One of the most interesting personalities at First National's New York studios is not an actor, actress or executive. It's Mary, waitress extra-ordinaire. Although she has been at the studio since it opened some fourteen years ago, and has taken care of the lunch wants of hundreds of players, perhaps not half a dozen can tell her last name. To everyone she is just plain Mary. "And that name's good enough without any fixin's," she says. Stardom means nothing to her. (Patriot please copy.) HE GOT HIS DOMESTIC ATMOSPHERE. Sergeant (angrily).—Button up that coat. Married recruit (absent-mindedly).—Yes, my dear. "Do you think you could care for a chap like me?" "Oh, I think so—if he wasn't too much like you."

Stratford, Ontario. "After my first baby was born I started to work on the tenth day and did a big washing on the twelfth day. Being so young (I was married at 19) I did not know what was the matter, so I let go until I was all run-down, weak and nervous, and had a bad displacement. For nearly two years I could not sleep and I would always complain of having 'not a head-ache, but a brain-ache.' My mother is taking Lydia E. Pinkham's Vegetable Compound during the Change of Life and she recommended it to me. After taking two bottles I began to get a little sleep and to feel better and I have never felt off since then, except for about three months. I can safely say I have taken thirty bottles. My second baby was born. I think it makes child-birth easier as I had terrible pains with my first three children and very few with my fourth as I was so much stronger. I am now able to do my work alone, but I am still taking the Vegetable Compound as I am nursing baby."—MRS. OMER PAUL, 49 Cherry Street, Stratford, Ontario. If you are suffering from any weakness which causes such symptoms as pains in the side and back, nervous feelings, give Lydia E. Pinkham's Vegetable Compound a trial now.
