**Overflow Cattle Sale**

**BUNBURY FARM, CHARLOTTETOWN, (3 MILES FROM THE CITY), MARCH 16, 1920, at 1.30 p. m.**

Despite yearly dispersions our herd has again increased to fifty which is more than we can handle. We now propose to sell our remaining select grade cattle—thirteen in number. Four are newly freshened; the remainder are bred to freshen in May, June, July, and the autumn months. Some of the heifers are double crosses of our imported bulls and are from excellent dams. We can recommend them.

To make the sale more attractive and to encourage the starting of more pure-bred herds, we offer the following:

- PURE BRED HOLSTEIN-FRIESIAN CATTLE**
- 1. A cow and her 8 months old heifer calf. The cow is by a very well known bull a son of the first Canada cow to exceed 33 lbs. of butter in 7 days. The calf is by our imported bull—Sir Dekol Pontiac Jewel.
- 2. A cow and her 4 months old heifer calf—bred similarly to the above.
- 3. A 3-year-old imported cow due to freshen in April, 18 to Roycroft Pointe Echo. We would pay the calf from this cow at \$75.00 if heifer.
- 4. A 4-month-old bull out of Pauline Philly Colantha—one of the finest cows in H. J. Kennedy's grand herd.
- 5. A 10-month-old daughter of Sir Segie Walker Korutylke—a bull bred by Dr. A. A. Fairwell, Oshawa, Ontario.
- 6. A 2-year-old, newly-freshened heifer sired by Prince Colanthus sired by a whose 5 nearest dams averaged 107 1/2 lbs. of milk a day, and over 32 lbs. of butter a week.
- 7. A price would be put on several others—young bulls and heifers. If the yearling bull ABEWEIT TIDY ABBEKEKJEWEL not sold previous to the sale he will be offered. His dam is the land's greatest cow with a 3-year-old record of over 26 lbs. of butter in 7 days, over 52 lbs in 14 days, and a 5-year-old record of over 30 lbs. She is capable of beating her own record and possibly trying the Maritime record of over 32 lbs. held by her mother's full sister—Apple Grove Patti.

The Honorable Walter M. Lea will give an address on Dairying. A slio demonstration of O.P.V. silage will be given. We believe in O.P.V. Silage will take much of the hard labor and cost of production out of dairying. See now 1 is made and handled.

TERMS—Announced at sale. Eight months credit allowed at curb-bank interest.

J. WALTER JONES,  
 Bunbury Farm, Charlottetown.

**LIVE HOGS WANTED**

We are ready now to receive live hogs, paying follows, delivered at our packing house, Charlottetown:—

- 150-275 17 1/2 cents.
  - 275 up, 15 1/2 cents.
- Brood sows, any weight, 13 1/2 cents, all good quality, well fattened.  
 Delivery may be made on any day except Saturday.

Light hogs, under 150 lbs., are of very little use packing purposes, and as the chief profit from pig comes in the last few weeks of finishing, it is respectfully suggested that farmers hold any light hogs, under 150 lbs., until of weight and quality more profitable for all concerned. But should it be necessary to dispose of any such under-weights they will be received at market value, proportionate to above prices.

We also buy at various points throughout the island and full information can be obtained from our representatives.

**Ends Stubborn Coughs in a Hurry**

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.  
 You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It is very easily prepared, and there is nothing better for coughs. Into a 16-oz. bottle, put 2 1/2 ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified molasses, honey, or corn syrup. Either way, this mixture saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.  
 You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and disappear. A day's use will usually break up an ordinary throat chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.  
 Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

 A Modern Story of Home and Business

**REFLECTIONS**

CHAPTER 73.

I talked with Mrs. Lane, pretending to take her into my confidence, so that she would break her rule and allow us to retain our room without board. I felt rather small at being obliged to use a subterfuge, but reasoned that it would be but for a short time.  
 "Mr. Meredith hasn't been well since his accident," I explained, "and he is so restless that I think it would be better for him to have a little change of some kind. His appetite, too, is poor, and we think that if he went out to his meals to different places for a time, it would perhaps be better for him." I considered that "well" was a good idea. Mrs. Lane might take it I meant the doctor. She did. And was really very nice about it.  
 "Certainly, Mrs. Meredith, I have no objections for a short time. Of course I could not do it as a permanent thing. The room would not bring in enough if I let it without board."  
 "Thank you, I expect he will be feeling more himself after a bit," I had accomplished my errand, had reduced our expenses for the present—I wouldn't cross any other bridge until I came to it. I then arranged that we were to have our breakfasts in our room, another concession from her rules that, except in case of sickness, no meals were to be carried to the rooms. But I offered to pay her extra, as well as putting the request upon the ground of Robert's health.  
 Even now that I had it all arranged, I knew our expenses would be greater. While we paid a fairly good amount for board, it would not begin to cover the expense of eating in a restaurant. I would have to manage very carefully if we were to be at all social, have anything left with which to entertain our friends, or go to any places of amusement.  
 As I looked back, it seemed to me that after the first few weeks

**She Thought Dress Would Look Dyed**

BUT "DIAMOND DYES" TURNED HER FADED, OLD SHABBY APPAREL INTO NEW  
 Don't worry about perfect results. Use "Diamond Dyes," guaranteed to give a new, rich, fadeless color to any fabric, whether it be wool, silk, linen, cotton or mixed goods—dresses, blouses, stockings, skirts, children's coats, feathers, draperies, coverings.  
 The Direction Book with each package tells so plainly how to diamond dye over any color that you can not make a mistake.  
 To match any material, have druggist show you "Diamond Dye" Color Card.

