**Canadiens Edge Out New York Rangers 2-1**

MONTREAL, Jan. 20 (CP)—The third-place Montreal Canadiens staggered through two periods tonight but came to life in the third to win 2-1 over New York Rangers in a close-checking National Hockey League game.

The Montrealers picked up a goal in the first period and from there on until the third they were almost entirely on the defensive against the last-place Rangers.

Canadiens' first goal was scored by Ken Mosdell, who deflected in Hal Laycoe's angle shot.

Penalty Lund tied the score for Rangers early in the third, but Ken Reardon drove in the winning goal picking up passes from Billy Reay and Norm Dussault immediately after a face off inside the Ranger zone.

**Murray Harbor 6, Georgetown 5**

Senior hockey made its debut in Georgetown on Wednesday night when Murray Harbor skated off the ice with a 6-5 win over the Georgetown Eagles in a regular Southern Kings League fixture. Although the ice was heavy the capacity crowd was treated to a closely fought game, played at top speed throughout. Considering the fact that it was only the second game of the winter for both teams, coupled with the heavy ice, the brand of hockey was exceptionally good.

Both squads of former years had many new faces on their lineups and if Wednesday's contest is any indication we will this winter witness many keenly fought contests. As always a small ice surface both goals were called upon to make many and marvelous saves and in many ways took the spotlight.

**The lineups:**  
 Murray Harbour: Goal, S. MacKay; defence, W. Harris, R. Chapman, C. Dutton; forwards, G. Harris, G. MacNeill, H. Herring, G. MacKay, W. MacNeill, Roy Chapman, L. Irving, S. Hume.  
 Georgetown: Goal, B. Stevens; defence, W. MacLean, H. MacConnell, R. MacPhee; forwards, F. Lavandier, J. Hicks, H. MacLean, S. McNeill, A. MacSwain, H. Stevens, S. Johnson.

**Seeks Joe Louis For Tour of Canada**

TORONTO, Jan. 20 (CP)—Jack (Deacon) Allen, Toronto fight promoter, today confirmed a Rochester, Minn., report he is trying to sign heavyweight boxing champion Joe Louis for a five-month coast-to-coast exhibition tour of Canada.

Allen, who represents a syndicate of Toronto and Montreal sportsmen, said Louis had been offered \$250,000 for the tour.

A stumbling block was an attempt in New York to have Louis defend his heavyweight crown in mid-summer at a date which would conflict with the proposed fight. Allen said he did not expect a decision by Louis for at least two weeks.

The plan would have Louis fight local boxers in all cities "of any size" across Canada.

**Saints Edge All Stars 5-4 To Move Into Top Spot In League**

The Saint Dunstan's University pucksters moved into first place in the City Hockey League standing by defeating the Summerside All Stars by the close score of 5-4 in a rip roaring, wide-open encounter at the Forum last night.

The game provided a thrills-a-minute for three full periods and displayed a top-notch brand of hockey which saw just about everything happen that could happen in a hockey match and kept the good sized crowd of fans in a continual state of excitement the whole time.

Playing to a scoreless tie in the first period and banging in the two apiece in the second to keep the game deadlocked, both teams ran hogwild in the third period which saw ten penalties dished out with as many as four men coupled up in "sin-bin" at the one time, with the Saints forging into the lead by one goal on two occasions only to have the hard-working band of Westerners tie it up again. But the Collegians finally won out in the final three minutes of play by the slim margin of one goal, even though the All Stars were a continual threat to tie it up right to the final whistle.

The Saints really ran into some tough luck right from the start of the game when within the first three minutes of play, goalie Strain had to be taken out of the game when a shot puck broke his nose and put a deep cut along the side of it. Bad luck continued to dog their footsteps, when early in the second period, goalie Crete who had replaced Strain, also got hit in the face with the puck which spun his upper lip wide open and necessitated several stitches to pull it together again. But Crete, a real gamester all the way, returned to the ice after he was patched up to turn in a magnificent job of goal-tending.

The game featured numerous breakaways from both quarters which developed into some really smart passing attacks, with the Saints leading in the final three minutes of the game to the 4-3 lead which was held until the end of the game when the Saints scored the winning goal.

Although the Saints played well, the Summerside aggregation displayed their real power and banged home four goals to the Abbies one for a comfortable 4-1 lead. Although the Abbies showed up better in the third period Summerside further increased their lead by outpointing the visitors 3-2, to romp home for an easy victory.

