., to the sweet strains of the wedding march played by the organist of that church, looked charming in a navy blue tailored suit with tawn picture hat, and carried a beautiful shower bouquet of white carnations and maiden hair fern. She was attended by her chum, Miss Veda M. Baphaw, of Calgary, who also wore a navy blue suit with hat to match, and carried a pretty bouquet of flowers. Mr. William Holmes, brother of the groom ably supported the groom, after the ceremony the wedding party motored to the home of Mr. and Mrs. J. Bankroft, where a reception was held. The bride's evening dress was of Champagne satin. Prior to Miss Moase's marriage, she was employed with the Gant Telephone staff of this city. Mr. Holmes is an engineer and was among the first to go overseas at the age of fifteen to serve his King and country, where he spent several years, and has seen much fighting in France and Belgium. He is a son of Mrs. George Holmes of Calgary, Alta. Mr. and Mrs. Holmes left the following day for a honeymoon trip to Banff, after which they will reside at Calgary, Alta. The bride and groom received many valuable presents such as china, silver, linen, and cheques, also a most charming wedding cake from the "M'chell Bakery" of this city. The bride before going west was employed with R. T. Holman, Ltd., Summerside, P. E. I. The young couple have the best wishes of their numerous friends for a long and happy wedded life.
