FACE WAS LITERALLY COVERED WITH PIMPLES.

Four Different Doctors Did Her No Good.

Two Bottles of BURDOCK BLOOD BITTERS Cured Her.

Bad blood is directly the cause of the face breaking out in pimples, and it is impossible to eradicate them unless you put your blood into good shape.

Burdock Blood Bitters is compounded from roots, herbs, barks and berries, and is without a doubt the best remedy procurable for the purpose of driving all the blood impurities out of the system.

Mr. Geo. E. Miller, Clavering, Ont., writes: "Last fall I was very much troubled with pimples. My face was literally covered with them. I went to four different doctors, but they could do me no good. One day a friend advised me to use Burdock Blood Bitters, so I got two bottles, and before I had taken all the first one, the pimples had nearly all disappeared, and by the time I had taken the second one the pimples had disappeared completely. Thanks to Burdock Blood Bitters, I would advise anybody who is troubled with any blood trouble to use Burdock Blood Bitters. Manufactured only by The T. Millam Co., Limited, Toronto, Ont.

S. A. McDonald's Card

To the Electors of Charlottetown, Ladies and Gentlemen:—

At the solicitation of a large number of citizens I have consented to become a candidate for Mayor at the forthcoming Elections.

I am in favor of a progressive Civic policy. With a careful study to the Mainland, and a reduction in our freight rates, the chief obstacle to making Charlottetown a manufacturing city is removed.

I elected, I will endeavor to get industries located here, by making such concessions, from time to time as are prudent and in the interests of our city.

Situated, as we are, in close touch with the coal fields of Nova Scotia, with excellent shipping facilities by rail and water Charlottetown, the fifth largest city in the Maritime Provinces, will have as many inducements to offer investors as any other city. Think what it will mean to our working men, instead of going abroad they will remain at home and help to build a greater Charlottetown.

I am in favor of improved sanitary laws as well as all measures having for their object the advancement of our city and province.

I am opposed to any further increase in civic taxation.

I take this opportunity of soliciting your support and of thanking the electors of Ward Five, for electing me to represent that large and representative body of citizens, in 1907, 1910, and 1912, and trust that I may receive from them their hearty support for the Mayoralty.

I Beg To Remain, Yours Most Respectfully, S. A. McDONALD
