"Feed all the Time" Is the complaint of many poor mortals, who know not where to find relief. Hood's Sarsaparilla possesses just those elements of strength which you so earnestly crave, it will build you up, give you an appetite, strengthen your stomach and nerves. Try it.

Hood's PILLS act especially upon the liver, rousing it from torpidity to its natural duties, cure constipation and assist digestion.

The common needle threader was worth \$10,000 a year to the man who first thought of it.

Rich Plum Pudding. This delicious confection is carefully calculated to produce dyspepsia, heartburn, bilious troubles and headache. Burdock Blood Bitters is equally well calculated to cure these troubles and has proved its power in hundreds of cases. B. B. B. regulates and purifies the whole system.

God has never yet made a man who could please all his neighbors.

A Family Friend. Sirs,—I have used Dr. Fowler's Extract of Wild Strawberry in my family for years and can highly recommend it for summer complaint, diarrhoea, cramps, etc.

It doesn't take very much money to make a good man rich.

Change is Welcome. Gentlemen,—For twenty years I suffered from Rheumatism, Dyspepsia, Poor Appetite, and received no benefit from the many medicines I tried, but after taking five bottles of B. B. B. I can eat heartily of any food and am strong and smart. It is a grand medicine and has made a wonderful change in my health.

If some of us would pray more we would grumble less.

The B. N. A. Act. The Great British North America act now-a-days is to buy a bottle of B. B. B. and cure yourself of dyspepsia, constipation, headache, liver complaint or bad blood, and it is an act that always attains the desired result.

A nest egg amounts to very little after a man falls back on it once or twice.

Better than Gold. Gentlemen,—I have used Fowler's Extract of Wild Strawberry for bowel complaint and can say the it is no other remedy as good.

Mrs. JAMES DENNISON, Lake Doris, Ont. The world's consumption of vanilla is said to be about 200,000 pounds.

Worse and Weaker. Gentlemen, I suffered for three days very severely from summer complaint and could not get relief but kept getting worse and worse till the pain was almost unbearable and I became very weak. The friends advised Dr. Fowler's Extract of Wild Strawberry, after I had taken the first dose I found much relief and it did not fail to cure me. I do not intend to be without this valuable medicine if I can help it.

SKODA'S LITTLE TABLETS, Mild, Safe, Efficient. Far superior to any pill. For Headache and Liver Complaint. They cure Rheumatism. 50 in a box only 35 cts.

The Chinese have a tradition that stray dogs bring luck.

Tangents of Patent medicines—you know the old prejudice. All the doctors—some of them are between you and us. They would like you to think that what's cured thousands won't cure you. You'd believe in patent medicines if they didn't profess to cure every-thing, and so, between the experiments of doctors and the experiments of patent medicines that are sold only because there's money in the "stuff," you lose faith in everything.

And, you can't always tell the prescription that cures by what you read in the papers, the remedy, than to tell the truth about it, and take the risk of its doing just what it professes to do. That's what the World's Dispensary Medical Association, of Buffalo, N. Y., does with Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription.

If they don't do what their maker say they'll do—you get your money back.

Shading and tinting should be discarded from the public schools.

Delay is Dangerous. When the kidneys are out of order delay is dangerous. Any disease may follow and become so well established that months of suffering will follow. A gentle tonic like Doan's Kidney Pills is always acceptable to the kidneys and protect them from disease. They are a kidney food.

Vegetation, deprived of light, loses its natural color, form, taste, and odor.
