MEMORIAL AND CHURCHILL
W.I.

The monthly meeting of Riverdale and Churchill W. I. was held on Jan. 4 at the home of Mrs. Thomas McQuaid. The president, Mrs. Guy MacLeod, occupied the chair. Meeting opened by singing Institute Carol. Nine members answering the roll call. Minutes signed.

Under new business, it was decided to make two quilts. Members to meet at the home of Mrs. J. A. MacKinnon on Jan. 25, in the afternoon to quilt. Proceeds of the evening 80c.

Mrs. Robert MacKinnon invited the members to meet at her home for the February meeting. Roll call to be answered with a Valentine. A dainty lunch was served by hostess, assisted by Miss Shirley McQuaid. Meeting closed with the National Anthem.

If there is a draft in the room that annoys you, it is good sense to rise and close the door or window. If you notice that the draft is disturbing someone else, even if it does not bother you, and you eliminate it, that is courtesy and consideration for others.

Dear Marion: Just a few lines from your foreign correspondent with latest news, sweetest. I finished writing a ten page letter to Mom, and I thought I'd drop you a few lines at the same time. The news this time may be a little better for I have at last got in touch with Jack, and got the tip on where he was from a couple of hitch hikers, and so I asked for the day off last Sunday in order to go and see him. It took a few hours getting to the town where he was but that was easy compared with the time I had trying to find him. I took a few days to find him and there was never a moment when I was not sure he was the fiddle just as good as ever and is part of the pipe band with the town. I had supper with him and then we went to a dance which was held for the North Nova. I had breakfast with him in the morning. Then I was lucky to catch one of the North Nova trucks, to take me right back to the town where I was living.

I received another carton of three new lines of cigarettes from Mom this week making a total of twelve hundred cigarettes since I came over here.

Well Marion I guess this is all the news I can crowd in here; so I hope and pray that every day of the New Year brings you happiness. Yours with best regards,
CHARLIE.

EXTRA EARLY NEW TOMATO Early Chatham

Earliest Quality Tomato Yet Developed
—Valuable for All Parts of Canada of immense value for the North and West and other short season districts. Highly desirable for all other areas too as an extra early and production fine quality ripe fruit as much as two weeks ahead of other varieties. Proved a sensation on the Prairies in 1944 and 1944. Several varieties districts as Lehigh and Brooks, Alta.; Indian Head and Swift Current, Sask.; Brandon and Morden, Man.; round, Calgary, where first distributed under the name Albert, was a success. It was simply "wild" about it. At Lehighbridge early Chatham was first grown in 1944 before other extra early varieties. At Morden, Man., it has yielded as much as 20% to 40% greater crop than other good earlies. Early Chatham is dwarf, non-staking, and may be planted as closely as two feet each way. Fruits uniform in shape and color; delicious quality. Average about 2 1/2 inches across but frequently larger. Order now for immediate shipment. As seeds are not yet plentiful we cannot offer large quantities than listed. (Pat 152) (or 75c) postpaid.

IN MEMORIAM

In loving memory of our dear father, Mr. Edward Caragher, Kelly's Cross, who departed this life January 16th, 1944.

No one knows how much we miss him
No one knows the bitter pain
We have suffered since we lost him
Life has never been the same.

Though his smile has gone forever
And his hand we cannot touch
We shall always cherish memories
Of the one we loved so much.

Friends, may think we have forgotten
When they sometimes see us smile
But they little know the heartache
That the smile hides all the while.

Ever Remembered by Edwin and Anne.
1-16-44.

In Memoriam

In loving memory of J. Richard Stewart, who passed away January 16th, 1942.

When the evening shades are falling
And we're sitting all alone,
To our hearts their comes a longing
For the one who's gone.

If he only could come home,
He will never be forgotten
Never will his memory fade,
Loving thoughts will always linger
Around the grave where he is laid,
Lovingly Remembered by His Wife
and Family.
1-16-44.

New Rating In The Royal Navy

LONDON, Jan. 12—(CP)—A new rating, "Leading partizan," has been established in the Royal Navy, it was announced today. Hitherto naval patrols—the senior service's equivalent of military police—have not been special service men and patrol duty was unpopular with sailors. Now the lead men paratroopers are specially selected and trained for their duties.

CHASED BRASS
It will always have a whitened appearance if chased brass is cleaned with powder. Wash the article in soap and water and then dry. Then rub the brass with a freshly-cut lemon. Rub and dry with a chamois. No cleaner will give you the necessary shine.

NEW Treatment! FAST Relief!

ALLERGI-TABS

Allergi-Tabs stop that "drip," relieve congestion, speed normal breathing comfort within the hour. One or two tablets will prove their effectiveness.

Books Banish Boredom

They are calling for More Books from our ships at sea. They are calling for More Books from Military Hospitals in every area. They are calling for More Books from Every Front on which our sons are so gallantly serving.

Here is a sample quotation from a recent letter from Overseas: "Where both the mental and physical strain are terrific and diversion at a premium Books are second only to letters in home in boosting morale. The people of Canada in sending such splendid books to the Services through the I. O. D. E. are contributing more than can ever be measured to winning the war."

To meet the urgent need of more books for our Armed Services the Imperial Order Daughters of the Empire has been asked by the Government to collect in Canada \$300,000. All the work is done voluntarily. All the money goes for books.

Charlottetown's Campaign for money to buy books for the Fighting Forces will be conducted by the members of the local chapters of the Daughters of the Empire next week. They ask your help.

This advertisement is sponsored by HENDERSON & CUDMORE MEN'S WEAR to assist the Daughters of the Empire in their nation wide campaign for money to Buy More Books for Our Fighting Forces.
