FRENCH WOULD END AIRSHIP BUILDING

Would Dismantle
Works at Fried-
richshafen, Ger-
many.

CASE OF ZR-3 Consent to Building for U. S. Only Se- cured After Lengthy Ef- fort.

PARIS, Oct. 17.—The French re-
action to the successful flight of
the ZR-3 is a feeling that Germany
should be called upon im-
mediately to dismantle the Zepp-
pelin works at Friedrichshafen as
provided by the treaty of Versailles.
The French Government, however,
is understood to be reluctant to
reluctant place the subject before
the ambassadors' council at this
moment because of the im-
mense interest aroused in the United
States over the arrival of the dirigible.

The question whether Germany
shall be allowed to build any more
Zeppelins as large as the ZR-3 is
within the province of the Ambassa-
dor's Council to decide. The
council with great reluctance and
after six months' insistence by the
United States ambassador, gave
permission to build the ZR-3, it be-
ing understood by all the govern-
ments represented on the council
that this was an exception which
could not be taken in the future.

Found Richest Gold Reef in All Africa Yet Died a Pauper

(Special to Guardian)
JOHANNESBURG, South Africa,
Oct. 17.—George Walker, discover-
er of the richest gold reef in
South Africa, died here recently
a pauper. He had been supported
for several years by the Chamber
of Mines, in recognition of his dis-
covery.

Walker came to Africa in 1885
and made his strike the next year
while building a house at Lang-
laate. A rush of prospectors fol-
lowed, ending in the tracing of the
whole reef and the beginning of
the great mining companies.

French Cabinet Fail To Agree Re Soviets

(Canadian Press)
PARIS, Oct. 17.—Failure of the
cabinet, after today's meeting, to
announce de jure recognition of the
Soviet government of Russia which
had been expected following the
favorable recommendation yester-
day of a special committee on the
Franco-Russian relations, gave rise
to a suggestion that there was
some hitch in the plan to accord re-
cognition but government circles
insisted that recognition was a
foregone conclusion and that any
delay was due only to some detail
of the form of the step to be tak-
en.

Railway Commis- sioner Seriously Ill In Summerside

A sitting of the Board of Rail-
way Commissioners was held in
the Civic Building, Summerside

formation in regard to the railway
train service between Summerside
and Tignish and other railway
matters.

The commission is headed by
Judge McKeown, who has with him
Commissioners Lawrence and
Spencer, the latter in charge of
traffic, also Major Agnew, re-
porter.

The meeting opened with a short
address of welcome from Mayor
Lidstone, on behalf of the Sum-
merside Board of Trade, who after

of the Board of Railway Commis-
sioners then proceeded to explain
certain disabilities which Sum-

ern line labor under by reason of
the present time schedule between

matter due consideration and trust-
ing that a general satisfactory
solution of the situation would result.

Mr. L. R. Allen presented the
case for Summerside and the
Board announced that a decision
would be given within a month.

350 Liberal Contest- ants in the Field

(Canadian Press)
LONDON, Oct. 17.—The drop in
the number of Liberal candidates
from what was anticipated at the
outset of the election contest is ex-
plained by the chief Liberal whip
as being due to the fact that the
Liberal party is not disposed, either
locally or nationally to waste ef-
fort and money on forlorn hopes.
There are only 350 Liberals in the
field so far, whereas in the last elec-
tion there were 450.

NEW PHASE IN PIRIE MURDER TRIAL

Prisoner Alleged to
Have Wife and Son
Living in Eng-
land.

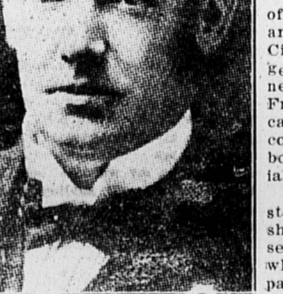

(Canadian Press)
OTTAWA, Oct. 17.—That John
R. Pirie held for the murder of his
wife and two children, eloped dur-
ing the war with the woman he
murdered, and that he has a wife
and son living in England, was the
substance of a report in the
Glasgow Sunday Post which reach-
ed Ottawa today, and which car-
ried a full account of the Pirie
tragedy.

A Mrs. Dakin living near London
a sister of the dead woman gave
an interview to the authorities at
Glasgow.

According to the Glasgow Post
the woman Pirie married was
Caroline Roodman daughter of a
wealthy garage manager living in
Surrey. She was a motor
mechanic during the war and met
Pirie in this way when he was al-
leged to be captain in the Royal
Air Force. Pirie's correct name
is John B. Pirie according to the
Glasgow newspapers, and he is
the son of a farm laborer living in
Aberdeenshire.

Mrs. Dakin told the Glasgow
Post of correspondence received
from her sister in Ottawa asking
her for money and telling of the
family financial difficulties. How-
ever, the family cut off the daugh-
ter at the time of her elopement
and withheld assistance ever since.

R. A. Osted, counsel for Pirie,
stated today that there was no
proof that his client was married
to a woman he killed and also
that Pirie when questioned re-
garding the matter said he did not
remember.

