

IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

TUESDAY

The death occurred yesterday about noon of Patrick Lappin, Charlottetown, aged 72 years. The deceased had been in his usual health and was around as usual in the morning. Returning to his home on Hillsborough Street he dropped dead in the house. The deceased was for a number of years a driver on the P. E.I.R. and was very widely known and respected. He leaves to mourn three sons, John of North Sydney, who arrived on the Northumberland last night on a visit to his former home, and was unacquainted with his father's demise until he arrived in Charlottetown; James, of the Charlottetown Steam Navigation Co. and Harry, in the Klondyke. There are also two daughters, one at home and one in Souris, and a widow surviving. The funeral notice appears elsewhere.

Charles Z. Gilmore, Rock Island, P. Q., and J. B. Gaudet, Miscouche, were in Charlottetown yesterday, the latter leaving in the afternoon for the west. The gentlemen spent Victoria Day trout fishing at Tyne Valley in company with Ephraim Phillips of that place. Their good fortune coupled with the adroitness of experts in handling the fly secured a number of speckled beauties which would break the Island record in this sport for quantity, quality and weight. One beauty was captured by Mr. Gaudet which tipped the scales at 2 1/2 pounds. All were salt water trout. The party have since been receiving the congratulations of their fishermen friends and deservedly so.

Advices from Philadelphia state that a farewell whist party and banquet, given by J. E. and Mrs. Matthews, at their beautiful Mt. Vernon Street home, in honor of C. Francis and Mrs. Prescott, was thoroughly enjoyed by the assembled guests, who wished Mr. and Mrs. Prescott Godspeed on their journey to Los Angeles, California, their future home. Mr. Prescott is a prominent mechanical engineer and goes to the West for the purpose of taking up the practice of his profession. Mr. and Mrs. Prescott will make the trip via Seattle, Wash., Portland, Ore., and San Francisco, Calif., and before setting in Los Angeles, will pay a visit to Mr. Prescott's father, Col. George W. Prescott, a prominent orange grower and capitalist, of Highland, California. Mrs. Prescott is the daughter of David Ross, of Kemross, P. E. Island, Canada.

The funeral of the late Mrs. David Ferguson of Marshfield took place Friday afternoon, May 24th, at 2:30 o'clock. After a short service at the home the remains were conveyed to the Presbyterian Church where a very impressive service was held, conducted by Rev. John Hawley. The sympathy of the entire community and also the esteem and respect in which the deceased was held was evidenced by the large number of relatives and friends assembled. The pallbearers were: W. A. Miller, J. R. Munn, W. B. Warren, Joseph Webster, E. C. McDonald and A. A. McBeth. Besides a sorrowing husband and little daughter, Gladys B., there are left to mourn a widowed mother, Mrs. William Bryenton, and the following sisters and brother, Mrs. David Mallet and Mrs. Edmund Bryenton, Woburn, Mass.; Mrs. John Crockett, York; Mrs. James Stockman, Highfield; and Alphonso Bryenton, Brackley Point Road.

The new regal shoe factory lately established in Toronto promises to be a strong factor in Canadian Shoe Making. The success that has attended regal shoes through the United States has been phenomenal, so much so that the three larger manufacturing plants of the company, located respectively in Whitman and Milford, Mass., and Philadelphia, Pa., have been taxed to

MAGIC BAKING POWDER NEW STYLE LABEL NEVER ANY FAILURE OR DISAPPOINTMENT WHEN MAGIC BAKING POWDER IS USED. CONTAINS NO ALUM. COSTS NO MORE THAN THE ORDINARY KINDS. MADE IN CANADA

their utmost capacity in order to supply the great demand. This demand has not been confined to the United States, and during the past few seasons, large quantities have been sold in Canada, the extra cost in duty being no obstacle to those who knew the many superior qualities of the goods. In order to overcome the extra cost and give better attention to their largely increasing Canadian trade the company has established this regal factory in Canada and Canadian customers can now obtain on getting this excellent line of foot-wear (in latest American designs and fit, as well as the splendid service that has characterized them so strongly in their own country) at the price of Canadian shoes. Messrs. Sinclair & Stewart, Ltd., Summer side have the agency for these goods and their display aid in this issue, giving a description of some of the different styles carried in stock, is commended to the attention of Guardian readers.

