### Happenings Of The Week

(Continued from Page four)

visiting relatives and friends in England before the conference met.

Mrs. Milton Davison, accompanied by Miss Sadje Davison, returned Monday to Belleville, Ont., after a short but enjoyable visit to their old home here.

New appointments to the Halifax Ladies' College, which opened on Thursday are Miss Alberta MacKinlay, of North River, who will be teacher of mathematics, and who succeeds Miss Lois Smith and Mrs. Gronlund, formerly of Mount Allison, who will be teacher of English and Scripture. Miss MacKinlay is a graduate of Prince of Wales College, Charlottetown and of Acadia and has had several years of most successful experience as a teacher and Mrs. Gronlund is an M. A. of Mount Allison. The enrolment at the college this fall is materially larger than last year—the largest by far in fact in the history of the college.

Another banker wedded this week was Mr. Fred C. Murray of the Canadian Bank of Commerce, who was married to Miss Sarah Eunice Steeves of Hillsboro, N.E. Mrs. Murray, who has travelled extensively, having studied in Paris will be a welcome addition to the social life of the city.

Mr. and Mrs. W. T. Tennant, Amherst, N.S., announce the engagement of their only daughter, Dorothy Havelock, to Wilfred Wright Parry, son of Dr. and Mrs. W. T. Owen Parry. The marriage will take place the latter part of September. Miss Tennant, who visited here with college friends last year is a very popular young lady and her marriage is being eagerly anticipated.

Miss Bona Mills, General Secretary of the Young Women's Christian Association, in this city for the past two years, has been appointed Girls' Work Secretary of the Halifax Y. W. C. A., succeeding Miss Mabel McKay, who will, it is understood, resume the practice of the profession which she was following when she accepted the position in Halifax—that of teaching. Miss Mills, whose home is in North Sydney, will assume her new duties early next week and is admirably suited for the work and has qualifications which promise much success for her in what is one of the most useful and important activities in that city. Her departure from Charlottetown is a distinct loss both to the Y.W.C.A.

and to the social life here, as she was a general favorite, especially with the young people.

On Tuesday last the Board of Directors held an informal reception in Miss Mills' honor presenting her with an address of appreciation and lovely brown suede purse. The girls class also remembered their popular teacher and regretful farewells were expressed for her future happiness and success. Miss Mills leaves this morning for Halifax.

Miss Hale, who has been secretary of Wycliffe College, Toronto, has been appointed as the new Y.M.C.A. Secretary and will enter upon her duties here on October 1st.

Dr. Notting has as his guest this week his mother, Mrs. Thomas Notting of Dartmouth, who is greatly enjoying her visit.

Among the very welcome visitors here this week visiting their brother, Dr. J. A. Clark and Mrs. Clark at the Experimental Station are Miss Martha Clark and Dr. Zeila Clark, both returned missionaries from India.

At the Golf Links this afternoon tea will be served by Mrs. S. R. Jenkins, Mrs. J. S. Jenkins and Mrs. I. Y. Reddin.

The social side of the meetings of the members of the Maritime Board of Trade was not neglected, and the visitors had the pleasure of viewing the country by auto and also of dining at the Country Club and Beech Grove Inn, which they greatly appreciated.

The big public event of this week was the laying of the corner stone for the new Protestant Orphanage which took place with due ceremony on Wednesday afternoon when crowds from all over the Province went to Mt. Herbert for the event, which has been anticipated for many years. The ladies who have been prominent all through the initial stages of this project were much in evidence and served appetizing lunches throughout the event, to further enlarge the finances.

Mr. Manning Bagnall has arrived home from Kentville, on a visit to his parents, Dr. and Mrs. J. S. Bagnall.

Mr. E. G. Coombs, who has been spending several weeks with Mr. and Mrs. R. A. Davy, of Ottawa, has returned to the city.

Regretful farewells were said this week to Mrs. (Rev.) J. C. Jaynes and her charming children of Newton, Mass., who have been summing at their lovely home in Keppoch. Mr. Jaynes remained for a few weeks longer.

Miss Helen Mathieson returned this week to resume her studies at McDonald College.

Mr. and Mrs. Arthur Bearist and young son, Toronto, are leaving this morning on return home having spent a delightful summer in Souris and this city.

Sincerest sympathy will be extended to Mr. MacCreedy on the death of his only sister, Mrs. Caleb Sherman, of St. John, which occurred on Thursday. Mrs. MacCreedy went over for the funeral.

Mrs. R. E. Colwill was hostess at a very pretty and enjoyable afternoon tea yesterday at her home on Prince Street.

At the Victoria Park Tennis Courts this afternoon tea will be served by Miss Miriam Ayers, Miss Aelitha Laird and Miss Agnes Paoli.
