

Important Provincial News of the week for Saturday Subscribers.

MONDAY

At the Police Court in this city Saturday Roy Essory and Mrs Annie Coyle were fined \$100 and costs or three months for an infraction of the prohibitory law.

A very gracious revival has been in progress at Dunstaffnage, on the Mount Stewart Mission, P. E. I., during the four weeks ending March 4th in which over twenty persons declared themselves as desirous of leading the new life in Jesus Christ. At the last quarterly meeting the members expressed their desire that their pastor, Rev. L. J. Wason, should remain a fourth year, but at that time he was not in a position to give a decisive answer owing to the great tax which the extensive mission has been on his strength.—Wesleyan.

At the recent Presbytery meeting, held at Halifax, an important proposition was brought forward. This was the question of instituting several bursaries in connection with the arts course in Dalhousie, for competition by students engaged in home mission work. It was felt that it would be best to offer these bursaries in the arts course as that was the most difficult part of the student's training. It is hoped that these will prove an incentive to young men to offer for the work. A small committee was appointed to consider the scheme, and report at a later meeting.

A public temperance meeting was held in Kingston Hall on Friday evening last. The night was fine and the hall was well filled. The members of the Kingston Star Division rendered the following program in a creditable manner: Chorus—Choir; recitation—Helen Newson; song—Melissa Barrett; recitation—Ida McDougall; duet—Clara and Gordon Newson; recitation—Bertha Webster; music and step dance—Oliver Tremere and George Kitson (encored); song—Cecil Stewart (encored); recitation—Clara Newson; chorus—Choir; dialogue—Entertaining Sister's Band; music—Melissa Barrett and Oliver Tremere; dialogue—Interviewing Servant Girls; duet—Lola and Melissa Barrett; chorus—Choir.

The death occurred at the home of her parents on Saturday evening last of Mary A., aged 32 years, eldest daughter of Patrick and Mrs. Mulligan, Summerside, and wife of Alvan Gillis, after an illness of about three weeks, death being caused by inflammation of the lungs. Besides a sorrowing husband and a three weeks old child there is left to mourn a father, mother, two brothers, John in Malden, Mass., now on his way home, and Gerald at home, also four sisters, Mrs. Fidele Perry, Bridget, Maggie and Alice, all at home. Much sympathy is felt for Mr. Gillis in the loss of his second wife after a short married life of only eleven months. Funeral taken place Wednesday morning at nine o'clock to St. Paul's cemetery.

Word was received on Saturday last in this Province of the death of Alexander McDonald, (Dalvay), of the Standard Oil Co, Cincinnati, Ohio, which took place in Long Beach, California.

No particulars of his death were received but about a month ago his health was noticeably impaired and he went to Long Beach from Cincinnati where he died. The late Mr. McDonald, who was about 76 years of age, was widely known in this Province, he having been a regular summer visitor for the past ten years. His property at Dalvay is a valuable and well appointed one. He leaves one brother, James, the representative of the Standard Oil Corporation in London and two nieces, Misses Laure and Helena Stello. His wife who was an invalid for a number of years, died about four years ago.

Chase Away That Tired Feeling

Dodd's Kidney Pills will do it Quickly and Naturally.

It is Caused by Sluggish Circulation Brought on by Deranged Kidneys Failing to Strain Impurities Out of the Blood.

Stayer, Ont., March 25.—(Special)—In the Spring the Kidneys always need attention. They have additional work in straining the winter's accumulation of impurities out of the blood if they are at all out of order, it is sure to tell on them. It is only a question of the best method of treating them and Ernest Colewell of this place, adds testimony to the great mass of proof that the one sure cure for sick Kidneys is Dodd's Kidney Pills.

"Some time ago," says Mr. Colewell, "I had severe pains and soreness in the small of my back, and sometimes noticed a brick dust sediment in my urine, so of course I knew my Kidneys were affected. I procured some of Dodd's Kidney Pills which readily cured the pains and soreness, and restored the urine to its natural color. I always recommend Dodd's Kidney Pills."

