## GLENALDALE FARM FOR SALE

This farm, late the residence of John Archibald McDonald, Esq., deceased, is situated on Township No. 35 and 36, and contains 227 acres, of which about 200 acres are under cultivation. It is distant from Charlottetown by road about 13 miles, is quite near to Tracadie railway station, and fronts on the St. Peter's and Mill Cove roads and Bedford or Tracadie Bay. On the premises are a large brick residence, and stables and barn in one building, giving ample accommodation for everything in connection with farm operations. A good carriage road extends from the ground to the loft of the barn. A large silo adjoins the barn. These buildings are all comparatively new and of the best construction. Pure water from a never failing spring is brought to the residence and stable by underground pipes laid by an engineer from Montreal.  
Offers for this valuable property or any part of it will be received at the office of the undersigned, King Street, until further notice. For further particulars apply to  
H. J. CUNDALL,  
Charlottetown, Aug 29 1903.

## Brantford Windmills

Many of these mills are now in use in this Province and are pronounced a necessity in every well equipped barn as they furnish power free of cost to drive threshers, grain crushers, pumpers, folder cutters, saw, pump, etc.  
They are under complete control of operator on the barn floor and are fitted with a new automatic governing device which gives an even speed in gusty winds, and regulates power from half men to four horses in a twenty mile wind.  
We also sell the celebrated FROST FENCIBLE as well as the Maple Leaf Grain Crusher.  
For terms and further particulars apply east of Summerside to James Pickering of Clinton, Summerside and West of Summerside to D. A. Pickering of Linkletter.
