Totem Pole Golf At Jasper Park

JASPER PARK LODGE, JASPER ALTA. July 26—When Old Sol pokes his nose over the Colin Range on the morning of September 5th he will see an array of golfers gathered around the first tee that has possibly never been equalled in Western Canada's golf history. This date will be the opening day for the 12 annual Totem Pole Golf Tournament and for the balance of the week Mr. Sol will have to wear blinkers to keep the flying divots out of his eyes for the hunt for the Totem Pole Trophy promises to be a particularly hot one this year. Robert Sommerville, Manager of the Lodge, already has received entries for this annual Golfing feature and is the opinion that this year's event will be the greatest in the history of the tournament. "We have registration in from most cities in Western Canada already and because these have been received so early I believe this years event will be our greatest" declared Mr. Sommerville today. Under the careful manicuring of Greenskeeper Bill Drinkworth, the course came through the winter perfectly and is in its best condition in history, every fairway is beautifully grassed and the greens are as fine a set of velvet carpets to be found anywhere on the continent. Among the pleasing changes the Golfers will find this year is a new green at the 18th—Last fall the old type bent was taken out and the new Clarkson bent was substituted.. The magnificent character of the hole was not changed a whit in the alteration but in reestablishing the surface, two putting levels were carefully and skillfully worked in that now practically the entire surface of this 12,000 square feet of green is available for placing of the cup. One of the main threats this year promises to come from Seattle as Golfers from that city have not yet been successful although last year they reached the semi finals. Their plan this year is to take the famous Silver Totem Pole back to the Pacific Coast for its first view of Puget Sound from the United States side of the Border. Jack Starky of Edmonton present holder of the Trophy and only Golfer to share with Gardner or White of New York the distinction of having won the Trophy twice. Has not yet been heard from although when the names are put into the seat for the qualificying round draw it is almost a certainty that his will be amongst those present as he has played in practically every tournament.

SAVING

Save two ways! Did you ever consider the fact that only $20.00 per month rent amounts to $240.00 in ten years, and interest added very much more.

This is absolutely necessary, own a lot, pay for it, and have a deed, and the building part is easy to finance.

One way to save is to secure a lot to build. The second way to save is—we are offering to the first reliable party purchasing a building lot from this date to August thirty-first, a 10% discount off our very low price.

Negro Republic Notes Anniversary

MONROVIA, Liberia, July 26—(AP)—This West African negro republic, which originated in the efforts of philanthropists to provide a home for freed American slaves, celebrated its 90th anniversary today.

One cloud darkened Liberia's horizon—fears that Germany and Poland may seem to expand—economically if not territorially—in the only remaining unfettered state in Africa.

German traders undeveloped industry and Polish interests have spread counter-campaigns of influence. Liberia is rich in soil, forests, rubber and minerals.

Besides fear of the colonial ambitions of Germany and Poland, Liberia's main worries are sleeping sickness and illiteracy. Sleeping sickness takes a huge toll in the isolated inlands areas, particularly on the eastern border near the French ivory coast colony.

JOHN DONALD SHAW DIES IN REGINA

AVONLEA, Sask., July 14— The death occurred July 6 at the Regina General hospital of John Donald Shaw, aged nine years and two months, only son of Mr. and Mrs. John Shaw, Avonlea. The lad, who was born in Avonlea, had been a patient in the hospital for weeks and his death cast a gloom over his friends and playmates, who will remember him always for his happy and lovable disposition both at play and at school.

He leaves to mourn him his parents, three sisters, Jean, Dorothy and Marilyn, all at home. The funeral service took place July 7 at the United church and was conducted by the pastor, Rev. J. M. Would, who gave a comforting message to the bereaved.

The casket was covered with flowers and the church was filled, to show their regard for "Donnie" as he was familiarly called. The pallbearers were: Kenneth McRorie, Gen McRorie, Eric McRorie, all elder cousins of the deceased, and Wilfred Shea. Interment took place in Hillcrest cemetery. —The Leader Post.