George Henderson, Tatamagouche, is in Truro in connection with a petition to the Dominion Government, asking for a change of the P. E. Island boats, substituting Tatamagouche Bay for Pictou town, thus saving 55 miles in the journey from Charlottetown to Halifax. He will get a united and strong support from Truro citizens.

F. H. Beer, City, received official notification Saturday of his appointment to the position of Customs Appraiser for Charlottetown, succeeding the late Robert Hogr. Mr. Beer is one of Charlottetown's best known citizens and should undoubtedly fill the position in a manner satisfactory to the public.

The steamer Hillsboro is now running on a route between Charlottetown and Hocky Point. She was put on last Friday, previous to which time ferry service has been efficiently maintained by Ernest McInnis of Rocky Point, who by means of one of the Capes' ice boats managed to transport passengers between the two points notwithstanding obstructions at times in the shape of floating ice. The winds and tide cause a lot of broken drift ice to come and go within the harbor. It will probably be some days before this is cleared out.

TUESDAY

Mrs Annie Coyle, City, has paid into Court the amount of her prohibition fine (\$100) and costs.

Rev. Edwin Smith, representative of the Presbyterian Witness, Halifax, was in Chatham last week. On Wednesday evening he addressed a largely attended meeting of St. Andrew's Church.—Etc. Mr. Smith is well known in this Province.

The marriage of Miss Madge Rattray daughter of Jas R. Rattray to Albert Edward Duke took place at Eburne, B. C., on the 19th inst. The bride is well known in Summerside and Alberton and her many friends will join in wishing her many years of happiness.

Mr McKay's milk team, while on their delivery work in this city yesterday ran away and in their undirected dash they brought the wagon in collision with a light pole. The horses then became separated from the rig and proceeded to some distance before being captured. The wagon was damaged to quite an extent and a quantity of milk was lost.

A correspondent from Eldon writes that Baxter Hubley has sold his cow to a hunter in the name of John A. McMillan has removed from Gardfield to Pinette, where he intends to farm. James Munroe leaves in a few days for Boston. Donald W. McDonald paid Pinette a flying visit a few days ago. F. W. Pantou has secured the contract of mail driving from St. John's Station to Roseberry. It is hoped Mr. Pantou will give good service. Inventor McTavish is visiting in Gardfield, the guest of friends.

On Saturday the 12th inst an interesting horse race took place on the sands in the presence of a large number of spectators. As the result was undoubtedly the last event of the kind for the season, the result was awaited with much interest. In the three year old class there were four entries. Daisy Bell, owned by Daniel McLeod; Bob J., owned by A. McMillan; Garfield Girl owned by Alex. Ross; Bicki, owned by S. Murchison. In the 5th heat one of the spectators gave the word "go," and Garfield Girl started before the other horses came up, and finished the last alone. The judges ordered the heat trotted over, but her owner claimed the heat and withdrew from the race. The other three horses trotted the heat and the days sport ended. Bob J. was given 1st place; Daisy Bell second; Garfield Girl, third.

There died at the residence of Norman McSwain, Mount Hope, Feb. 1910, Christie, wife of Samuel Nicholson in the 78th year of her age. A woman of noted piety of remarkable knowledge in the word of truth and one who truly feared God and revered His Sabbaths. Born in Scotland she emigrated to this country at the age of twelve years, and at fifteen years of age, experienced that change of heart to which the great teacher refers in the third chapter of John, and which had influenced her character and conduct ever since; and which proved the only "hope and anchor of the Soul," as the spirit was leaving its earthly tenement for an untried state of existence. "The righteous shall be held in everlasting remembrance." Cia samhach uin an calamb dheid San gabh sinn uin tamp An tir na dchuinn far nach gluais An thuitais sinn na namh.—Com.