**Thieves Being Rounded Up**

FREDERICTON, March 6.—Officials higher up in the employ of the Canadian National Railways will soon be placed on their feet in the rounding up of railwaymen, which is being made as a result of the extensive thefts of freight that has been taking place on the system in New Brunswick, declared a public official who is closely in touch with the case this morning. The ten prisoners appearing in the police court this afternoon are all sectionmen or occupy other subservient positions, with the exception of one man, who has been a locomotive engineer and was in receipt of about \$300 a month salary. Nine of the ten have pleaded guilty, but were not sentenced this forenoon because it has been found advisable to have them here as witnesses, whereas if they were sentenced they would not then be available.

**Ouch! Rub Backache Stiffness, Lumbago,**

RUB PAIN FROM BACK WITH SMALL TRIAL BOTTLE OF OLD "ST. JACOBS OIL"

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's "St. Jacobs Oil" rubbing on your back, and you'll get relief the moment you rub it. It's harmless and doesn't burn the skin.  
 Lumber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 65 years.

**ENGINE SMOKES BADLY WHILE IDLING**

J. H. W. writes: My engine has a smoky exhaust which is especially bad when it is idling, but this is not on account of the quality of oil used. Can it be that the gear pump is supplying too much oil or is the trouble in the piston rings?  
 Answer: The pump can keep the splash basin no more than full but quite likely this splash level is altogether too high to take care of idling speeds although about right under heavy duty conditions. Some engines have means for automatically lowering the splash level at low throttle openings in order to regulate the oil supply. It is almost impossible to prevent smoking during idle operation for the vacuum is high in the cylinders and oil is almost inevitably drawn up past the rings. Possibly by using a heavier ring with drill holes in each cylinder and drill the piston through in the bottom of the groove, you could return some of the excess oil to the crank-case but unless the exhaust is noticeably smoky, when the engine is doing work it would hardly seem necessary to make any changes.

**GEAR SHIFTING IS NOISY**

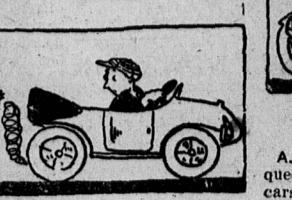

D. D. writes: The gears of my car clash very badly when I shift them. Can you tell me how to stop this?  
 Answer: It may be that the clutch drags sufficiently even when fully thrown out to cause the clutch shaft gears to slip when they should be rigid. If you suggest that you take off the transmission cover, start the engine in neutral hold the clutch fully out and have someone watch the gears to see whether they stop turning as they should. If they do not this is caused at least in part by the clutch due either to failure of the clutch to throw out far enough owing perhaps to the pedal not having sufficient movement, or to failure of lubrication at the clutch bearings, which causes the driven clutch member to be carried around with the flywheel. Plenty of grease on the grease on the clutch bearings and

**COMB SAGE TEA IN HAIR TO DARKEN IT**

IT'S GRANDMOTHER'S RECIPE TO KEEP HER LOCKS DARK, GLOSSY, BEAUTIFUL  
 The old-time mixture of Sage Tea and Sulphur for darkening grey, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.  
 Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Weyth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Weyth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that lustrous appearance of abundance which is so attractive.

**GETTING TOO FAT? TRY THIS—REDUCE**

People who don't grow too fat are the fortunate exception. But if you find the fat accumulating or already cumbersome, you will be wise to follow this suggestion, which is endorsed by thousands of people who know. Ask your druggist for Frezzone's Fat Reducer. It is the world over. By doing this you will be safe from harmful drugs and be able to reduce two, three or four pounds a week without dieting or exercise.

**LIFT OFF CORNS WITH FINGERS**

Doesn't hurt a bit and costs only a few cents  
 Magic! Just drop a little Frezzone on that touchy corn, instantly it stops aching, then you lift the corn off with the fingers. Truly! No number!  
 Try Frezzone! Your druggist sells a tiny bottle for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without one particle of pain, soreness or irritation. Frezzone is the discovery of a noted Cincinnati genius.

**NUTRATED IRON IS USED BY OVER 3,000,000 PEOPLE ANNUALLY TO HELP BUILD UP THEIR HEALTH, STRENGTH AND ENDURANCE**

Look around at the men and women you meet in a single day. One glance is enough to tell the ones with plenty of rich, red blood, strength and physical energy to back up their mental power and make them a success in whatever they undertake.  
 Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (outdoor County Hospital, says that to help make strong, keen, red-blooded Americans, there is nothing so valuable as separate Nutrated Iron. It often increases the strength and endurance of weak, all good druggists everywhere.

**ONLY TABLETS MARKED "BAYER" ARE ASPIRIN**

Not Aspirin at All without the "Bayer Cross"  
 For Colds, Pain, Headache, Neuralgia, Toothache, Earache, and for Rheumatism, Lumbago, Sciatica, Neuritis, take Aspirin marked with the name "Bayer" or you are not taking Aspirin at all.  
 Accept only "Bayer Tablets of Aspirin" in an unbroken "Bayer" package. There is only one Aspirin—"Bayer"—You must say "Bayer". Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoacetic acid ester of Salicylic acid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross".
