To the Electors of the Second District of Queens I beg to announce to the electors of the Second District that at the Liberal-Conservative Convention held today I was unanimously nominated as the Candidate for Assemblyman at the election to be held on the 8th of February next. I believe it is essential to the welfare of this province that the farming interests should be better represented in the Legislature, since agriculture is the mainstay of this Island. I will consider it my duty, if elected, to work strenuously for reforms in the educational system in the interest of agriculture, for improvements in the public roads and ferries, greater efficiency in all the public services, and for the enforcement of our just claims against the Dominion Government. As it will be impossible for me to call upon all the electors personally during the campaign I take this means of respectfully soliciting your votes. Dated this 24th day of January, 1911. JOHN H. BUNTAIN, Rustico. 1-25d&131.
