Monday
TOXOID CLINIC—At the Red Cross office on Saturday morning 110 school and 21 preschool children from Spring Park, West, Central and East Royal School Districts received their first inoculation for immunization against diphtheria. The treatments were given by Drs. V. L. Goodwill and J. J. Blake. Despite the poor condition of the roads there was a splendid percentage of children from each district. Up to date more than 150 school secretaries have returned their answers to the questionnaire which was sent out to all the school districts. As soon as all these returns come in the Red Cross Nurses will be able to complete their plans for giving every district an opportunity to have the children protected against diphtheria.

Celebrating the 111th anniversary of the founding of the Independent Order of Oddfellows, the members of that Lodge held their annual church parade yesterday morning, one of the largest and finest parades of the order ever held in the city. More than one hundred members marched in perfect order, marshalled by Col. H. M. Davidson, leaving their Lodge Room on Victoria Row shortly before 11 o'clock and proceeding to the Baptist Church by the way of Queen, Gaitton and Prince Streets. Here they were joined by the sisters of Alpha Rebekah Lodge.

Rev. Dr. Vincent preached an eloquent and timely sermon, appropriate music was rendered by the Baptist Church choir, and the Oddfellows Ode was sung by Brother Roy Quigley, Brothers and Sisters joining in the chorus. Preaching on the subject, "The Message of the Links," the Pastor delivered his inspiring message most effectively. Following the service the parade left the church, proceeded up Prince Street and down Euston Street to Pownall Street, halting before the St. James Manse, where Brother, the Rev. Ernie Muir, is confined on account of illness. While the band played "God be with you Till We Meet Again," the Oddfellows stood with bare heads while he, out of deference for whom the action was done, watched the proceedings from the window of his room.

The procession then proceeded to the hall by way of Kent and Queen Street, and the usual resolutions were passed relative to the services of the day. A letter of sympathy was passed to be sent to Brother Moore, a veteran of the order, at present a patient in the P. E. I. Hospital, expressing the regret of the Oddfellows in his inability to be with them on this occasion. A noticeable feature of the church service, and one that was stressed by the pastor, was the presence of that Honorable Veteran Oddfellow, Mr. Donald Nicholson, who is also a veteran of the Baptist Church. Past Grand Masters Benjamin Bremner, John F. Whear, George S. Ryan, John A. MacNair, and Grand Secy. J. J. MacKinnon brought up the rear of the procession, which was witnessed by hundreds of citizens, who were loud in their praise on the manner in which the Oddfellows paraded. Tonight will bring the social part of the anniversary to a close, by a bridge and auction forty five in the Lodge Rooms and a dance in their Dance Hall, when a most enjoyable evening is anticipated.

Summer COLDS
 Quick Relief from any Cold, Sore Throat, Headache or Other Pain

ASPIRIN
 DON'T treat a "slight cold" lightly! The discomfort of a summer cold can easily develop into dangerous illness if neglected. A tablet or two of Aspirin will check a cold as quickly as it came. And you will get immediate relief from the headache that goes with it. If there's a sore throat, too, crush 2 tablets in 4 tablespoons of water and gargle. Those who have learned the true value of Aspirin are never without it in any season of the year. It's always ready to relieve headaches, neuritis, neuralgia, and a long list of aches and pains; see proven directions in each package. Aspirin does not depress the heart or upset the stomach. Druggists everywhere have it.

Tuesday
RETURNING HOME—Mr. Frederick Proud left this morning on return to Winnipeg, Man., after spending the winter visiting his mother and sister in Concord, N. H., and his brother in Loyalist, P. E. Island.

SUSPENDED SENTENCE—Two young men from Harrington appeared before Chief Magistrate Shaw on Saturday charged with stealing parts of an automobile. The Crown was represented by Mr. Alban Farmer and R. R. Bell appeared for the prisoners. After the evidence of the prosecution was put in, the accused pleaded guilty and were sentenced to three months imprisonment. On application of counsel sentence was suspended pending good behaviour.

CATTLE SHIPMENT—Joseph C. Colby, Boscowen, N. H., has just purchased and shipped a carload of pure bred Holstein cows and heifers from breeders in Prince Edward Island. Those contributing to the shipment were: Alex. M. Agnew, Charlottetown, 1; Jas. MacCallum & Son, Southport, 1; H. J. Kennedy, Southport, 3 females and a bull; Henry S. Steison, O'Leary Station, 1; Colby C. Lewis, Freetown, 1; Blair M. Andrew, Hunter River, 1; Percy O. Frederick, West Devon, 1; W. E. MacCallum, 1.

WILL VISIT MARITIMES—Mr. James Rettle, Burgessville, Ont., Chief Inspector for the Advance Registration of Holstein cattle in Canada, has recently graded a number of herds for breeders in central and western Ontario, and when his work in this area has been finished he will leave about May 5th for the Eastern part of the province and Quebec, going from there to the Maritimes. As there is a possibility that the American Holstein-Friesian Association will at its next meeting in June pass a resolution debaring registration in its Herd Book to any female recorded in Canada which has not scored at least "Good" under the Canadian classification for cows, or a bull which has not scored "X" or better, many breeders of Holstein cattle throughout Canada, with a view to being able to retain a market for their surplus stock in the United States, are now taking advantage of the opportunity of having their herds graded by Mr. Rettle at the earliest possible date.

