ONE ON HIM

The telephone bell at police headquarters jangled sharply. "Police headquarters," answered Fred Loucks, operator. "Where?" asked a surprised voice over the wire. "This is the police station," informed the operator. "Well, my name is Jones and I'm stopping at the Claypool hotel. Some one left word for me to call Mr. Cell at Main 1750. Is he there?" "Yes, we have several Mr. Cells here," replied Loucks, "but their language is a dead one. "That's one on me, old timer," retorted the inquirer as he hung up. "A few days ago, Mr. Loucks, said a sweet voice inquired whether Mary could answer the phone." Indianapolis News.

SHOP from Holman's Catalog. "DON'T FORGET the big novelty and Prize Dance at Carruthers Cabaret, Montague, Thursday evening. Ladies 50c; Gents 50c. 704-131.

"THE SENSATION of the year at Carruthers Cabaret, Montague, Thursday evening, bring all our friends along. "WHARF REPAIRED. Lambers wharf at Montague has just received a thorough overhauling new planking etc., and is now in first class condition and ready for the falls shipping. The work was done under the supervision of our capable workman Mr. John Lemon. K.

"SPECIAL NOVELTY and Prize dance at Carruthers Cabaret, Montague, Thursday evening, August 3, instead of Friday. Music by five piece Jazz Band, featuring the famous Charles E. Doucette, who is spending a two months vacation on the island. Mr. Doucette is a Keith Circuit Vaudeville artist. 704-131.

"CHANGING RESIDENCE Great was the regret among the citizens of Montague when it was learned that Mrs. Scott Stewart was removing her household effects to Charlottetown where she intends residing. Mrs. Stewart and her dutiful young son Master Earle during their residence here have made many friends and we keenly feel their departure. K.

"BEING CORDIALLY WELCOMED. Rev. Mr. Browne, our new Methodist Minister and Mrs. Browne are among these newcomers to Montague. They are certainly welcome citizens and it is greatly to be hoped that they are four or five years that they are destined to be with us. They will find Montague a most congenial place to reside. K.

"UP-TO-DATE HOME The new dwelling house on Hood Island Hill is almost completed and nearly ready for occupancy and is a valuable addition to the town of Montague. It contains all the latest improvements hot and cold water, bath room sewerage etc. The owner Mr. George A. Thompson is certainly to be complimented on the excellent taste he has shown "George" is one who believes that any thing worth doing is worth doing well. K.

"THE HOME PRODUCT The ice cream Parlor at Montague conducted by Mrs. Isaac Ives, apparently enjoys a fair share of the trade. This ice cream is the genuine article and is made from pure cream and unlike the other ice cream, sold in our midst, the money spent in the manufacture is all left in the town while we do not wish to comment on the imported article yet we feel while enjoying a dish of Mrs. Ives' delicious ice cream a person knows at least that he or she is eating and judging from a reasonable standpoint Mrs. Ives is really deserving of a liberal patronage. K.

IN MEMORIAM

MR. WM. F. PERRY.

(Another of the old landmarks of Summerside passed out with tragic suddenness (Friday) morning. As Mr. William F. Perry, who was accompanied by Mr. Joseph Clements and wife, L. H. Clow, of Summerside at about 4 a. m. he was taken suddenly ill and exclaiming "God have mercy on my soul," dropped dead. The deceased, who was 67 years of age, came to Summerside from St. Eleanor's 40 years ago. There are left to mourn a widow three sons and two daughters, namely: Messrs. Lloyd, Maynard and Carl; Misses Edna and Jennie, all at home; also one brother, Mr. James F. Perry, and one sister, Mrs. P. C. Galani, both of Summerside.

MR. JAMES WILSON

Mr. James Wilson, an old and deeply respected resident of Summerside, passed away on Thursday afternoon, at the residence of his daughter, Mrs. A. H. Wadman, at the advanced age of 82 years. The deceased was a native of Cra-paud, but came to Summerside with his family 50 years ago and was one of the best known truckmen for many years. When he first came to Summerside there were only two houses here and, of course, no railway. He cleared a place for his own residence and was largely instrumental in helping others to do the same and in hauling the material for their homes as the town grew. There are left to mourn two daughters and two sons, namely: Mrs. A. H. Wadman, of Summerside; Mrs. John H. Cameron, of Arlington, Mass.; Mr. Walter Wilson in Western Canada, and Mr. Ava Wilson, of Summerside. The remains will be laid to rest from the residence of his daughter, this (Saturday) afternoon, at 2 o'clock in the Peoples' Cemetery beside those of his wife who predeceased him eight years. No flowers by request.

