The latest news, first of all. R. D. Stewart, City, was in St. John Wednesday, a guest of the Dufferin Hotel.

James H. Stafford, City, was registered at the Park Hotel, St John, on Wednesday last. Herbert Lowther, Crapaud, was a passenger to the city by the S. S. Harland yesterday.

The Rev. W. H. Hertz D. D., will preach in the Methodist Church at Cornwall on Sunday evening next, July 10th, at 7 p. m.

The patriotic song entitled "Ode to Prince Edward Island" by Moore & Erb, Hazelbrook is for sale at Moore & McLeod's which can be seen by ad which appears in this issue.

W. S. Hooper, Grand Master of the Oddfellows of the Maritime Provinces, will address a joint meeting of St. Lawrence and Willey Lodges, the 14th. All Oddfellows are invited to be present.

A meeting of the officers and teachers of Zion Church Sabbath School with the ladies and all interested in the picnic will be held in the church Friday evening at 8 p. m., to make final arrangements. All are urgently requested to attend.

John A. and Mrs. Cronin and two children, Reggie and Annie, of this City, John E. and Mrs. Monaghan of Lot 48, William and Mrs. Condy and little daughter Minnie, of Alexandra, Lot 49, were guests of Mr and Mrs. Blanchard, Rustico Ville, recently.

The Methodist Church at Kingston intend holding their annual Sunday School picnic Thursday, the 14th inst., on the beautiful grounds of George Green. Refreshments served, strawberries and ice cream, horse swing and other amusements. Should the day prove unfavorable will be held on first fine day following.

The Methodist picnic at Georgetown on Thursday, the fourteenth, offers the best opportunity for an outing. The weather will be settled by that date, the grounds are beautifully located, the tide will be in early in the afternoon, the steamer Montague will give a cruise around the magnificent harbor and there will be a balloon ascension, besides other attractions. Fare, 50 cents; children, 25 cents. Train leaves at nine sharp.

Rev. Dr. Monaghan, Miscouche, was in Charlottetown yesterday making final arrangements for his grand tea at Miscouche on the 13th. No doubt this will be one of the most pleasant outings of the season. Preparations are being made to entertain 5,000 people. Train arrangements from Vernon River and Charlottetown are perfect. Train leaves not too early in the morning and will reach the city about eight at night. No one should fail to take it in.

The report of the O. A. College and of the Experimental Farms show the great influence of soil and climate on the production of the various farm crops. At Guelph the Daubeneys oats yield per acre, while in the Maritime Provinces it comes at the bottom of the list. The principals however of the production of crops are the same all over the world and Prof. Zavitz who is one of the greatest authorities on farm crops in America is now in this Province speaking on the principles underlying the production of large crops. He will be at the Court House at St. Peter's today at 7.00 p. m. This will perhaps be the only opportunity the people of these sections will have of hearing Prof. Zavitz. Everyone should make it a point to be present.

The Methodist Church, Vernon River South, re-opening services were held on Sunday last and is a day long to be remembered by all who were privileged to participate in these services. The weather was delightful. The choir excelled themselves. Miss Margaret Furness from the Conservatory, Boston, sang at both services with her accustomed charm. The church was filled to the doors in the morning, and in the evening it proved all too small for the congregation gathered. The preachers for the day were, in the morning, Evangelist J. E. McKay, so highly esteemed for "his work's sake," also preaching at Cherry Valley in the afternoon, and in the evening, the beloved minister and man of God, Rev. D. B. McLeod. His discourse was most impressive. The pastor and quarterly board desire to express their thanks to all concerned for the liberal offering.
