The Teddy Bears strengthened their position in the race for the C. B. C. Trophy in the Baseball League on Saturday by defeating the Orlebars by the score of 14-2. The game lacked many of the features which create enthusiasm among the fans on the grand stand and it was somewhat one sided. There were, however, some nice plays made, which offset the errors. At the end of the fifth innings the score stood 5-0 for the Teddies and in the next innings, after changing the man in the box, this lead was increased to 10-0. Before the finish, however, the Orlebars got two men in, while the Teddy Bears got four more, making the total score stand 14-2. Two-base hits were made by Douest, Saunders, Sweeney and Johnson. Toby McWade made a satisfactory umpire.

Richibucto Review: Gordon Halloran, who is in the employ of W. E. Forbes, made a clever capture of the thief who cut and carried away three nets a few nights ago. Halloran had seen a boat with certain peculiarities of sail, in the vicinity of the nets during the day, and on Tuesday he went in search of the boat. He was rewarded for his efforts sooner than he expected. As he approached, he came up with the craft and with out any ceremony demanded his nets; after some hedging and attempted bluffing they were handed over. The guilty party made a strong appeal for clemency, offering to pay all expenses incurred if the affair would go no further. Mr. Forbes feels that the offence is a serious one, and the law should take its course. Mr. Halloran's part in the affair was a creditable piece of detective work.
