Stock Prices At N. Y. Show Decline

NEW YORK, April 7 — (AP) — The Stock Market generally turned in a losing performance today with light selling blamed mainly on the cloudier labor picture.

Steels, Motors, Rails and Rubbers negotiated a retreat after the opening. Pressure was absent throughout, however, with the ticker tape frequently halting. A little short covering in the final half hour helped to reduce most early losses running to a point or so.

Tending to chill bullish sentiment was the telephone strike and spreading safety coal mine stoppages.

The Associated Press 60-stock composite was off 6 of a point at 64.5, widest dip since March 14. The Rail average touched a low for the past year. It was the broadest market since March 28. Of 931 issues registering, 626 fell and 131 rose.

Canadian Pacific and Dome Mines each lost 1/4 among Canadian issues while Distillers Seagram eased 1/2 on the Curb, Lake Shore dropped 1/2.

American Telephone was off 1 1/2 at a new low for better than two years at the worst, but came back to finish with a net recession of only 1/2 at 185 3/4. Allied Chemical dropped 2 1/2 at 173 1/2. Santa Fe 1 1/2 at 85 1/4, U. S. Steel 1 1/2 at 71 1/2 and Goodyear 1 1/2 at 53.

Others on the offside were Bethlehem, Youngstown Sheet, General Motors, Chrysler, U. S. Rubber, N. Y. Central, Southern Railway, Norfolk & Western, Anaconda, Western Union "A", North American, Phillips Dodge, Westinghouse, General Electric, Boeing, United Aircraft and Eastman Kodak.

Douglas Aircraft was up 1/4 at 73 and Minor plus Signs were shown for consolidated Edison, Union Carbide, Johns-Manville and U. S. Lines.

PIONEER BERRY

Seventeenth century pioneers found the cranberry growing wild among beach-plum and bay-berry. 71-12 bushes in clearings behind the Plymouth settlement.

BUT FEMALE DOES

The male mosquito is strictly a vegetarian and does not bite.
