—MARRIED THIS WEEK.—A wedding of much interest to the young people of Summerside took place in Kensington on Wednesday Jan. 12th when Miss Florence MacLeod, daughter of Mr. and Mrs. Everett MacLeod of French River became the bride of Mr. Arthur B. Johnson, son of Mr. and Mrs. Thos. Johnson, Summerside. Rev. George Ayers of the United Church of Canada, Kensington performed the ceremony.

—ALBERTON PRESBYTERIAN CHURCH—The 1927 annual business meeting of the Alberton Presbyterian Church, was held on Tuesday, Jan. 11th, 1927. There was a large attendance of members and adherents. The reports submitted from the seven different organizations of the church showed a steady gain over the preceding years. The session report submitted by Mr. Fred Clark showed a gain of 14 members during 1926; making the present membership 135. Speaking on behalf of the session he paid a glowing tribute to the faithfulness and efficiency of the officers and members whose many labours of devotion and love had made 1926 a year to be remembered by its spiritual fruitage. With an increasing attendance at all the regular Sabbath Day and mid-week services, and a greater desire than ever on the part of our people, that Christ may be all in all in the year 1927, should be the banner year. The report of the church Treasurer Mr. W. Lawson, was one of entire satisfaction showing the receipts to be \$2780.00 and disbursements \$2401. In a spirit of loyalty to the Standards of the Church and the Word of God, the Alberton Presbyterians look forward to a great year of service in 1927.

President Coolidge Explains Nicaragua Policy to Congress and Justifies Course of U. S. in Assisting Govt.

WASHINGTON, Jan. 11. Explaining his Nicaragua policy to Congress today, President Coolidge declared in a special message that munitions of war supplied to the Liberal "revolutionists" of Dr. Juan Sacasa bear evidence of having been furnished to the Mexican government. He added that gun runners to the Sacasa group, which has been recognized by Mexico as the constitutional government of Nicaragua, apparently had been fitted out in Mexico with the "encouragement" of Mexican officials, and in at least one case sailed under the captaincy of Mexican reserve officers.

The President said the Department of State had lifted the embargo on arms shipments to the forces of President Diaz, Conservative because "it would be thoroughly inconsistent for this country not to support the government recognized by it, while the revolutionist were receiving arms and munitions from abroad."

CENTRAL ROYALTY SCHOOL CONCERT

The annual Christmas tree and concert held in Central Royalty School on Tuesday evening, Dec. 27th, was most enjoyable and instructive. The large attendance of rate-payers and visitors present testified to the great interest being taken by the district in school work. The school was tastefully decorated for the occasion.

The meeting was called to order by the chairman, Mr. W. P. MacLeod, and the program admirably rendered by the pupils under the direction of their teacher, convinced all present that Central Royalty has in Miss Doull a most capable and energetic teacher.

At the conclusion of the program, Santa Claus appeared, much to the amusement of all, and distributed numerous gifts to both teachers and pupils. Complimentary remarks were made by Mr. Major MacRae, Mr. Fred MacLeod and others, after which the concert was brought to a close by the singing of the National Anthem.

The bride was telling her friends that Uncle George had promised to furnish her kitchen with all necessary equipment, a surprise because Uncle George was notoriously "close." Just as she finished rattling on his unexpected generosity, a mail box arrived. —PRODUCE LADEN—S. S. Magnhid sailed from Georgetown, Tuesday, and Souris, Wednesday morning with a full load of produce, cattle, etc., gathered from Summerside, Charlottetown and Souris. ADDRESS AND PRESENTATION

A pleasant evening was spent at the home of Mrs. Lavina Ford, Ebenezer, on the evening of Friday, Dec. 17th, when a number of the friends of Miss Sadie McDuff, assembled and presented her with a beautiful chair and address.

The following is the address: Miss Sadie McDuff, Brookfield.

Dear Sadie:
Your friends from the neighboring district of Ebenezer have gathered here tonight to offer best wishes respecting an important and interesting event which is to take place in the near future and in which you are to be one of the principals.

During your lifetime among us you have always been a true friend and a kind neighbour and in your selection of a helpmate may we be allowed to say you have chosen wisely and well. But the same may be said of the fortunate gentleman with whom you are about to embark on the sea of matrimony. That this sea may be calm and smooth is our sincere wish, and in order that you may enjoy many pleasant hours in your home, we ask you to accept this chair as a slight token of our esteem, coupled with the wish that you may long enjoy the happiness and many blessings of a married life.

Signed in behalf of your friends,
