BLOOD HUMORS

PIMPLES Many an otherwise beautiful and attractive face is sadly marred by unsightly blotches, pimples, eruptions, flesh worms and humors, and various other blood diseases.

BLOTCHES

ERUPTIONS

FLESHWORMS

HUMORS

Their presence is a source of embarrassment to those afflicted, as well as pain and regret to their friends.

Many a cheek and brow—cast in the mould of grace and beauty—have been sadly defaced, their attractiveness lost, and their possessor rendered unhappy for years.

Why, then, consent to rest under this cloud of embarrassment?

There is an effectual remedy for all these defects, it is,

BURDOCK BLOOD BITTERS

This remedy will drive out all the impurities from the blood and leave the complexion healthy and clear.

Miss Annie Tobin, Madoc, Ont., writes: "I take great pleasure in recommending your Burdock Blood Bitters to any one who may be troubled with pimples on the face. I paid out money to doctors, but could not get cured, and was almost discouraged, and despaired of ever getting rid of them. I thought I would give B.B.B. a trial, so got two bottles, and before I had taken them I was completely cured and have had no sign of pimples since."

Burdock Blood Bitters has been manufactured by The T. Milburn Co., Limited, for over 30 years, and has cured thousands in that time. Do not accept a substitute which unscrupulous dealers say is "just as good." "It can't be."

A WHITE SEASON

"The high class tailors report that white broadcloth, serge and flannel, are in unprecedented demand, for simple walking costumes as well as for visiting and driving."

TERRIBLE BACK PAINS

They fairly agonize your life. Some thing powerful and penetrating is needed. Doctors know of nothing so swift to relieve as Nerriline, a strong, penetrating ointment made to cure just such pains as yours. Nerriline is very concentrated, about four times more powerful than ordinary liniments. In the worst cases Nerriline is extraordinarily good. All muscular pain lessens before it. Nearly fifty years in use—a good recommendation, surely.

LESSENS STRIKES

VIENNA, Feb. 21.—The experience in Austria, where the average manufacturer furnishes dwellings and fuel to his workmen free of charge, has been to minimize the number of strikes.