John Shaw above referred to is a native of New Perth, Prince Edward Island, being the eldest son of the late Daniel Shaw of that place. He left this Province about twenty seven years ago and has since resided in Western Canada. (Patriot Please Copy)

FINANCIAL NEWS BRIEFS

(Received over Pitfield and Co's Private Wire)

NEW YORK, July 26—The London market is better this morning. The Wall Street Journal carries a story today that unfilled orders of Worthington Pump on July 1 were at the highest level in 17 years and were 81 per cent greater than on the same date last year. Cluett Peabody for six months reported 85 cents a share on the stock against 59 cents a share in the corresponding period of last year on the present capitalization. It is believed that the senate this week will try to consider the wage and hour bill and the Housing Bill. U. S. Steel will publish its second quarter earnings tomorow after the close, General Motors on Wednesday and Bethlehem Steel on Thursday. Consolidated Edison is scheduled to meet for dividend action today. We would look for a better market today with probability that it will broaden out.

NEW YORK, July 26—Magazine Steel reports steel operating rate down one point to 81 per cent capacity with vacations partly responsible for decline. Present rate considered excellent for the time of year with no comparison felt among steel makers over slower rate of buying compared with earlier months. Says Pittsburgh prices probably will be announced about Sept. first. Great Northern RR six months ended June 30 net income $89,866 or three cents a share against net loss $2,869,036 in 1936 half. June net income $2,-377,503 against $643,076 in June 1936.

WINNIPEG, July 26—Today's forecast Manitoba mostly fair and warm and possibly some light showers, Sask and Alberta—partly cloudy and warm, some slight showers. On Saturday Buenos Aires wheat closed 1-4 up to unchanged. A despatch from Lethbridge says Southwestern Alberta from the Montana Border to Calgary and from Coutts, Taber and Vulcan west to the Mountains will harvest an average crop except in those fields blown out or attacked by grasshoppers or cutworms it was indicated Saturday. Some wheat crops will run as high as forty bushels. From the bullish standpoint the market is disappointing to many and while no particular headway is being made there is no pressure from bears at moment so that declines do not extend very far.

MONTREAL, July 26—Canadian Motor Sales—For first six months up 28.4 per cent in number and 26.4 per cent in value over like 1936 period.

C. P. R. Earnings—The week ended July 21 up 9.3 per cent from same week last year.

TORONTO, July 26—Goodyear Tire and Rubber—There are strong indications that shareholders are heading towards another substantial cash bonus on their holdings. In 1936 the Company paid in addition to the regular $2.50 dividend a bonus of similar amount making $5 in all for the year.

Building Products Co.—Third quarter is opening up auspiciously. There are good reasons to look forward to an extra payment to shareholders just as soon as directors feel satisfied as to the position for the year as a whole.

Canada Steamships—It is understood that on August 15 next when the called $2,153,476 of 5 per cent series a first mortgage debentures stock and bonds payable at 105 and accrued interest, the Company will have on hand cash more than sufficient to complete the transaction without recourse to borrowing from the ranks.

Dominion Textile Co.—National Catholic Federation of Textile Workers announces majority of Company Quebec employees voted for strike to attain collective labor agreement. But strike action awaits approval by organizations executive committee.

In Memoriam

MR. CLEMENT POIRIER

The death occurred in the Prince County Hospital on July 19th of Mr. Clement Poirier of St. Nicholas at the age of 78 years. A week ago he had undergone a serious operation and he seemed at first to recover but Saturday last his condition became suddenly critical and he gradually weakened, until Monday morning, fortified by all the consoling rites of the Roman Catholic Church, he gently breathed his last.

The late Mr. Poirier was a lifelong resident of St. Nicholas and was held in high esteem by all who had the pleasure of his acquaintance. His familiar figure will be sadly missed in the community.

This makes the third death in the family in a short period. The oldest son, John, in Boston, died last winter, and his only brother, Joshua, died in the Prince County Hospital.

Mr. Poirier leaves to mourn the loss of a devoted husband and loving father, his wife, nee Ursule Poirier, four daughters and five sons, Mr. Arsene Poirier and Mrs. Ernest Gaudet, St. Nicholas; Philip of Somerville, Mass.; and Mrs. Henry Arsenault of Charlottetown; Edmond, Azade, Urbain, Telmon and Aldene at home.

The funeral was held Wednesday morning to St. John the Baptist Church, Miscouche, Rev. Martin Monaghan said the Requiem Mass and officiated at the grave.

The pall bearers were Felix and Martin (grandsons), Williard and Alyre (nephews), and Mr. Henry and Ernest, sons-in-law of the deceased.

The funeral services were largely attended.

To the bereaved family the Guardian extends sincere sympathy.