The Prince of Wales College Athletic Club held their second Annual dinner at the Queen Hotel last night. Between thirty and forty were present including a number of the Faculty, and Professor Shaw filled his old position as Toast Master in his inimitable manner. Genial wit and ginger ale flowed freely as on previous occasions after the elaborate dinner had been partaken of. Mr Berry's singing was one of the delightful features of the evening. The following was the toast list and programme. The King. The Lieutenant Governor Our Alma Mater, Harry Harvey. The College Faculty, Prof. J. A. MacDonald. P. W. C. Athletic Club, Harold Stanley. Vocal Solo, J. W. Berry. The Basket Ball Team, Rupert Seaman. Address, Prof. G. D. Steele. The Students of former years. Presentation of medals, etc. The Winners of trophies, Messrs Campbell, McKenzie, Fitzgerald, Cornet Solo, H. Stanley. Address, Prof. Theodore Ross. Address, Prof. J. T. Clarkin. The Ladies, Robert McLachlan. Ourselves. Our Host.

WEDNESDAY

The following are the Souris market prices:—Potatoes per bus, 28 cents; oats per bus 42 cents; pork per lb 10 1/2 cents; beef per lb 6 cents; butter per lb 27 cents; eggs per doz 20 cents; hides per lb, 8 1/2 cents and hay per ton, \$12 to \$14.

Dealers in Summerside yesterday were paying 18 to 20 cents a lb for butter; 20 to 21 cents a doz for eggs; 42 to 43 cents a bus for oats; 11 cents a lb for pork; 9 cents a lb for hides and from \$10 to \$10.50 a ton for hay.

Owing to the poor condition of the roads yesterday very little produce was moving in the city, and with the exception of the price of oats, which rose to forty-six cents a bus in the retail market, the quotations remain the same as last reported. The price of eggs was from twenty to twenty-one cents a doz.

Mr Sinclair, Springfield, addressed the Marshfield Institute on Monday evening last on Agricultural Industries, dealing principally with the bacon and dairy industry. Mr Sinclair's remarks were most instructive as he gave a fine idea of the industry as carried on in Denmark and other places which he visited while on his European trip.

What might have ended in a serious accident occurred at Marie recently, when a young man returning home in the early hours of the morning was thrown out of his sleigh, the horse escaping, leaving the young gentleman to cover the rest of the journey on foot. Fortunately neither the horse nor man was hurt, but the carriage builder at St. Peters had more work on hand than was anticipated.

There passed peacefully away at North Wiltshire on March 18th, Mrs John Deacon, after a very short illness of paralysis. The deceased was well and favorably known throughout the vicinity and her death came to her many friends as a great shock. Mrs Deacon was always thoughtful, kind and sympathetic with those in trouble although of an advanced age. She will be much missed by those to whom she was so dear and they have the sincere sympathy of all in their bereavement. The funeral which was largely attended took place Sunday afternoon at two o'clock to North Wiltshire Cemetery, Rev Hugh Miller officiating.

A large audience greeted Harvey Mitchell and P. T. Morrow at Alton Hall on Monday night, 14th, at 7.30 p. m. George Wilson was called to the chair and after a few remarks introduced the lecturer, who gave the people good, sound advice on dairymaking and how to improve their herd in order to get profitable results, by testing the milk and using the straight method. After some remarks by Mr. Morrow the meeting closed. A hearty vote of thanks was tendered the lecturer for the very able manner in which he delivered his learned lecture.

The Crapaud Debating and Literary Society held their weekly meeting on Saturday evening at the Crapaud hall, which was well filled, thus showing the interest which is taken in this society. The subject under debate was: Resolved that the present law in regard to automobiles be repealed. Opened in the affirmative by H. H. Tate, being ably supported by C. R. Ferguson, C. C. McKintosh, Isaac Best, John Myers and W. S. Sherrin. Opened in the negative by Vernon Moore who was strongly supported by Dr N. R. Boyver, H. B. Arding, Crisp Moore, D. M. McDonald, W. M. Lea and I. Dewar. This question proved to bring up some lively and interesting discussions. The resolution was carried as against the resolution by a small majority. (For the information of the public it is but to amend the present law prohibiting automobiles from running in this province, but there is no desire on attempt which over to repeal the present law, as so many persons think.)

