Hawks Likely To Be Intact For Next Season

Agreement Reached At Meeting Yesterday — Plans Now Underway To Keep Allan Cup Champions Together.

(Canadian Press) MONTREAL, N. B., May 9.—Following a meeting of the Moncton Exhibition Association tonight which was in the nature of a sequel to a joint conference between representatives of that organization and a special committee of the City Council this afternoon, Major J. Tingley, President of the Association, announced that an agreement had been reached between the two parties in connection with the rental of the Stadium for the coming year.

The meeting this afternoon the entire problem was thrashed out again and it was said the City Council offered slight modifications to their previous proposal to the Association, which the latter body accepted on condition the arrangements can be made to hold the Hawks' team, Allan Cup champions, together for the next playing season. The meeting this afternoon was held in camera and the proposition which was accepted, was not made known tonight.

Tonight's meeting of the Association and the decision reached,

The value of cut flowers sold in Canada for the year ended May 31, 1932, was \$1,063,927, or 68 per cent of the total value of the floricultural and decorative plant production by the Dominion during that period.

"Why didn't you keep the secret I told you?"
"Why didn't you keep it yourself?"

Senior "Y" Win City Hoop Title

By Defeating Navy Team 30 To 24 In Final Game Of Series At Y. M. C. A. Last Night.

Senior "Y" hoop squad are City Champions for 1933-34, displacing Hi-Y Club last year's title holders, by winning from the Navy team at the "Y" gym last night 30 to 24.

Led by "Tiny" Matheson lanky centreman, who gained 16 points during the evening, and Bill Henry, small but mighty forward in the matter of scoring points and ably assisted by Glen Partridge the new titlist came from behind in the second half, after losing their lead gained in the first half, to win out by 6 points.

The game although not producing the best brand of basketball was close and exciting all the way through, and kept the large crowd of fans on the edge of their seats throughout.

Senior Y scored the first points of the game, scoring a nice field goal, but the Navy came back strong to capitalize on foul shots, and field goals and build up a lead; the "Y" boys staged a rally and at the whistle were leading 12 to 9.

At the start of the second session the "Y" increased their lead to 14-10, but midway through the period the losers were leading the "Y" pack 21 to 20 but again the winners rallied strong to once again take the lead and hold it to the finish despite valiant efforts on the part of the Navy, urged on by Ayers and McMahon, who rained shot after shot at the "Y" basket without success, the tilt ending with the above mentioned score.

Lineups:—

SENIOR "Y"	NAVY
Guards	Larter
Hudson	Taylor
Taylor	Ryan
Toombs	J. Connolly
Centre	Ayers
Matheson	
Hale	
Forwards	McMahon
Henry	Cox
Partridge	McKinnon
Warren	
Rice	
Referee—E. Goss.	

ROYALS NEAR TOP OF HEAP

(Canadian Press) MONTREAL, May 9.—Montreal Royals won their sixth straight and got within half a game of first place in the International Baseball League this afternoon when they pounded Jersey City into submission, 8-4.

Making his first start at home John Pomorski held the visitors to seven well scattered hits while the Royals were reaching to Cascarella and Charles Sullivan, former Royal, for 13 blows. Jimmy Ripple was the outstanding batter of the day with three hits—a homer, a double and a single in four times at the plate.

Including in its membership, representatives of fruit and vegetable growers, amateur horticulturists, nurserymen, florists and gardeners, wholesale fruit and vegetable dealers, canners, jam manufacturers and wine makers, the Canadian Horticultural Council is a truly national organization of Canada.

Timely Tips On Sport

NEW CHAMPS

Senior "Y" basketball team were crowned City Champions at the "Y" Gym last night when they turned back a final desperate bid of the Navy squad by a 30 to 24 count.

GOING WELL

Montreal Royals, Canadian entry in the International Baseball League are going great guns these days. They won their sixth straight tilt yesterday to come within half a game of the leaders.

WILL DEFEND TITLE

Helen Willis Moody informed the Associated Press yesterday she had decided to defend her English tennis title at Wimbledon this year.

TWENTY RIDERS TOOK PART

About twenty bike riders took part in the C.C.C. "Treasure Hunt" staged last night. The riders were divided into four groups, the leaders of each being given a letter of instructions for finding the treasure. For instance, one envelope bore instructions to open it at the corner of Easton and Prince Streets. Upon opening it at that place another envelope was found to be opened at the end of the McIntyre Highway, and so on. All trails, however, ended at Milton's Old Spain, where an ice cream treat, generously donated by Mr. Fred Pickard, awaited the boys. Afterwards the boys went for a short ride about the city finally ending at the "Y".

8 TO 1 SHOT WINS HANDICAP

(Associated Press) NEWMARKET, Eng., May 9.—William Woodward's Flange at odds of 8 to 1 today won the Newmarket Handicap over the mile and a quarter route by a length and a half from Sir Dadias' St. Koskie. Fourteen others also ran. The purse was £500 with extras.

RECOVERING

(Associated Press) CHICAGO, May 9.—Bill Dickey, the world champion New York Yankees' star catcher was placed under observation today to determine if he is suffering with appendicitis. Dickey was seized with abdominal pains this morning at breakfast, a recurrence at noon caused Manager Joe McCarthy to call a doctor who ordered Dickey to rest for 24 hours.

LATER

CHICAGO, May 9.—Bill Dickey, the New York Yankees' ace catcher, tonight was recovering from what at first appeared to be appendicitis, but finally was diagnosed as an attack of acute indigestion.

Suspend Disarmament Meeting

GENEVA, May 9.—(A.P.)—General meetings of the World Disarmament Conference today were suspended, perhaps until next week, because of the general opinion that further discussions would be useless until the five big powers approach agreement on their differences.

