Radio-active Ore Discovered In Ont.

TORONTO, Aug. 24 (CP) - Radio-active ore has been discovered in Ontario, Provincial Assessor D. A. Moodie said today, adding that this was no indication the ore contained uranium although it was an indication it might contain radium.

Ilsey-Gordon Review Price Control Situation

OTTAWA, Aug. 24 (CP) - Premature removal of price controls in Canada would invite chaos such as followed other wars, Finance Minister Ilsey said tonight in a joint broadcast with Donald Gordon, Prices Board chairman. In speeches prepared for delivery during the national network of the CBC, Mr. Ilsey and Mr. Gordon outlined the reasons why it was necessary to continue food rationing. Pacific victory in the air, hostilities, marks the end of a long period of the war, said Mr. Ilsey. "On the economic front we now can move rapidly toward the day when shortages of civilian goods will be overcome and the danger of inflation will be past."

Britain Hopes For New Aid Plan From The U.S.

LONDON, Aug. 24 (CP) - Prime Minister Attlee and opposition leader Winston Churchill professed surprise and shock today over the abrupt ending of lend-lease by the United States, and expressed hope that a new system of temporary aid may be found.

Canada Emerges As Major Producer Of Fine Pork Products

OTTAWA, Aug. 24 (CP) - Canada has emerged as a major producer of fine pork products, sending her hogs to market at an unprecedented rate, and she means to keep in peace the record she won in war on the bacon markets of the world.

Soviets Continue To Drive Ahead In Korea

LONDON, Aug. 24 (CP) - Soviet troops continued their drive in Korea late today, following the conquest of Manchuria, and occupying two points half way down the Korean Peninsula, the Soviet communiqué announced.