SPRING BLOOD IS BAD BLOOD

How to Get New Health and New Strength in the Spring.

Even the most robust find the winter months trying to their health. Confinement indoors in often overheated and nearly always badly ventilated rooms—in the home, the office, the shops and the school—diminishes the vitality of even the strongest. The blood becomes thin and watery, or clogged with impurities. Sometimes you get up in the morning just as tired as when you went to bed. Some people have headaches and a feeling of languor; others are low spirited and nervous; still others have pimples and skin eruptions. These are all spring symptoms that the blood is out of order. Many people rush to purgative medicines in the spring. This is a mistake. You can't cure these troubles with a medicine that zallops through your system, and is sure to leave you weaker still. What you need to restore your health and strength in the spring is a tonic medicine and the one always reliable tonic and blood-builder is Dr. Williams' Pink Pills. These pills not only banish spring ailments but guard you against the more serious ailments, such as anæmia, nervous debility, indigestion, rheumatism, and other diseases due to bad blood. Dr. Williams' Pink Pills actually make new, rich blood which strengthens every nerve, every organ and every part of the body. Try this medicine this spring and you will have strength and energy to resist the torrid heat of the coming summer.

Mr. Geo. W. Johnson, Hemford, N. S., says: "A couple of years ago when I came home from lumbering I was in such a condition that my whole body broke out in boils—some six or eight in a nest. They were so painful that I was confined to the house and for three months was treated by my family doctor. I got no better; in fact the sores began to eat into my flesh, and at times were so offensive that I refused to sit at the table with my family. A friend asked me one day why I did not give Dr. Williams' Pink Pills a trial and I decided to do so. I got six boxes and before they were all gone the sores began to disappear and my system was much strengthened. I had taken six boxes when every loil and sore had disappeared, and I have since enjoyed the very best of health."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50. From The Dr. Williams' Medicine Co., Brockville, Ont.

In response to an enquiry The Guardian begs to state that it has no reason to believe that its report of the remarks of Mr. Arsenault, M. L. A., in the Provincial Legislature on the sixteenth inst., as appearing in this journal's issue of the seventeenth, were other than correct.

The following are the Alberton market prices:—White oats per bus, 41 to 42 cents; black oats per bus, 41 to 42 cents; butter per lb, 18 cents; eggs per doz, 20 cents; pork per lb, 10 cents; hides per lb, 8 1/2 cents; loose hay per ton, \$9 and pressed per ton \$9 to \$10.

The Liberal Convention for the Third District of King's County held Monday at Cardigan to nominate a candidate for the seat vacated by Mr Morson was largely attended, there being practically a full representation from all the polls. W. L. Poole, President of the Association, occupied the chair and Augustus Clay was secretary. On motion of John A. Gordon of Brudenell River, seconded by J. J. Sigsworth, of Cardigan, Robert McNeill, barrister-at-law, Charlottetown, was unanimously nominated as a candidate. Mr McNeill accepted the nomination, announcing his intention to do his utmost to carry the Liberal standard to victory. Addresses were also given by Hon J. D. McInnis, M. P. E., H. J. FOSTER, J. T. PIERSON, C. C. McKintosh, Peter A. Gordon and others, who expressed their hearty satisfaction at the choice of the candidate and spoke in most enthusiastic terms of the prospects of his capturing his seat for the Liberals.

A very pleasant and enjoyable time was spent on the evening of the 15th inst., at the home of Isaac and Mrs. Ives, of Montague, when they celebrated the anniversary of their wedding day, twenty-six years ago. The couple, with friends and music, rendered to suit the occasion. Among those present were many of the leading citizens of Montague, also H. W. Ives, of Charlottetown. Their many friends join in giving them a hearty welcome into their twenty-seventh year, and hope to hear of their annual celebrations for many years to come. Owing to the distinct wishes of Mr. and Mrs. Ives, there were no presents, as they forbade any such.