Wide divergencies of viewpoints have been created by the introduction of German amendments to the British arms proposals in which the Germans oppose the establishment of conscript armies.

During the recess the leaders will endeavor to reach an agreement on the standardization of armies and the reduction of war materials.

Representatives Of Radio Com. On Maritime Tour

ST. JOHN, May 9.—The inauguration of a weekly "Maritime Province Hour" for broadcast in the Dominion, and nightly programs by local talent to be given from local broadcasting stations, are objectives sought by J. Arthur Dupont, director of broadcasting for Eastern Canada under the Canadian Radio Broadcasting Commission.

Mr. Dupont with E. W. Jackson, supervisor of studio relations for the commission, arrived in Saint John Monday from Ottawa. They are entering upon a Maritime tour. Mr. Jackson is concerned with the arranging of schedules and is also interested in finding out if all sections are adequately served by the existing broadcasting stations and if there is any superfluous service.

The two officials are leaving today for Fredericton and will visit Moncton and Sackville before going to Prince Edward Island, where they will visit Charlottetown and Summerside. Returning to the mainland they will stop at Sydney and Halifax and may go on to Wolfville.

Mr. Dupont was obtaining information about local talent and spoke of his desire to have the Maritime Provinces' hour, if it can be arranged, made something distinctive. A Quebec hour had been inaugurated at Montreal last week, and in that program folk songs and talks concerning Quebec and its history are to be especially featured.

If the commission sponsors the program suggested, it will provide the remuneration for the artists. Mr. Dupont was anxious to have every section represented in the talent presented and also to have the best of talent taking part.

Mr. Jackson noted that one of the recent rulings of the commission was that broadcasting stations were given until September to take up locations outside cities. He did not think that ruling would affect Saint John, however, as there were special circumstances regarding power connection and other factors that had to be considered.

Regarding the recent change in wave length for the local station Mr. Jackson said it had been a matter of international arrangement. That the wave length of any local station must interfere with some other station was unavoidable, and where one station that had formerly been a popular one to Saint John listeners could not be heard so clearly another one giving even more notable programs was clear now where it had been interfered with previously.

It is Mr. Jackson's special task to see that the interchange of progress between stations is well regulated and the service to all sections is adequate.

Abbie Sisters Advised From W. A. A. F.

591 Barrington St., Halifax, N. S., May 7th, 1933.

Miss Lillian Duchemin, Manager, Abbie Sisters Basketball Team, Charlottetown, P. E. I.

Dear Miss Duchemin:—

I read with much interest, the letter in the Charlottetown Guardian of recent date, re women's basketball in your city, written by a Mr. Goss.

Would our friend Mr. Goss please explain where he received his information that I had suspended the Abbie Sisters. This is not the truth, as the Abbie Sisters have been registered with the M.P.B.W.A.A.F. of C. and the Mary Ann's wrote Mr. Shipley, re their amateur cards (he advising them to carry on until Mrs. Mattson, Sec., forward their cards) which they received two weeks ago.

You may print part or all of the constitution which will explain why athletes must hold Amateur Cards and also why girls holding cards are forbidden to play with or against unregistered athletes.

I would advise the Girl's Clubs of Prince Edward Island affiliating with the M.P.B.W.A.A.F. of C. and also securing their amateur cards at the beginning of each year.

This would avoid a repetition of this season's ice hockey and basketball trouble and make your girls eligible for Maritime and Dominion play-downs.

The Abbie Sisters were eligible to play for the Maritime Basketball Title and used good judgment in not accepting a challenge from unregistered teams.

Mrs. Wm. Mattson, 196 Windsor St., Halifax, Secretary of the M.P.B.W.A.A.F. of C. would be glad to supply the girls with their amateur cards.

Very truly yours,
ELIZABETH STIRLING
President

"Here is an apple, Freddie. Divide it generously with your sister."
"How shall I divide it generously, mamma?"
"Why, always give the larger part to the other person, my child."
Freddie reflected for a moment, then he handed the apple to his little sister.
"Here, Betty," he said, "you divide it!"

The Chicago White Sox today announced the purchase of Earl Webb, Detroit outfielder, at the waiver price.

Relief from Asthma. Who can describe the complete relief from suffering which follows the use of Dr. J. D. Kellogg's Asthma Remedy? Who can express the feeling of joy that comes when its soft and gentle influence relieves the tightened, choking air tubes. It has made asthmatic affliction a thing of the past for thousands. It never fails. Good druggists everywhere have sold it for years.

BOYS: There's Fun and Money in Owning a C.C.M. Bicycle

EVERY boy who hasn't a bicycle is just trying to own one, because of all the fun he can have with it. But besides fun, he can also make money with a bicycle.

Many a boy has paid for his own bicycle in a few weeks by delivering parcels. Then he has kept on making money for himself. Many boys deliver newspapers by bicycle, because it is so much easier and faster than walking. Other boys who have long distances to go to school save car-fare or bus-fare by riding bicycles. Older boys, through with school, have landed jobs as bicycle-messengers for factories and other business houses. A boy with a bicycle can certainly get a job much easier than a boy without a bicycle.

The boy who seeks a delivery or messenger job should have an easy-running, sturdy, "stand-up" bicycle that will stay out of the repair shop—in other words a C.C.M. He can't afford to risk losing his job with a "cheaply-built" bicycle that continually gets out of order.

C.C.M. Bicycles

C.C.M. Owner's Service Guarantee Bond guarantees the quality of the bicycle and the service to be given on it. Your dealer will show you this Bond when you drop in to see the new 1933 C.C.M. Models.

Ask your dealer for the new C.C.M. catalogue or write to: Canada Cycle & Motor Co., Limited, Weston, (Ontario), Montreal, Winnipeg and Vancouver.