WEDNESDAY. Fred Campbell, formerly of Montague, is now in Kamloops, B. C., where he is employed as fireman on the C. P. R.—L.L.

Miss Vesta Nicholson, Charlotte town, leaves this morning on the western express en route to Winnipeg where she intends residing.

Mrs. Walter Scott, and daughter Miss Florence of Revere Beach have arrived at Commercial Cross to spend the summer.—L.L.

D. P. McDonald of Montague returns this month from the office of Sheriff of King's County after eight years of faithful service.—L.L.

A petition for the release of William Molyneux, Milltown Cross, from Dorchester Penitentiary is being circulated by the parents of the prisoner.—L.L.

The friends of Robert Wakeling, Ch. Town, who was injured recently in responding to a fire alarm, are pleased to see him improving rapidly. He has been removed to his home from the hospital.

The farm at Commercial Cross owned by David Rourke, now of Vancouver, was put up at auction by Sheriff MacDonald on Thursday, 15th inst. and bid in for \$400 by G. S. Inman K. C. acting for Mrs. Eugene McDonald.

The horse, harness and carriage of Wm. Rice, tailor, seized by Stephen Casey, Halifax, was sold at auction by Sheriff MacDonald on Saturday, 25th inst., at Montague, Mr. Fission of McLeod & Bentley, Charlottetown, bid in the above for \$90 and drove with the horse to that city.—L.L.

An extension of ten days lobster fishing has been granted to the fishermen and packers for the present season, on the southwestern and western shores of Nova Scotia. This extension will enable the packers to increase their pack and will have the effect of reducing the present high prices of the packed lobsters in the European market, which high prices were very much restricting trade.

Austin L. Dougherty, a native of P. E. Island, has recently passed successful examinations and has been awarded a diploma for a full commercial course in Gahbutt Business College, Calgary, Alberta, and is the first student who has graduated in that course from Gahbutt. Mr. Dougherty taught school in this Province for two years, the last year as Principal of the Alberton High School. He left for the Canadian West in August last and taught until the close of the school year at Christmas. He entered Gahbutt College in January of this year and in March took the exams with marked success. At the present time Mr. Dougherty is taking a special course in shorthand and typewriting. Austin was a student of the P. W. C. Charlottetown for two years and a member of the Dougherty, Port Hill, P. E. I., and a nephew of Mrs. Wm. Howard, Cornwall.

Lorne Stewart, son of Col. D. Stewart, Charlottetown, leaves this morning on return to the west after a visit to his parents. Mrs. Stewart and child will remain here for the summer.

Mrs. W. A. Stewart, and children Allan and Marjorie, Charlottetown, accompanied by Mrs. Stewart's sister Miss Georgie Simpson, leave this morning on a visit to their sister, Mrs. Andrew Glen, Drinkwater, Sask.

Service will be held in the Presbyterian Church, Bonshaw, first Sabbath in June in the morning at eleven o'clock and in the Apple Road Church at three in the afternoon and at Hampton in the evening at seven.

Mrs. Richard Squarebriggs, Charlottetown, leaves this morning accompanied by her three children, for Moosejaw, Sask. where she will join her husband who is now located in that city.

The many friends of John MacKinnon, Cornwall, were grieved to hear of the regrettable accident last week in which he was severely injured and all hope to hear of his speedy recovery.

Among those who went to Charlottetown on the Oddfellows' special train Thursday were: E. D. Bell, Simon Campbell, Jack MacPherson, L. B. Mellish, M. F. MacDonald, Peter Gordon, Vernon Ross, J. J. Younger, J. R. Brehaut, Albert Ross, L. H. Collins, Daniel Nicholson, Rev. Mr. Wilson and Rev. Mr. Lord.—L.L.

