In the course of a short time every blotch and pimple was removed."

It is also a cure for piles, hemorrhoids and Stomach troubles. It is sold in a box, or post-free from Zam-Buk Co., Toronto, on receipt of price.

### UGLY SKIN SORES.

Zam-Buk Removes Them.

It is just at this season that pimples, blotches, o-c-s, scrofulous ailments, and eruptions generally, make themselves most felt. Zam-Buk will be found of wonderful use wherever there is skin eruption or deep-seated ulceration. Pimples, blotches and irritating rashes on the face and other parts of the body indicate a disturbance of the functions of the skin. Impure matter, which the blood should discharge by means of the skin, is allowed to remain in the pores, the process of exhalation is interrupted, and just where the bad matter collects, it excites pimples, ulcers, and sores quickly appear and the skin tissue suffers. To be complete, the treatment must be of two kinds. The sufferer may help to diminish the supply of impurities by taking no rich, greasy and indigestible foods; but, to remove the impurities themselves, the pores must be opened and the skin made healthy by the vigorous application of Zam-Buk, morning and night, and washing frequently with some pure soap. There is none better than the antiseptic Zam-Buk Medicinal and Toilet Soap. Zam-Buk balm stimulates the functions of the skin by the penetration of its refined essential essences, and thus reaches the root of the disease.