The death of Alexander Robertson, which occurred at his home, Melrose Farm, Marshfield, on Tuesday, the 22nd inst., removes from this community and Province one of the most respected and progressive business leaders of the present generation. He was a son of the late Alexander Robertson, Marshfield, being born there sixty-eight years ago. He spent his life in this part of the Province, where by diligence and foresight he gained for himself one of the finest farms at Marshfield. In early life he married Emma J. Ives, daughter of the late Conrad Vickerson, of Vernon River, by whom he had four sons and one daughter. Afterwards he married Sarah Vandierstine, also of that place, who with his family survive him.

A death of more than usual sadness occurred at Burlington last week, when Fanny, beloved wife of Frazier Mann, departed this life after a brief illness, at the early age of 26 years. The sympathy of the entire community goes out to the sorrowing husband, who with three little motherless children is left to mourn the loss of a kind, loving and leading part in any movement that was for the betterment of the district in which we reside. We appreciate the fact that the success of our Institute has in a very large measure been due to your interest, both as one of the original promoters, and faithful attendance. We shall miss your presence in our meetings, your familiar voice in our discussions, your wise counsel, ready suggestions and clear judgment in our business transactions. Your place is indeed a hard one to fill. Since you have decided to move away from beloved Prince Edward Island, we are pleased that you are still to live under the old flag and help to build up this great heritage in which we live. We trust you will be successful in all your undertakings and when you are called to rest greater heritage beyond your reward will be that of the faithful servant. To Mrs. Stetson and family, we wish every blessing in their new home and trust that God will bless you and yours wherever you abide.

In behalf of the Institute. (Signed) E. C. McDONALD, W. M. GIBSON, J. T. PIERSON, J. T. PIERSON, J. T. PIERSON. Marshfield, P. E. I., March 18th, 1910. Mr. Stetson also made a touching reply to the many kindnesses and good wishes tendered to him. The above two gentlemen were each presented with a beautiful present as a small token of appreciation for their faithfulness to duty in their respective offices of public life. (Pat. and Exam please copy.)

A MODERN MEDICINE FOR YOUR CHILDREN

No sane mother would wish herself treated under the condition of medicine or surgery half a century ago. Why then should she give her tender little child the old-fashioned medicines that have not changed in half a century, and which more likely than not contain certain poisonous opiates that will not cure the child, but merely drug it into temporary insensibility? Own Tablets is a modern medicine prepared with all the care and skill of modern medical science. This medicine cures all ailments of childhood and babyhood. And the mother has the guarantee of a government analyst that it contains no opium or poisonous drug. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THURSDAY

The Y. M. C. A. day of this city leaves this morning by the Minto to Pictou tonight. They will play at afternoon, at Westville Friday evening, Truro Saturday Halifax Monday at Kentville on Tuesday. The team consists of five boys—Spurgeon McKenzie, Carl Milford, Cedric Balderston, Ben Rattenbury and Rupert Seaman. Mr Archibald, Secretary of the Y. M. C. A. will accompany them on the tour.

In Montague yesterday dealers were paying forty-two cents a bus for oats, twenty-two to twenty-five cents a bus for potatoes, twenty-one cents a doz for eggs, eleven cents a lb for pork, twenty-two cents a lb for butter and ten cents a lb for hides.