SIR DONALD MACLEAN

President of the Scottish Liberal
Federation, has relinquished his
candidature in the Kilmaronock di-
vision of Ayr and Bute, and has gone
to Cardiff, Wales, in search of a
constituency. This is in accordance
with the agreement reached be-
tween the Liberal and Conservative
parties to avoid three-cornered
fights wherever possible, to prevent
the chance of a Labor candidate
being elected. It is the desire of
both Conservatives and Liberals to
make it a straight fight between
Labor and a Tory or a Liberal.

P. E. I. ORPHAN- AGE CAMPAIGN

Further impetus was given the
campaign for Prince Edward Is-
land Protestant Orphanage yester-
day when three prominent business
men of Charlottetown—Lemuel E.
Prowse, E. T. Higgs and John O.
Hyndman—told Executive Chair-
man George S. Inman, K. C., that
they would serve as a special ad-
scription committee. Mr. Prowse,
Mr. Higgs and Mr. Hyndman will
take charge of some of the larger
subscriptions, working as collabora-
tors with the Executive Commit-
tee of Charlottetown.

William C. Lawson, Grand Mas-
ter of Masons of the Province, has
accepted the chairmanship of the
Alberton division. Mr. Lawson has
shown great interest in the orph-
anage campaign. He thinks that
the whole Protestant public should
contribute generously.

REPUBLICANS ATTACK LA FOLLETTE

(Canadian Press)
PARIS, Oct. 17.—Owen D. Young,
temporary Agent General for repara-
tion payments, reported to the
Reparation Committee this morn-
ing that the application of the
Dawes plan was proceeding with
perfect regularity and that the dif-
ferent organizations, set up by the
Dawes plan were getting to work
under satisfactory conditions.

The next step in the process of
turning over the reparation prob-
lem to the new reparation machin-
ery will be the registry that all out-
side economic interference with
the German industrial regime in
the Ruhr has ended. The Dawes
plan provided that this must be
done after the plan is considered
as being in effect and it is under-
stood that this is now an accom-
plished fact. The Allies have with-
drawn their economic missions
from the Ruhr.

Threaten To
Put De Valera
Under Arrest

(Special to Guardian)
DUBLIN, Oct. 17.—Eamonn De
Valera's fine meeting last night in
Dunshaughra town hall demon-
strated the Republican strength
in Dublin County.

De Valera appealed for union of
the industrial north with the agri-
cultural south where he said north-
ern manufacturers would find bet-
ter markets than abroad. The
north does not reciprocate this at-
titude and regards De Valera as
a public danger. He is putting up
Republican candidates for Ulster
seats at the British general elec-
tion. According to a statement
made at Belfast the Ulster gov-
ernment will arrest him immedi-
ately if he crosses the border.

Papers Tell Of
Smuggling Plans

(Special to The Guardian)
BREIST, Oct. 17.—The baggage
of Max Jerome Pfaff, Ger-
man American resident of New York
City, being tried here on the charge
of complicity in a piracy in con-
nection with the looting of the
French steamer Mulhouse of 36,000
cases of whiskey off the Canadian
coast last June, was seized at Cher-
bourg today by the French judi-
cial authorities.

The baggage when opened, it was
stated, was found to contain papers
showing deals with important busi-
ness men in London for the purchase
of whiskey and other liquors. The
papers, it was declared, also refer-
red to the chartering of a vessel
last June at Halifax, N. S., for the
transportation of 6000 cases of
whiskey to the United States.

Secretary Hughes De- livered Vigorous Speech in New York Last Night.

(Special to Guardian)
NEW YORK, Oct. 17.—The Re-
publican attack toward the Nov-
ember elections was further de-
monstrated last night, when Sec-
retary of State Hughes fired his
main broadside, in an address here
regarding the La Follette move-
ment. The Republican party con-
tinues to profess in official state-
ments and by the actions of its
leading campaigners no fear of the
Democratic strength, but real
alarm at the growing sentiment
for La Follette. Charles G.
Dawes, Republican candidate for
Vice-President, has made his at-
tacks on the La Follette movement
his main theme during an intensi-
ve campaign in the west.

Wants Coolidge.
The Secretary of State told his
hearers that a victory for the La
Follette party would result in the
destruction of prosperity in the
United States, and that only the
re-election of President Coolidge
would ward off a "serious disas-
ter". In a passing reference to the
Democratic party, he said this
party would be incapable of coping
with the La Follette movement, as
it seemed probable that in this
election it "will be virtually cut to
pieces in the west and will be
honeycombed in the east."

While Mr. Hughes was detailing
the Republican side of the cam-
paign story in New York, Senator
La Follette continued his western

A Barbados Bazaar

The season for them is over here, but not so in Barbados. A big one is planned for November in Bridgetown, Barbados. The Committee unanimously asked Messrs. Harold Proverbs & Co., of that place to secure Moirs Chocolates for the bazaar. Mornings like these toast tastes great.

The new Bridge Box is coming into wide use. The handsome package matches the wonderful contents; a full pound of Chocolates, a first class pack of cards, and an amply supply of playing cards. The happy choice for evenings of auction. And prizes as well.
