## Three Goals In Late Part Of Third Period Gives City Team Title

Scoring three goals with less than five minutes to play in the third period West Kent School hockey squad last night regained the Island Interscholastic hockey crown and with it the Hawley Crockett Trophy when they defeated Summerside High School team 4-3 in a sudden death game played at the Forum.

Beaten back in the first two periods by a close checking fast skating Summerside squad coached by Jimmie Hogan and trailing three to one after the halfway mark of the final session had been reached the West Kent team led by the less hard-working Howard Glover and ably assisted by linemates Charlie Kennedy and Keith Dalziel sprang into action in the final minutes of the game; two goals rattled off the sticks of Kennedy and Dalziel to knot the knot, setting the stage for young Ian McNevin, defenceman of the winners to pop a shoulder-high shot into the twines with but a minute and 24 seconds left to play. It proved to be the winning goal not only of the game but of the interscholastic series and regained for the West Kent team the crown they had captured a couple of seasons back.

Starting out at a fast clip the West Kent squad started to force the play but a penalty to Bradley halted their all-out efforts. With the teams at full strength Layton Schurman sent the Summerside squad into a 1-0 lead as he went in all alone to score at 7:57 of the period. Again the City team renewed their all-out efforts but couldn't break through for the equalizer despite the fact that Waite, sterling defenceman for the visitors drew the second penalty of the game in the final three minutes of the session.

Less than four minutes after the start of the middle chucker the Summerside team increased their margin to 2-0 when Deighan accepted Stewart's pass to beat Large in the West Kent nets. Momentarily taking the offensive the visitors forced the West Kent goalie to two grand saves before the halfway mark of the session had been reached but again the City team came roaring back with a stout offensive. The game was developing into a fast, wide open struggle with the visiting goalie coming through with grand heroics off Dalziel as the West Kent winger broke right in on top of him but the locals offensive wasn't to be denied. Charlie Kennedy putting them to within one goal of the visitors when he converted Glover's pass into a goal with less than three minutes of the period remaining.

Playing scoreless hockey for over nine minutes of the final period it looked as if Summerside were to walk off with the championship when Deighan accounted for his second goal of the game on a

The Prince Edward Island-New Brunswick midget hockey champions will there stack up against the Glace Bay Midgets in a sudden-death game for the Maritime midget hockey crown.

It is quite likely a number of supporters of the Abbies will be accompanying the team.

pass from Schurman to give his squad a 3-1 lead but suddenly the night-feeling that had been evident between the two squads all during the game broke out. J. Schurman and Bradley were chased with major penalties as they engaged in a brief flurry of fish-tail goals; a couple of minutes later Nicholson and Waite were both sentenced to five minutes apiece when they started tossing sticks in the direction of each other. The penalties left both teams badly undermanned and then the West Kent attack reached its highest crescendo. Kennedy with Glover again paving the way made it 3-2 with less than five minutes of playing time left. Just exactly one minute later Keith Dalziel knotted the count on a smart play with Kennedy and Glover a minute and 24 seconds before the final whistle. Ian McNevin blasted a shoulder high drive into the cage from just inside the Summerside blue line to give the Art Perry-coached West Kent team their victory.

In the final minute Scantlebury of the West Kent team drew a penalty but the hard-working visitors could not break through the victory-inspired defence of the local school team.

## Maple Leafs Outplay Boston 5-1 To Take Long Lead In Series

BOSTON, March 30 — (AP) — Toronto Maple Leafs outplayed the Boston Bruins by the widest of margins while gaining their third straight National Hockey League triumph by a 5-1 margin tonight before a packed 13,906 crowd. On their current form, the Leafs are top-heavy favorites to wind up this best-of-seven post-season competition in straight games here Thursday night.

From a competitive standpoint, it was one of the most one-sided conflicts in the League's playoff history. Even with Jack Crawford, their outstanding defenceman, back in action, the Bruins were hopelessly bogged from start to finish.

It took them 40 minutes to get five shots on Turk Broda's cage and their goal, made just after the second period faceoff, was a fluky affair. Crawford laced a 50-foot shot in the general direction of the Toronto cage and the puck was deflected in by Milt Schmidt's chest.

The final Toronto tally, made by Nick Metz unassisted, came while each team had two players in the penalty box. Ed Harrison and Meeker were serving minors for roughing and Murray Henderson and Harry Watson majors for a brutish bare-knuckle fight.

When the final bell sent most of the rival players to their dressing rooms, defenceman Wally Stanowski returned to the Toronto bench for his stick.

He was immediately surrounded by a large crowd of hostile spectators. Two of his teammates noticed his dangerous plight and returned to aid him. They managed to get Stanowski out of the crowd and headed for the exit. But a spectator jumped Boesch from behind and felled him with a blow to the head. The crowd dispersed before police could reach the scene of the disorder.

Intermediate Abbies will make the trip to Montague tonight by bus where they will play Montague All Stars in an exhibition hockey game, proceeds of which will be turned over to the Aid to Children Fund. Players are asked to be at the bus stop at 6:30 p.m. A few seats will be available for fans wishing to take in the game.

Abbies by their performance against the Monctonians can show whether or not they are ready to participate in Maritime Intermediate playdowns.

Much appreciated the last while back was the direct broadcast to the patients at the Sanatorium of the intercollegiate hockey match between Saint Dunstan's and Acadia. The broadcast was made possible by the Berrigan Barber Shop staff.

But as has been the case in minor league hockey, not only this season, but many seasons in the past the kids put up a spirited display. There was action every minute of the encounter with plenty of smart hockey thrown in and the over six hundred fans who wended their way to watch the two teams in action were well repaid for their attendance.

## Babe Ruth Picks All-Time, All-Star Baseball Team

PHILADELPHIA, March 30 — (AP) — Babe Ruth picked an all-time, all-star baseball team today but left right field open because "I just don't want to pick myself."

Here is the line-up as it appeared in the Saturday Evening Post: Pitchers—Walter Johnson, Washington Senators; Christy Mathewson, New York Giants; Grover Cleveland Alexander and Herb Pennock, New York Yankees.

Catcher — Ray Schalk, Chicago White Sox.  
First Base — Hal Chase, New York Yankees.  
Second Base — Napoleon Lajoie, Cleveland Indians.  
Shortstop — Honus Wagner, Pittsburgh Pirates.  
Third Base — Jimmy Collins, Boston Red Sox.  
Left Field — Ty Cobb, Detroit Tigers.  
Centre Field — Tris Speaker, Cleveland Indians.  
Right Field — Mr. X.

Chase got the call over Lou Gehrig or George Sisler at first because he "was no punk at the plate" and had "unbelievable fielding ability."

"I put Larry Lajoie at second (for his remarkable hitting skill (and because) Lajoie could make the hardest chances look easy," Ruth said.

"Honus Wagner was just head and shoulders over anyone else at shortstop. Jimmy Collins could come in and pounce on bunts and short hits like a cat, but if anyone tried to cross him up and rifle a hard drive through him, Jimmy was always ready."

"No one can dispute Ty Cobb's right to be placed on anyone's all-star team. He had the highest lifetime batting average of anyone who ever played big-league baseball and was a whippet on the bases."