Fred J. Holman senior member of the firm of F. J. Holman & Co., Charlottetown, leaves this morning for Edmonton, Alberta. Mr. Holman will be absent about six weeks looking over the business opportunities in the Western Provinces and will definitely decide as to the advisability of making a move.

The plant Line Steamer A. W. Perry sails this morning at five o'clock from Charlottetown on return to Boston. At Halifax she will lay up for an overhauling. The Halifax will leave here at midnight, Wednesday, for Boston. The twice a week service between Halifax and Boston will commence about the middle of June, or as soon as the Perry is ready.

W. J. Oudmore, Charlottetown, one of the most enthusiastic poultry men of the province, has one dozen eggs which, for weight, probably beats any P. E. Island record hitherto established. The twelve eggs weigh just 36 ounces and were laid by his prize winning single crested black minorcas. The average weight of a dozen eggs is between twenty-six and twenty-eight ounces while a few exceptionally good dozens exhibited have weighed thirty-two ounces.

Rev. W. J. Kirby, of Albert, the well known pastor of the Methodist Church, sustained severe injuries recently by being thrown from his carriage. Mr. Kirby, who is well known in this Province, was on his way to his appointment at Harvey when his horse shied at an approaching auto, breaking the harness, which caused the animal to run away. Mr. Kirby was thrown out and was rendered unconscious for a time. He was found some time after the accident and brought to his home at Albert where he is reported to be resting quite comfortably.

A number of residents of Cornwall and vicinity intended going to Charlottetown by way of West River on Saturday but owing to the heavy rain in the early morning they did not get to the steamer. There is no doubt that many would take a trip down the river to Charlottetown from that side but for the great inconvenience of getting to the steamer, which does not come to their side wharf, passengers and freight have to be taken across in a boat or scow, which is both inconvenient and unpleasant, and the writer does not think the word, unjust is too strong to use in this case and is hoping for improvements in that line in the near future.

Baby's Rash Became a Mass of Humor

Parents Decided He Could Not Be Cured, "Cuticura" Soon Made His Skin Perfectly Clear.

A Toronto man, Mr. Eober Mann, of 75 1/2 Queen St. East, says: "Our boy was born in Toronto on Oct. 13, 1908, and when three months old a skin rash appeared on his cheek. What appeared to be a water blister would form. When it broke, starting new blisters until his entire face, head and shoulders were a mass of scabs and you could not see a particle of clear skin. We did not know what to do for him and then about every advertised remedy without avail, including some of the only ones added to his suffering and one in particular, the 'Beady' almost put the infant into convulsions. The family doctor prescribed for him. This did not do any good, so we took him to a hospital. He was treated as an out-patient twice a week and he got worse, if anything. We then called in another doctor and finally a specialist. The doctor said his work was done. But the next day it was as bad as ever. "We decided that it could not be cured and must run its course and so we just left his arms bandaged to his side to prevent his tearing his flesh. The Cuticura Remedies were recommended. We started using them in May, 1909, and soon the cure was complete. Cuticura made his skin perfectly clear and he is entirely free from the skin disease." (Signed) Eober Mann, May 3, 1910.

In another letter, dated June 29, 1911, he adds: "My boy has never had any more trouble since using Cuticura." For more than a generation Cuticura Soap and Ointment have afforded the most successful treatment for skin and scalp troubles of infants, children and adults. A single set of Cuticura is sufficient. Although sold by druggists and dealers throughout the world, liberal sample of each, with 32-p. book on the skin will be sent free, on application to Cuticura, Dr. J. C. Clark, Corp., 25 Columbia Ave., Boston, U. S. A.

FRY'S COCOA "Leave some for me"

Just what I've been looking for. BEAVER FLOUR makes ideal bread and pastry, because it is a perfect blend of Manitoba Spring wheat and Ontario Fall wheat. You don't need to keep two kinds of flour for bread and pastry. Beaver Flour makes both—a pure, white, nourishing, light loaf that "stands up" in the oven, and pastry that is crisp and appetizing. It is more economical than other flours, and appeals to all thinking women. Order it to-day from your grocer. THE T. B. TAYLOR CO., LIMITED, CHATHAM, Ont.

