ENTRANCE TO HAVANA HARBOR.

[This illustration shows the famous Morro Castle to the right and the projecting bar, La Punta, on the left, where a solitary gun points menacingly toward incoming and outgoing ships.]

### Morro Castle Free to all Now.

American tourists are now tramping over the Morro and the Cabanas making snap-shots at hitherto mysterious and unpictured recesses. Less than three years ago a Cuban photographer was shot for taking merely the approaches to the Morro. Nothing in the fatal old fortress is now hidden, but curious persons have discovered no

oubliettes, no hidden chambers, no forgotten prisoners. The castles were begun in the re-entrant-angle manner of Vauban, the master military engineer of the 18th century; they do not date further back than 1765, after the English had occupied and left Havana. Their massive walls suggest so much of the cruel and medieval regime that has been only a month gone. Joined to the old, romantic stone forts are the

new modern earthworks, which are no more picturesque than any other up-to-date land defences.

The vandals are at work, pulling down the tiles from Cabanas chapel's altar, picking out the bullets from the dead wall where prisoners were shot, breaking off doorknobs and locks, chipping the walls, and carrying away pieces of everying detachable. The forts are regarded by the army physi-

cians as badly fever-infected, so they are not garrisoned. Two batteries of the 2d Artillery live in tents on the open space between the Morro and Cabaras; the artilleryists keep the great guns clean and polished and mount slender guards at the entrances, but the keepers of Morro light, which flashes 10 miles across the sea, are the only residents of the pile.—Ex.

### DIED AT A FUNERAL.

(Patriot)

The death of Mr. John Balderston at his home, Garfield, on Thursday the 9th ult., removes from that settlement one of its oldest and most respected residents. Mr. Balderston was an industrious, upright, unassuming man, and a staunch friend of Liberalism. He leaves a widow, four daughters and three sons to mourn their loss. The remains were interred in the Belfast cemetery on the following Saturday, the Rev. Mr. Sinclair officiating.

One of the strangest circumstances ever recorded on the island, as taking place at the funeral, occurred at the funeral of the late Mr. Balderston, whose obituary is written above. Mr. Samuel Nicholson, a son-in-law of the deceased, drove from his home at Belle River to attend the funeral. Arriving there he unharnessed his horse and while in the act of "rugging" him in the stable dropped dead. Everything was done to resuscitate him but in vain. The final summons had come.

The remains were taken to his late home at Belle River, and the funeral took place on the following Saturday to the same cemetery, the same clergyman officiating. Mr. Nicholson was 61 years of age, and much respected in the community in which he lived. He had an attack of la grippe about two weeks previous to his death, but had apparently recovered. He leaves a widow and a family of nine children to mourn.

### A Guaranteed Asthma Cure.

#### Clarke's Kola Compound Cures.

Some years ago this would have been considered an impossibility, but Dr. Clarke solved the problem since completing his experiments with the wonderful Kola plant in England. In December, 1893, he found, that by combining extracts from the Kola with other extracts made from the Granddona plant which grows in California, that the compound would cure the severest cases of asthma. Upon experimenting in one of the leading London hospitals he found that 85 per cent. of the cases were cured in from 60 to 90 days' treatment. Since the introduction of this remedy into Canada in 1895 there have been over 800 cases cured in Canada alone. Mr. R. N. Hume, C. P. R. engineer, Western Division, writes: "I have been a great sufferer from asthma in its worst form for over twelve years, and never succeeded in getting anything to help me permanently until the C. P. R. doctor prescribed Clarke's Kola Compound for me in December, 1895, when two bottles entirely cured me; at least, I have not since had any return of the asthma. I am personally acquainted with at least six persons who have been cured from asthma by Clarke's Kola Compound, and feel it my duty to recommend it to all who may be troubled with this disease." Three bottles are absolutely guaranteed to cure. A free sample bottle will be sent to any person troubled with asthma. Address The Griffiths & Macpherson Co., sole Canadian agents, 121 Church street, Toronto, Ontario. Sold by all druggists.

Others may relieve, but Clarke's Kola Compound for asthma-permanently cures. For sale by Geo. E. Hughes.

**Raised from a Bed of Sickness.**  
Dr. Chase's Catarrh Cure and Kidney-Liver Pills Combined for Perfect Health—An Interesting Cure After Long Suffering.  
Simcoe, Jan. 18th, 1897.

Messrs. Edmanson, Bates, and Co., Toronto, Ont.:—  
Gentlemen,—For over five months I was confined to my bed, not being able to move. The best medical skill was called in, all treating me for catarrh of the stomach, but to no avail. I could not eat the most simple food without being in dreadful misery, and found no relief until some was vomited up. After spending a large sum in medical advice, I was advised to try a box of Dr. Chase's Catarrh Cure. I said it was no use, for I considered mine a hopeless case from which I could not recover. At length I purchased a box from J. Austin and Company, Simcoe, and to my surprise found great relief. Not being able to eat I tried a box of Dr. Chase's Kidney-Liver Pills; the pains left me the third day. My appetite has been fully restored. I consider myself perfectly cured, and feel as well as when a young woman, although I am 65 years old at present. I was almost a shadow, now I am as fleshy as before my sickness. Have used only three boxes of Dr. Chase's Kidney-Liver Pills, and only two boxes of Dr. Chase's Catarrh Cure. I can do my house work as usual. I am positive that my marvellous cure (which I think it is) is due purely to Dr. Chase's remedies, which I have used. I can honestly recommend the same to any persons suffering from symptoms similar to mine. Wishing you every success.  
Yours, truly,  
MRS. ANN CHURCHILL, 65
