## WORLD'S GREATEST KIDNEY REMEDY

"Fruit-a-tives" Have Proved Their Value In Thousands of Cases

WONDERFUL RECORD OF A WONDERFUL CURE

Only Remedy That Acts On All Three Of The Organs Responsible For The Formation Of Uric Acid In The Blood.

Many people do not realize that the Skin is one of the three great eliminators of waste matter from the body. As a matter of fact, the Skin rids the system of more Urea (or waste matter) than the Kidneys. When there is Kidney Trouble, Pain In The Back and Acrid Urine, it may not be the fault of the kidneys at all, but be due to faulty Skin Action, or Constipation of the bowels.

"Fruit-a-tives" cures weak, sore, aching Kidneys, not only because it strengthens these organs but also because "Fruit-a-tives" opens the bowels, sweetens the stomach and stimulates the action of the skin.

"Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for $2.50, trial size, 25c. or will be sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

**RHODES SCHOLAR.**—Mr. Percy Corbett, son of the Rev. Thomas Corbett, Presbyterian minister of Gull Lake, Sask., has been chosen by the committee of the faculty of Arts of the McGill University as Rhodes Scholar for 1915. Mr. Corbett was born at Tyne Valley, P. E. I.

**STATIONED AT HALIFAX.**—The four men from Sydney mines who volunteered to fill four of the thirteen vacancies in the Heavy Artillery under Capt. Stanley, in training at Halifax for overseas duty, are Ham Brehaut Allison McLean, George Robinson and H. H. Dewar. They left Sydney Mines on Sunday, and arrived in Halifax Monday.

**FROM HALIFAX.**— Last evening bout 20 volunteers from the composite battery, Heavy Artillery, at Halifax arrived in Charlottetown under command of Sergeant Arthur Bruce. Among those who arrived were Messrs William Bruce, Arch. McEachern, Martin Dawson, John Strain, James Strain, Fred Moore, R. Mills, W. Dewar, B. W. Robinson, J. F. Donald, C. Rattee and Sgt. Carl Kelly. They leave on return to Halifax on Monday.

**FOR THE FRONT.**—The following excerpt from one of the Montreal papers will be of local interest. It speaks for itself:—Dr J. S. Jenkins, of No. 9 A.M.C., Charlottetown, P.E.I., reported for duty yesterday as medical officer with the 24th "Victoria Rifles." Like so many of the medical men from Canada going on active service, Dr Jenkins is a graduate of McGill University, while for the past two years he has been a house surgeon at the Royal Victoria Hospital. Lieutenant Jenkins has had a wide experience in military work. When he was 9 years old he joined the 4th Heavy Brigade, C. F. A., at Charlottetown, as a bugler. From this he worked up to gunner and staff sergeant, later joining the 36th P.E.I. Light Horse at Charlottetown as a trooper. Later on he joined the Field Ambulance at Charlottetown, being gazetted Lieutenant, graduating in medicine in 1912. As a corollary to his military work Dr Jenkins was also well known as a football player. He comes from one of the old English military families, who have carried the service tradition to this country. His father, Lieut.-Colonel Jenkins, M.P., for Charlottetown, is regimental Medical Officer for the 4th Bridage C.F.A. at Charlottetown, while his grandfather was also medical officer with the Fusiliers through the Criemean campaign."

**COUNTY COURT.**—At the Queen's County County Court on Tuesday, the case was heard of Frederick Mosher vs. James Gilbert. The case had been tried and at the last October term of the County Court judgment had been given in favor of the plaintiff for $25, the amount he claimed to be due for the balance of the price. The defendant claimed that he had made payment of $20 to Mosher on October 5, 1913, at defendant's place of residence in Bristol, and he made an application to the judge for leave to have a new trial. To this the plaintiff consented and a new trial took place on Tuesday. Evidence was given by both parties and the matter stands over for further consideration.

**AGRICULTURAL MEETINGS**—The first week in January will be a very busy one around the Department of Agriculture. The short courses in agriculture and household science open on Monday, January 4. In all there are about 350 applicants, but only 25 can be accepted in the household science department at one time, so that even although the course will be repeated several times it will not be possible to accommodate all this year who desire to take it. The agricultural classes will be conducted in the Agricultural Hall and will consist of practical demonstrations and lectures. Live stock will be a most important part, and Professor W. J. Reid will be assisted by a man from the Federal Department of Agriculture. In field crops Professors Davison and Tenant will be assisted by Mr. J. A. Clarke, Superintendent of the Experimental Farm. The programme is now being arranged and will be completed in a few days. There is still room for applicants in the short course in agriculture, and everyone who is anxious to attend should apply at once. Railway fares and the scholarship of $2 a week will be given those who complete the course in a satisfactory manner.

**HORSES FOR ARMY.**—Captain Willet and Lieut. Reavey, of the British Remount Commission, left Charlottetown yesterday morning for Montreal. While in the province they secured 82 horses for the British army at prices ranging from $140 to $200 each.

**SPLENDID PIGS.**—Mr J. B. Morrisey, Secretary of the Farmers' Institute at Tignish, has recently purchased from Falconwood Hospital farm a very fine Yorkshire boar. The mention of Falconwood generally brings to one's mind the helpless inmates of the institution, but the farm is beginning to be well-known on account of the excellent Yorkshire and Berkshire pigs that are bred there.

**RAILWAY ACCIDENT.**—A railway accident occurred at Fredericton station yesterday, which blocked the track for a few hours, but, on account of a quick despatch of special trains, traffic was not delayed. Two cars of the Cape Traverse train bound for Summerside left the track at Fredericton, one car sinking deep into the road bed. A crew immediately got to work, and after four or five hours hard work succeeded in putting the cars on the track. A special train was sent out from Charlottetown to Fredericton, to which all the western passengers were transferred and brought to the city, only about an hour after the scheduled time of arrival.