The Perfect Floor Enamel. "Floorlustre" finishes a floor with a coating of the most durable enamel that won't show scratches. FLOORLUSTRE. It can be washed with soap and water like a piece of porcelain—and stands the hardest kind of wear. One gallon will cover 500 square feet. It is easily applied—will dry dust free in a few hours, and hardens over night. All colors for floors, porches, etc. BRANDRAM-HENDERSON LIMITED on the can is your best guarantee of quality. 75 MADE IN CANADA BY BRANDRAM HENDERSON LIMITED MONTREAL, HALIFAX, ST. JOHN, TORONTO, WINNIPEG.

Moir's Biscuits. Moir's Sweet Wine is a dainty little biscuit, of just the right delicacy of flavor to blend perfectly with wine, sherbet or punch. For smart social affairs, it is one of the most popular of biscuits. Moirs, Limited, Halifax, N. S.

For Summer Cookery use OXO CUBES. For home or camp cookery Oxo Cubes are the latest—richest—and most efficient Cook's help. OXO CUBES 10c, 10 CUBES 25c.

WHY SHOULD NOT OLD PEOPLE RETAIN THEIR YOUTHFUL VIGOR

No Reason Why Men And Women Of Sixty, Seventy And Eighty Should Not Be Well—The Secret Of Happy Old Age

"Fruit-a-tives", The Famous Medicine Made Of Fresh Fruit Juices, Again Proves Its Great Value In Curing Kidney Trouble.

Old age pays the cost of living. Few men and women of fifty, sixty and seventy are free of Kidney Trouble. Hard work, mental strain and general debility, tell in the long run. And many men and women show they have Kidney Trouble by suffering with pain in the back, headaches, rheumatism, sciatica, bladder disease.

To such people "Fruit-a-tives" has proved one of the wonders of the age—and the most remarkable discovery of the century in modern medical science. This fruit medicine has performed hundreds of cures where the sufferer had been told that the case was incurable.

Take, for instance, Mr. Geo. W. Barkley, a prosperous farmer and one of the leading citizens of Duddas County, Ontario.

At seventy-six, he is the picture of health—with the vigorous actions and the sprightly step of a man of fifty.

Yet for twenty years, he suffered with Kidney Trouble. He took "Fruit-a-tives" and it cured him.

CHESTERVILLE, ONT., JAN. 25th, 1911. "For over twenty years, I have been troubled with Kidney Disease, and the doctors told me they could do me no good, and said I would be a sufferer all the rest of my life. Nearly a year ago, I tried "Fruit-a-tives". I have been using them all the time since and am glad to say that I am cured. I give "Fruit-a-tives" the credit of doing what the doctors said was impossible." GEO. W. BARKLEY.

"Fruit-a-tives" is the only medicine in the world made of fruit, and is the only one that acts directly on the kidneys. It cures, 50c, a box, 6 for \$2.50 or trial size, 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

\$3.50 Recipe Free For Weak Men.

Send Name and Address Today - You Can Have It Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and vitality, quickly and quietly should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor ever put together. I think I owe it to my fellow man to send them a copy in confidence, so that any man anywhere that is weak and discouraged with repeated failures may stop dragging his feet with harmful patent medicines, secure what I believe is the quickest-acting restorative, rebuilding, STYPTO-CHEMICAL remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 307, Lake Street, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$5.00 to \$7.00 to merely write out a prescription like this—but I send it entirely free.

SWIFT'S ANIMAL FERTILIZERS, being made of Bone, Meat and Blood, with high grade Potash, are fitted by their very composition to supply crop nourishment and to leave the land in best condition for subsequent crops. For sale, wholesale and retail by A. HORNE & CO. 5-30ME91
