A TIP ON HOW TO WIN

First—You enter the competition by sending in a nomination blank properly filled out. The nomination blank is good for 5,000 votes, and only one Nomination Coupon will be accepted for any one candidate.

Second—Let everyone know that you are a Candidate before they promise their help to a more enterprising competitor.

Be ambitious and determined to win from the start. If you have friends you cannot see at once, write them.

You can get votes and subscriptions anywhere.

Votes will be given on new subscriptions, and on renewals of subscriptions. The manager will be glad to advise in advance! Also, on payment of the nomination blank, you will receive a copy of the Contest rules, and full instructions and supplies will be sent to you.

Secure every daily vote coupon possible, but principally work for votes secured on subscriptions. They count up faster.

An Early Start For Winners

One of the outstanding features of a short competition of this kind is that the early entrant usually carry off the big prizes. The declining vote schedule will also undoubtedly give the "early birds" an advantageous lead over those entering later.

Fill in the nomination blank and begin today on an aggressive campaign for the Gray-Dort Touring Car or one of the other big free prizes.