Within the home of H. E. Vickerson, Marshfield, about one hundred and thirty friends of H. E. Vickerson, J. Stetson and families, met on the evening of March 15th, to banquet with them on their departure to a strange land. Tables were spread, filled with the dainties of bakery and abundance of meats, etc. Some took part in the many amusements of the evening, whilst the other guests were partaking of the banquet in which they afterwards had a quiet time. Everyone appeared to be filled with a full degree of enjoyment, but alas when it came to that part of the program where all were caused to think that the above gentlemen and their families were soon to make their exit from amongst them, the heart beat, but full of sorrow. At this juncture the trustee board of the Presbyterian Church at Marshfield presented H. E. Vickerson with an address as follows:—

Henry Vickerson: Sir—We, the members of the managing board of St. Columbia Presbyterian Church, of which you are the official chairman, wish to express our high appreciation of your untiring efforts to advance the interests of our congregation and to convey sincere regrets that it is your purpose to remove from our midst with your family to seek a home elsewhere, thus severing the pleasant acquaintance which you have had for many years. Your departure causes a vacancy hard to fill and by it our citizenship, family life and church activity suffer. The feeling of loss extends far beyond the immediate neighborhood and scenes of childhood interests, and is deepened by the fact that the residential history of the Province is a family of which you bear the honored name covering more than a century is so soon to end. At the prayer meeting, Sabbath school and regular Sabbath services the absence of familiar faces will be keenly felt. In this venture may you fully realize the guiding hand of a kind Providence in all your interests and our prayer is that ere long you will discover and enjoy a congenial church-home to receive large blessing and impart that bright and helpful Christian spirit, is the hope of your fellow workers on behalf of the congregation.

(Signed) W. M. GIBSON, H. D. FOSTER, WALLACE OWEN, CHAS. ROBERTSON, Marshfield, P. E. I., March 18th, 1910. In words of brotherly love and all sincerity, Mr. Vickerson replied. Next the Marshfield Farmers' Institute presented J. Stetson with an address as follows:— To John Stetson: We, the members of the Farmers' Institute of Marshfield, with deep regret learn that you are about to depart from amongst us to take up your residence in another part of our fair Dominion. We cannot allow this opportunity to pass without giving expression to our feelings on this occasion. You have resided amongst us since your boyhood and we can say that we have always found you to be kind and neighborly, always willing to give a helping hand or a word of good advice when needed. One that has always taken a leading part in any movement that was for the betterment of the district in which we reside. We appreciate the fact that the success of our Institute has in a very large measure been due to your interest, both as one of the original promoters, and faithful attendance. We shall miss your presence in our meetings, your familiar voice in our discussions, your wise counsel, ready suggestions and clear judgment in our business transactions. Your place is indeed a hard one to fill. Since you have decided to move away from beloved Prince Edward Island, we are pleased that you are still to live under the old flag and help to build up this great heritage in which we live. We trust you will be successful in all your undertakings and when you are called to rest greater heritage beyond your reward will be that of the faithful servant. To Mrs. Stetson and family, we wish every blessing in their new home and trust that God will bless you and yours wherever you abide.

In behalf of the Institute. (Signed) E. C. McDONALD, W. M. GIBSON, J. T. PIERSON, J. T. PIERSON, J. T. PIERSON. Marshfield, P. E. I., March 18th, 1910. Mr. Stetson also made a touching reply to the many kindnesses and good wishes tendered to him. The above two gentlemen were each presented with a beautiful present as a small token of appreciation for their faithfulness to duty in their respective offices of public life. (Pat. and Exam please copy.)

The Annual General Meeting of the Telephone Company was held in the office of the Company last night. There were present a large number of shareholders. Owing to the ill-health the president, Benj. Rogers, Sr., was absent. He had previously announced his intention of retiring from the board. A resolution expressing the regret of the directors and shareholders at the retirement of Mr. Rogers was moved by Col. Moore. The report of the directors showed the company to be in a satisfactory condition. It was shown that during the past year considerable work had been done in the way of extending and improving the service throughout the country. Fifteen miles of new line had been constructed and in the vicinity of thirty miles of rural lines had been put up by residents of different sections. The officials of the new Board of Directors are as follows: President—H. J. Palmer, Secretary—A. E. Innes, Treasurer—R. M. Johnson.

DOES YOUR BACK ACHE? Don't experiment with imitations, but get the genuine, "The D. & L." Menthol Plaster. It cures, Davis & Lawrence Co., makers.