MRS. NEIL McEACHERN

On Wednesday the twenty ninth day of June, Mary McDougall, beloved wife of Mr. Neil D. McEachern of Rice Point, Elder of the Church of Scotland, passed peacefully into rest at the age of seventy two years after a distressing illness of three months from heart failure which she bore with the greatest patience and resignation to the Divine Will. During her illness her greatest comfort was found in hearing God's word read and sung and a great number of the Psalms and Paraphrases she could repeat and sing by memory both in English and Gaelic as she had learned them in the days of

BEGAN AS OFFICE BOY, IS NOW GENERAL MANAGER

John J. Scully Becomes Gen. Manager of C.P.R. Eastern Lines.

The Canadian Pacific operates something like 20,000 miles of railway, and its employees number something like 80,000. On such a long road, and amidst such a large number of co-workers, one can only reach distinction and success by hard work and consistent application. John J. Scully, who has just been appointed General Manager for Eastern Lines of the Canadian Pacific Railway, is a typical example of railway men who climb to the top of the ladder. On January 4th, 1887, when in his fifteenth year, young Scully embarked on his railroading career when he joined the Canadian Pacific as office boy in the offices of the Car Accountant at Montreal. In February, 1888, he became a clerk in the same office. Moving to Parham, Quebec, in June, 1888, he became clerk there to the Assistant Superintendent. In August, 1890, he returned to Montreal headquarters as clerk to the Superintendent. April, 1891, saw him reposition to Parham to his former position in that town. Mr. Scully joined the Mechanical Department of the railway at Montreal in March, 1893, as clerk. In September, 1894, he was transferred to Toronto Junction as clerk in the Mechanical Department there. Evidently Mr. Scully made good headway at Toronto Junction, for in March, 1898, he was appointed assistant to the Master Mechanic. In August, 1901, he was promoted to be assistant to the Master Mechanic at Winnipeg. Mr. Scully gained wide experience in Western Canada. In August, 1902, he became chief clerk in the General Superintendent's office at Winnipeg. In June, 1903, he became Assistant Superintendent for the Western Division. Promotions following were: July, 1905, chief clerk to Assistant General Manager, Winnipeg; April, 1904, Assistant Superintendent at Brandon; August, 1904, Superintendent at Brandon; November, 1906, Superintendent at Kenora; May, 1910, Superintendent Western Division; July, 1910, General Superintendent, Saskatchewan Division.

JOHN J. SCULLY

April, 1922, General Superintendent at North Bay for Algoma Division. Some few years ago George H. Ham visited one of the towns where Mr. Scully was stationed. A lady friend was speaking to George about the town, and telling him about its many fine qualities, "and one never need an alarm clock in our house," she continued. "You are up with the sun, I suppose," said George. "No," was the reply, "We're up with John J. Scully. Every morning at half past seven sharp, winter and summer, he goes past our door, and that is our alarm." "John J. Scully is a great worker, and one of the best of men," added George. Mr. Scully's wide experience in East and West will be a great acquisition to him in dealing with the many problems of his present position. The new General Manager of the Eastern Lines, C.P.R., is very popular, and has received congratulations from all over the country on his promotion. He succeeds Mr. Alfred Price, who after 40 years' service with the C.P.R., has relinquished his duties on the advice of his physicians and has been granted extended leave of absence.

SCRIPTURAL PLACE-NAMES.

(London Morning Chronicle.) A jesting remark in a club that Lord Balfour might base his next plea on behalf of British interference in Palestine on the number of Scriptural place-names we have borrowed sent an industrious member to the library to look them up. He found that England can boast six Jerichos and five Paradeses, whilst Nineveh, Mount Zion, Mount Ararat and Mount Ephraim each figure three times on the ordnance maps. Bedfordshire has a Calvary Wood, Dorset a Jordan Hill, Cambridgehire a Noah's Ark, Hampshire a Land of Nod, and Worcestershire a Moab's Wash Pot, whilst other scriptural names scattered about the country include Hebron, Joppa, Bethlehem, Jerusalem, Gideon and Herod.

The Cattle Embargo

LONDON, July 31—Replying to questions in the house of commons yesterday, regarding recent developments in the cattle embargo situation, Premier Lloyd George said the government accepted the vote of the house at the earliest possible time, with the commons as a mandate to deal with the embargo problem on the lines of the resolution adopted by the house. The government, continued the premier, hoped to consider the decision of both houses at a very early date and decide what action was required. Legislation, of course, would be necessary.
