Messrs. MURRAY, McGougan & Co., Kensington, are offering a full stock of stoves. All lines are selected under the proprietors' personal supervision and the quality of the stock is guaranteed to be the best of the kinds procurable. Besides carrying in stock a full line of stoves the firm also have in stock Granite ware, Crockeryware, Glassware, Fancy Crockery etc., in fact everything in that line to be found in an up to date store. The line of footwear carried in stock this year is fully up to the high reputation already enjoyed by the firm.

RAILWAY matters west have entered upon an acute stage. At great personal inconvenience and considerable expense A. J. McFadyen, Esq., of J. H. Myrick & Co's., Tignish, Father Burke of Alberton and Capt. Joseph Read, M. L. A., Summerside, crossed by the Northumberland Monday morning to hold a conference with Mr. Pottinger on the dissatisfactory way the Island road west, is managed. It seems too bad that those affairs could not have been amicably arranged here. The West certainly has a grievance and the sooner the matter is seriously grappled with the better.—COM.

PAIN IN THE BACK

makes life miserable. Can't it be cured? Yes, in one night. Polson's Nerviline gives a complete knockout to pain in the back, for it penetrates through the tissues, takes out the soreness, and pain, invigorates tired muscles, and makes you feel like a new man. Nerviline cures quickly because it is stronger, more penetrating, more highly pain-subduing than any other remedy. Don't suffer another minute, get Nerviline quick, and rub it in, for sure as you were born it will cure you. 25 cents.