THE fast and exciting game of hockey played in the Montague rink between the employees of the Canadian Bank of Commerce and the firm of Poole and Thompson and ended so closely that it has been decided to play off for the championship. The Minto arrived in port from Pictou yesterday at 10.15. She brought thirty-six passengers, one hundred and thirty-five barrels of flour, one car fruit and four cars of way freight. The Earl Grey crossed to Pictou.

An enjoyable celebration was held at the home of A. C. and Mrs. Duchemin, Great George Street, Tuesday evening to celebrate the twelfth anniversary of their marriage. The ladies of the Women's Mission Circle of the First Methodist Church gave Mrs Duchemin a "linen shower" and all had a very pleasant time.

At an examination conducted at the Charlottetown Collegiate College on Saturday last, the following students were successful in getting the diploma of the shorthand and Typewriting department, having written one hundred and fifteen words per minute for ten consecutive minutes and made accurate extensions of their notes on the typewriter at twenty-five words per minute.—Arthur McLeod, city; Bertha Lurdy, city; Agnes Williamson, Hampton; N. B. Wilfred Dymont, Northam, Lot 13; Preston Coffin, Mount Stewart; Michael O'Brien, city.

WALTER BAKER & CO. Ltd. Established 1780. DORCHESTER - MASS. Branch House: 86 St. Peter St., Montreal.

THE LATE BEN WEBSTER. The community of Augustine Cove has been saddened by the passing of one of its oldest and most prominent citizens, Benjamin Webster, who died on March 14th, aged 80 years. He was one of the pioneers of the iceboat service between the capes, having crossed the straits for fifteen years in company with James Edwar Warren, Neil Campbell, Arthur Irving, Philip Irving, all of whom have predeceased him. He held the office of Justice of the Peace for twenty-five years. He always took a great interest in the public schools, having been a trustee for many years, and was always present at the annual meeting, at which his counsel and advice was well received by the ratepayers of the district. At the time of his death he owned one of the finest farms in Prince County. He also operated a saw-mill for about twenty years, until last spring, when failing health compelled him to retire from active work. His wife, Grace Warren, died thirty-one years ago and he leaves to mourn a family of four sons and three daughters, viz: George O., in Oregon; John O., Vancouver, B. C.; Harry B., at home; Mrs. David Marchbank, of Montrose, Lot 3; Mrs. J. W. Lang, Newton, Mass.; Mrs. Gordon McFarlane, Augustine Cove; also two sisters, Mrs. Henry Wadman, Victoria, and Mrs. Peter Warren, North River.

STOCK NOTE. There will be a meeting of the Clyde River Farmers' Institute at Kingston on Monday evening, March 28th. Persons desiring the services of the animals owned by this Institute are advised to attend this meeting and renew their membership for 1910, as the time for doing so will close on May 1st.

Distress in the Stomach. Hundreds of Thousands of Bottles of Nervine Every Year for Curing Cramps, Diarrhoea, and Stomach Disorders. Daily cramps—the symptoms are not to be mistaken. Suddenly and without warning the patient experiences such agony in the stomach, as to contort the countenance and cause him to cry aloud for help. Then it is that the wonderful power of Nervine can make itself felt—it cures so quickly, you would think it was made to cure cramps and cramps only.

LETTER NO. 4877. "Last summer I was stricken with a frightful attack of cramps. I feared that the pain in the stomach would kill me. "My eyes bulged out and the veins in my forehead stood out like whipcords. "My cries attracted a neighbor, who came to my assistance, and in a moment or two had held me half a teaspoonful of Nervine in some sweetened water. "It seemed as if an angel had charmed away the pain. In ten seconds I was well. Nervine has a wonderful name in this locality, and is considered best for cramps, diarrhoea, flatulence, stomach and bowel disorders. I urge all my friends to use Nervine."

STOCK NOTE. Lloyd S. Cox, of Morale, has sold his beautiful driving mare, Minnie, to Adam Jay. Mr. Jay is to be congratulated on securing such a fine carriage mare.
