

DR. A. W. CHASE LECTURING AT ANN ARBOR, MICH.

### THE MEDICAL PROFESSION

Recommends Dr. A. W. Chase's Ointment.

Dr. C. M. Harlan, writing in the American Journal of Health, of February 19, says:—

"Among the proprietary medicines deserving recognition is 'Dr. Chase's Ointment,' compounded by THE DR. A. W. CHASE MEDICINE CO., Buffalo, N. Y., and Edmanson, Bates Co., Toronto, Ont., as a remedy for sores, eruptions, and skin diseases of all kinds, for which it has been used with marked success, and has effected remarkable cures in many obstinate cases which seemed to baffle the skillful medical attendant. The results were most favourable. 'Dr. Chase's Ointment' as a curative agent in the diseases named. The manufacturers of the remedy are well-known as experienced pharmacists, careful and reliable, in addition to which we have made full examination, and find the article to be all that is claimed for it. It is not the practice of the medical profession to indorse indiscriminately the use of proprietary medicines, but while we condemn the bad and worthless, we are still more ready to indorse and recommend the remedy deserving the recognition. 'Neither the physician nor the responsible Journal of Health now refuses to acknowledge the claims of such proprietary remedies as 'Dr. Chase's Ointment,' which prove their virtues by curing where other agencies have failed. 'We know that 'Dr. Chase's Ointment' meets all requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we indorse it to every reader.'"

C. M. HARLAN, M. D.

DEAR SIRS.—I was for seven years a sufferer from Bronchitis trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything until I tried your MINARD'S HONEY BALSAM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to any one suffering from throat or lung trouble.

George Francis Train, the famous sage of Madison Square, who has for thirty years declined the companionship of any one but children, says, "I am a child myself."

If a man will live rightly and take proper care of his health during youth and maturity he may live to a green old age, and still be able to say with absolute truth, "I am a child myself."

Youth is not a matter of years. Happiness is not a question of experiences. Youth is happiness and health is youth. The healthy person, young or old, will be a happy person. It is a simple matter to get the body into a healthy condition and then to keep it there. Dr. Pierce's Golden Medical Discovery is the greatest of health makers and health savers. It is the great blood-maker and flesh-builder. It makes the appetite keen, the digestion and assimilation perfect, the liver active, the blood pure, the muscles strong, the brain clear, the nerves steady and every vital organ in the body healthy and vigorous. It makes firm, healthy flesh, but does not make corpulent people more corpulent. It does not make flabby flesh like cod liver oil. It purifies the blood and drives out the poisons of malaria and rheumatism. It is the best remedy for blood and skin diseases. It cures 95 per cent. of all cases of consumption. Grateful patients, who had been given up to die, have permitted their experiences, names, addresses and photographs to be reproduced in Dr. Pierce's Common Sense Medical Adviser. The sufferer who wishes to investigate may write to any of these. The "Golden Medical Discovery" is sold by all medicine dealers, and only unscrupulous dealers will try to induce a customer to take some worthless substitute for the sake of a few pennies added profit. Send 31 one-cent stamps to cover cost of mailing and customs only, for a copy of Dr. Pierce's 1008-page "Common Sense Medical Adviser," in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.
