

MADAM! IF YOU DON'T FEEL RIGHT TAKE DELICIOUS 'SYRUP OF FIGS'

All women get bilious, headachy and constipated—simply because they don't exercise enough. They don't eat coarse food, or enough fruit and green vegetables. Those are nature's ways of keeping the liver and thirty feet of bowels active; but very few women employ them. The next best way is delightful, fruity Syrup of Figs.

Nearly all ills of women can be overcome with Syrup of Figs alone. There is no need to have sick headache, backache, dizziness, stomach sour and full of gases, bilious spells, sallowness, coated tongue, bad breath, bad complexion, nervousness and depression. The surest and safest remedy is one or two teaspoonfuls of delicious Syrup of Figs. Try this to a new man of me.

As a character monologist Cliff Gordon ranks today as the foremost exponent of this type of entertainment before the American public. His impersonation of "The German Senator" has become a classic, and has served to establish Mr. Gordon in the good graces of the amusement loving public. His political orations on the burning questions of the day, delivered in broken English, dealing forcibly but not always correctly with the topics of the day, are gems of humor. "The German Senator" provides more laughs to the minute than any other monologist who has ever visited B. F. Keith's Theatre. Mr. Gordon comes to Boston after a long absence, at the head of a great comedy bill. In fact, almost every act on the long program is intended for laughing purposes only. Bill Macart of "Sleeping Beauty and the Beast" fame and Ethelyn Bradford