**FROM THE COUNTRY.**—Mr Curran, of St Teresa's, was in town yesterday and was very enthusiastic over the work being done by the St Teresa's Institute. In 1913 they purchased a superior Ayrshire bull, and last spring purchased six pure-bred York sows, a boar and some sheep. They have also in one part of their district a pure-bred registered shorthorn bull, which was secured from the Federal Department of Agriculture, Ottawa, under their regulations for the distribution of pure-bred stock. Mr Curran is very much pleased at the improvements that are being made, and attributes a lot of the success of the Institute to the energies of Rev. Father MacDonald, who takes a deep interest in everything that pertains to the welfare of his parishioners.

**A SPLENDID CONCERT.**—The people of Mt. Stewart and vicinity enjoyed an excellent concert in the Foresters' Hall, Mt. Stewart, on Tuesday evening, Dec. 22nd. At the time of opening, the hall was packed to the doors and though the programme was lengthy, there being twelve numbers, the order throughout was all that could be desired. The musical part of the entertainment was under the direction of the competent organist and choir director of the Presbyterian Church, Miss Alice Pigott, who was the accompanist of the evening and to say the least, every musical number gave evidence of her careful training. It would be invidious to particularize, but suffice it to say that the selections were good and were excellently rendered. The numerous encores testified to the entire satisfaction of the audience. In fact, many flattering comments were made, many considering it one of the best concerts ever held in Mt. Stewart. The proceeds, amounting to $83, of which the door receipts were $37 and the proceeds from the sale of pies $46, are in aid of the Presbyterian Church. The following programme was rendered: Opening Chorus, "Soldiers of the King' by the Choir. Vocal Duet, "Buy a Broom," Misses Maude Coffin and Cora Douglass. Vocal Solo, Miss Grace Coffin. Vocal Duet, "Larboard Watch," Miss Alice Pigott and Clarence McLeod (encored). Dialogue, "The Train to Chicago," Mr. Arthur Coffin and Mrs. Rusel Clark. Mixed Quartette, "O Canada," members of the choir. Song "I Wish They'd Shift Old Ireland Over Here." Charles McDonald, (encored.) Dialogue, "Leap Year and Only One Man in Town." five ladies and the "One Man" Mr. A. Coffin. Vocal Duet, "The Boys of Our Army and Navy.' Mr. and Mrs. Henry Coffin, (encored). Quartette in costume with stage setting, Tenting on the Old Camp Ground, Messrs Douglas Coffin, M. McLeod and Pigot (encored) .Song "He's a Devil in His Own Home Town," Charles McDonald (encored.) Dialogue, Neva Mind de Why and de Wha' fo" (Darkey), Messrs Coffin, Green and Jay. Closing Chorus, "We'll never let the Old Fag Fall, The Choir. —L.

**DREDGES LAID UP.**—Number 9 dredge of the Department of Public Works is now laid up in Charlottetown. The members of the crew leave to-day for their homes. Dredge No. 10 was laid up in Charlottetown last week.

**LARGE SHIPMENTS.**—During the past few days, the Dominion Express has handled through Moncton, a very large quantity of turkeys, coming from P. E. Island for the Christmas trade in the United States and Newfoundland Monday, six truck loads, each truck load consisting of ten barrels and each barrel having about thirty-seven turkeys, were shipped from the Island through Moncton. The day before, an equally large shipment was made. It is expected that at least one other lot as large will be handled.

**PROMOTION.**—The following is from the Saskatoon Phoenix:—E. J. Meilicke, for several years chairman of the Provincial Licensing Board has resigned his position, and George W. McPhee, soolicitor, of Saskatoon, formerly of Charlottetown, has been appointed to succeed him. The change takes effect on December 15th, and is made necessary by the fact that Mr Meilicke wishes to spend the winters at the coast, and for some years has been anxious to be relieved of his duties, which made it necessary for him to spend practically all of his time in the Province. Mr McPhee, upon whom Mr Meilicke's duties devolve, is well known in Sackatoon as one of the rising lawyers of the West, and it is partly to his ability in his profession that his appointment is due. He came to Saskatoon early in 1911 from Prince Edward Island, where he had been a member of the legislature there. However, the West seemed to offer a greater inducement to him than political honours, and he decided to come to Saskatoon. Since his arrival here he has built up a large and successful practice, and his many friends in the city will be glad to learn of his appointment to such a responsible position.

**SCHOOLS CLOSE.** — The city schools closed for the Christmas hoilidays yesterday. At Queen Square the closing exercises took place in the morning in Assembly Hall of the school. Among those present were His Lordship the Bishop of Charlottetown, Judge Blanchard, the Superintendent of Education, Mr James Landrigan and Mr P. S. Bradley. The following excellent programme was successfully carried out:—King Wencelas, the School; recitation ,"A Christmas Tree," Joseph Lonergan; recitation, "A Christmas Story," Alf. McKearney; Christmas hymn, School; recitation, "A Christmas Wish," Miss Murnaghan's Boys; song, "Song of Canada," Mr Wynne's Boys; recitation, "A Song, a Star and a Story," Miss MacDonald's Boys; Tipperary, School; recitation, Miss Fennessey's Boys; song, "We'll never let the Old Flag Fall," Mr Francis' Boys; Rule Britannia, School; patriotic air (O Canada, the Island Hymn; God Save the King. They enable these organs to thoroughly filter from the blood the uric acid (the product of waste matter) which gets into the joints and muscles and causes these painful diseases.