At the closing convocation of Pine Hill Divinity Hall, held in St. Matthew's Church, Halifax, on the evening of April 23rd, Prince Edward Island students played a prominent part. Three of the seven graduates, were Islanders, namely, Sterling H. Brown, B. A., of New Glasgow; E. Russell Woodside, B. A., of Darnley; and D. L. Geddings of Murray Harbour.

These three young men stood high in the prize list. Mr. Brown was awarded the first prize for Orations, while Mr. Woodside received the second prize. Mr. Geddings won the Rebecca A. Starr Scholarship for highest standing in Old Testament Exegesis, and the Russell Baskin Memorial prize for highest standing in the class of Religious Education. Their many friends will join with the Patriot in wishing these young men every success in their chosen profession.

At the same convocation the Degree of Doctor of Divinity was conferred on Rev. George Millar, B. A., Douglastown, N. B., in recognition of the breadth of his scholarship, and of his long and devoted service to his church, as preacher, pastor and churchman.

Rev. Dr. Millar is widely and favorably known on the Island, having been minister for twelve years of New Glasgow and Brookfield, for twelve years of Alberton and for seven years of New London, having served in these three congregations, a total of thirty one years, and enjoying the general esteem and respect of all in the communities where he dwelt.

A pleasing feature of the convocation was a message of congratulation from friends in Alberton, accompanied by a gift, which was handed to Dr. Millar at the close of the ceremony. He was presented for the Degree by Rev. W. A. MacQuarrie, of Hampton, P. E. I., who has, during the college session, been interim Professor of New Testament Language and Literature, in the absence of Rev. Prof. Dr. J. W. Falconer, because of ill health.

The Guardian joins with his many friends on the Island in congratulating Rev. Dr. Millar on the well deserved honor which has been conferred upon him.

REGRETTABLE ACCIDENT—The many friends of Mr. E. Boswell of Victoria, will regret to hear that he is at present a patient of the P. E. Island Hospital. Mr. Boswell had the misfortune to fall from a team load of potatoes which he was helping to unload, with the result that his collar bone was broken. The accident is regrettable at this season of the year as Mr. Boswell was at the time loading a schooner as well as shipping potatoes on the S. S. Harland. However Mr. Boswell expects to be out again in a few weeks.

SAD NEWS RECEIVED—The sad news was received by Mr. Norman Beaton, of St. Eleanor's, on Monday morning of the sudden death of his brother in law, Mr. Bruce Hayes, at his home in Vancouver, B. During his short visit to his mother and brothers at New Annan, he bought and shipped three carloads of potatoes to the west.—K.

BRITISH IMMIGRANTS—Nineteen immigrants arrived in the city Monday night from the British Isles, destined for farms in various sections of the Island. The majority of them are English, 15 being natives of that country, 2 from northern Ireland and 2 from Wales. The men are from the industrial areas and are all city bred. In England, in preparation for farm work in this country, they went through a period of training which lasted upwards of four months in Government training camps under Canadian instructors. They are young men averaging between twenty and thirty years of age. The Department of Agriculture is placing them with responsible farmers in all three counties. Mr. J. W. Boulter, Deputy Minister of Agriculture, has direct control of placing the men in this province. All of them left for their various destinations yesterday.

WALES TO SUMMERSIDE IN FOURTEEN DAYS—Two days before expected, having made the trip from Talbot, Wales in fourteen days, the S. S. Helen, Capt. Bentzen, docked at Summerside on Saturday. Her cargo consists of 1200 tons of Welsh anthracite coal, which she will complete unloading by Wednesday. She is expected to take a return cargo of lumber and fish from this side to Mediterranean ports, or she may possibly be loaded here with potatoes for New York. The S. S. Helen is a very trim and splendidly appointed freighter of 1550 tons, dead weight, and carries a crew of sixteen men. She was built in 1926 at Oslo, Norway and is owned there by Messrs Hightmen and Co. for whose orders the Captain is waiting regarding his future movements. This is the first steamship that ever came direct from Wales to Summerside. During her short stay at Summerside Capt. Bentzen and his associates are making many friends

FIRST OCCUPANT OF NEW POLICE PRISON—Two quite pronounced local drunks were arrested on the street of Summerside on Sunday night. One was taken to the Prince County Jail and the other had the doubtful honor of being the first incumbent of one of the cells in the new and well appointed police prison in the basement of the Town Hall. Both appeared before Stipendiary Wyatt on Monday evening. One was fined \$25 and costs or one month and took the latter alternative. His Honor also inflicted a fine of \$25 and costs, or one month, on the other; but suspended the sentence if the offender decided within twenty-four hours to leave the town in preference.—S.