Leading the forward attack for the Western Juniors were L. Schurman, R. Gallant and J. Bernard. Schurman accounting for three goals and two assists, while Gallant and Bernard each netted two goals apiece. Plankan, Dalziel and Kennedy were the point getters for the Abbies.

Jimmy Gray of Halifax St. Mary's pulled himself into third place among Maritime senior hockey league scorers on Wednesday night by popping in one goal and assisting in another as St. Mary's upset the top place Saint John Beavers with 3-1 points. Gray is only one point behind Joe Fitzpatrick of Moncton, who holds down second place, and two points behind top-nick Nick Nicolie of the Beavers at fourth place with 32 points.

In the Cape Breton Senior Hockey League, Doug Runions of North Sydney Vics is leading the scoring parade with 54 points, while Alex Brinkow, Sydney Millionaires is holding down second place position with 47 points. White of the Glace Bay Miners has 41 points for third place, with fourth place being held deadlocked between Don Whelan of Millionaires and Bob Dennison of the Miners.

 Eight years ago today, Bob Feiler signed a 1941 contract with the Cleveland Indians of the American League for an estimated \$30,000—the highest salary ever paid a pitcher. Previously, the \$27,500 paid Lefty Grove by Boston Red Sox generally was regarded as the highest.

**Cruikshank Rink Wins Way To Playdowns**

Trailing 10-8 at the close of the 11th end the Cruikshank rink last night scored three rocks in the final end to eliminate the Acorn rink and earn a berth in the provincial playdowns for the Consols Trophy. The Dr. Wen MacDonald rink earlier in the week qualified for the provincial series.

It was two perfect draw shots by Skip W.R. Cruikshank which broke up a curling duel which saw first one rink and then the other assume the lead throughout the 12 end match.

A big four end scored on the 10th followed by a one count in the 11th to the youthful Acorn quartet. However, it merely set the stage for the drama to follow. The veteran curlers, who performed steadily all evening, came through with counters when they were most needed and gave the large number of spectators a thrilling climax to a hard fought final match.

The Cruikshank rink went through most of the series a man short, but this did not detract from their play. They lost but one game and that was to the Dr. MacDonald rink.

Members of the Cruikshank rink are: J.H. Howatt, lead, Dr. H. McIntyre, 2nd stone, P.S. Cobb, mate, W.R. Cruikshank, skip.

Dr. McIntyre due to the illness of J.H. Howatt curled four rocks for his rink in the last several matches of the competition.

**Score by Ends**  
 Cruikshank 10 2 0 0 0 2 1 0 0 3—11  
 Acorn 0 1 0 1 2 1 0 0 0 4 1 0—11

**Many Entries For 3rd Confederation Bonspiel**

Entries from Ontario, Quebec, the Maritimes and West Canada, have been received for the Third Confederation Bonspiel to be held at the Charlottetown Curling Club February 14th to 19th inclusive, it was announced yesterday by Mr. J. Finley MacLeod, secretary.

The Toronto entry will be headed by Tom Campbell who attended the opening Confederation Bonspiel here in 1947. The Newfoundland entry was filed by Tommy Hallett, who was present at both the earlier Bonspiels.

Entries from the Maritimes have been received from St. Stephen, Saint John, Bathurst, Newcastle, Amherst, Truro, Sydney and Halifax.

Island clubs will have a large entry list with 10 rinks from Summerside, three from Montague, two from Alberton and possibly 18 from Charlottetown.

In addition to the above George Mallett of Forestburg, Alberta, will skip a rink in the Confederation competition.

The method of play for the seven trophies and other special prizes has been revised this year. Numerous cancellations, at the last minute last year, necessitated the change in a fixed draw resulting in many defaulted games. A sharp curtailment in the number of rinks entered in the main events, but it is hoped that the new arrangements will provide better ice and more sociable conditions for the contestants. The Provincial Championship (British Consols Trophy) is this year being played in advance, and two additional sections, with scores calculated on a points basis are being added to the bonspiel. This will provide for a possible entry of 84 rinks. It is hoped that some of the visiting rinks may be able to play games at the Montague Curling Club, and at the new artificial ice curling rink at Summerside.

Seven trophies will be up for competition. They are: Maritime Central Airways Limited, R. T. Holman Limited, Imperial Oil Limited, British American Oil Company Limited, Prowse Bros. Limited, The Wholesale Growers of Charlottetown, Island Construction Company Limited.

President of the P. E. I. Curling Association is John C. Matthews; President of the Charlottetown Curling Club is E. Frank Acorn; Chairman of the Confederation Bonspiel Committee is Hon. Thane A. Campbell, while the Secretary is J. Finley MacLeod.