After the routine business was despatched the question of the annual gathering scheduled for July 1 was discussed. Rocky Point, York Point and Mount Stewart were mentioned as possible sites for the event. The Games Committee was requested to call a meeting to decide the question.

The entertainment following the business meeting was much enjoyed. "Ho-ro, My Nut-brown Maid" was sung very acceptably as a duet in Gaelic and English by Clansman Malcolm McKinnon and J. G. McFadyen. Clansman McKinnon also rendered the solo "Where Has Scotland Found Her Flame" in his usual fine voice. Much laughter was produced by Clansman James Paton in relating a number of Scottish epithets which he had seen on a monument in the Old Country. The meeting closed with the singing of "Auld Lang Syne."

MEMORIAL SERVICE—The solemn and impressive memorial service for the late Rev. Lawrence Smith and James Callaghan held by the Knights of Columbus in their hall, Queen Street, yesterday evening, was largely attended by the members of the Order. High Mass was also celebrated in St. Dunstan's Basilica the same morning for the two deceased members.

TOXOID CLINICS—Miss Zinck, Prince County Red Cross Nurse, will be at Malpeque School on Friday morning, when, in conjunction with the local doctor, the first treatment of toxoid for the immunization of children from diphtheria will be administered by them to the children of the district, which includes Malpeque, Darnley, Baldo and Spring Valley. Parents who wish their children, under school age, to be treated, should take them to the Malpeque School that morning. Mr. Thomas L. Ramsay, of Kensington, formerly of Beach Point, has kindly left with us, for our perusal and comment, four of the Muster Rolls of the ten companies which composed the First Prince County Regiment of Militia. Although they are dated 1868, thus being 62 years old, these interesting documents are in a most excellent state of preservation and each one bears the signature of the Captain in command of the company. Mr. Ramsay's grandfather, Lieut-Colonel Donald Ramsay, of Beach Point, was then the Commandant of the Regiment and under him was Major Norman MacLeod Ramsay (1853). The Muster Rolls under review all bear date of June, 1868, and are for Companies 7, 8, 9 and 10.

That of Company No. 7, Malpeque, of which Captain Donald S. MacLellan was in command, bears 41 names; and of them only one, Mr. John S. MacLellan, of Indian River, is now living.

Company No. 8, New Annan, mustered 91 on June 25th, 1868, under command of Captain William Jamieson and of that gallant band only one is now living, Mr. William MacMurdo, esteemed Summerside citizen. Mr. Robert Neill, a native of Kelvin, whose name appears as No. 53 on that roll, left the Island in 1876 and died in March last year in California at the age of 77 years, having amassed there an enormous estate of over \$2,000,000, as reported in our columns just about a year ago. Amongst his estates under his will, to the extent of between \$25,000 and \$30,000, were the following nephews and nieces:—Mr. Norman MacMurdo, Mr. James Clark and Miss Jessie Clark, of Bedeque and Mrs. Hattie MacLellan, of Lot 16.

On the Muster Roll of Company No. 9, Kensington, under Captain Thomas H. Sims, 71 names appear. Of those then answering three are now living, namely:—Mr. James Parsons, of Kensington; Mr. Thomas Donahue, of Kensington, and Mr. Thomas Bryenton (spelled on the Roll Bryenton) of Spring Valley.

Sixty-three answered the Roll call of No. 10 Company, Kensington, commanded by Captain John Glover, and one of them, Mr. Andrew Bowness of Kensington, died only a few months ago. Of the others three are now living. They are Mr. John Glover, now an esteemed resident of Summerside, and who on the Muster of June 26th, 1868, was marked "sick;" Mr. Anthony Lockhart, of Coleman, and Mr. Thomas Paynter (spelt Painter on the Roll) now residing in New Brunswick.—Pioneer.

ENJOYED TRIP—Mrs. L. McLaren, Montague, arrived in the city Wednesday night from Vancouver, B. C., where she spent the winter months with her son, W. G. His Honor reviewed the evidence and found the prisoner guilty but deferred judgment until the afternoon. The prisoner's Counsel, Mr. T. L. Compton, made a strong plea for leniency for various reasons. In the afternoon the Judge gave a lengthy and learned judgment sentencing the prisoner to four months imprisonment in the Prince County Jail, with hard labor. Mr. J. O. C. Campbell, of Charlottetown, appeared for the crown.—S.

Alterations have been made to permit a greater space on the saloon deck, by raising the boats to the deck above.

POTATO MARKET WEAK—The demand for table stock potatoes is decreasing daily with a corresponding decrease in price, \$1.10 and 90c a bushel being offered respectively for Green Mountains and Cobblers, according to information received from the Potato Growers' Association. The weak condition of the market existing at present is due to the large number of cars of potatoes on the tracks at Boston. Advances from Toronto, received by the Potato Growers' Association, state that a similar weak condition exists there. Locally few potatoes are being bought.

FORMER ISLANDERS—Mr. and Mrs. J. B. Foley, of Vancouver, B. C., returned to their home this month after a pleasant vacation in San Francisco and surrounding cities since the first of the year.
