ISLAND HORSES MAKE GOOD SHOWING AT HALIFAX MEET

Keemah Aubrey Takes First Money in 2.18 Trot and Pace Making Fastest Time of the Day.—Confection Second in This Event.—The Pup Third in 2.30 Trot.

(Canadian Press) HALIFAX, N. S., Aug. 15.—Three classes were pulled off in today's opening of a two days harness meet at the exhibition track. The day being made in various events despite the heaviness of the track as a result of the recent rains.

Monday Night's Game Critical One

The game of baseball to be played at the Abegweit diamond, on Monday evening between the Abegweits and the Torontos of Summerside is the most critical of the season. The Abegweits must win this game if they are to stay in the running with the Western team. Their defeat by the latter a week ago was rather unexpected, and they must play their very best brand if a victory is to be looked for. Their exhibition in the contest with New Glasgow was glib, edged, and if they can repeat the same style of ball the chances are fairly good. It must be remembered that the Summerside team is playing sterling baseball, and one of the best games of the season is looked for. Monday will conclude the appearance in Charlottetown of the Torontos in the Island League series. The game will be called at 6.15 sharp. The largest gathering of fans so far this season is looked for.

Montague Races Postponed

On account of the heavy rains of Wednesday, Thursday and Friday night, the Montague race track was in such bad condition that it was considered unsafe for horse racing and the races scheduled for yesterday had to be regrettably called off. The Track Committee visited the race track at nine o'clock yesterday morning and came to the conclusion that there would be no races that day.

The special train at Charlottetown which was loaded with race horses and also contained a large number of passengers was cancelled and the arrangements made for the races would be held on Wednesday afternoon. August the 27th, when it is hoped that the weather will be on his good behavior. The list of horses entered is one that will surely make for exciting racing.

Boxing Bout

Tickets for the big boxing bout will be on sale at MacKinnon Drug Co. store, Percy Bowness photographic studio, Summerside, and LeBlanc's barber shop, Summerside.

McClosky Ready To Meet Saunders At New Annan

Saunders' opponent at New Annan boxing bout, Bernard McClosky is putting in a strenuous training period and during the past two weeks has been going six fast rounds every day. The fact that "Barney" has improved both in speed and punching power was forcibly realized yesterday by one of the sparring partners who kissed the canvas for the count of ten at the conclusion of the first minute of the third round.

TENNIS

The tournament to be held on the Charlottetown Tennis Courts will begin Wednesday next, August 20. Players intending to take part must enrol their names on or before Monday next.

Leading Sires of 1924

By W. H. Gocher.

One half of the racing season of 1924 has been checked off the calendar. The Orange County Circuit is raced off and but two more stops will be made by the Ohio and Bay State Circuits. The mile track stables are now making their second stand at Cleveland. From there they will move on to Readville, Hartford, Syracuse, Columbus and Lexington.

All of the best racing material with the exception of the futurity colts has been on parade. Before starting the last lap it is in order to stop, take stock and see what has been done by the representatives of the different families.

The acid test of the race track has been applied to a sufficient number of the prospects to prompt a glance through the summaries and find what kind of material has passed through the filter. About all of the chaff has been blown out by this time. The flash horses have been shoved to the rear and the duds dropped into the discard.

In May the scouts that made the rounds of the training camps told of prospective stars in each of the stables. The spring work furnished a good year for Belwin, Guy Axworthy and Peter Volo. Few had anything to say for San Francisco or Peter the Great, the latter being expected to gradually fade away on account of the dispersal of Laurel Hill, also because he was under the scalpel.

The returns up to mid-season give San Francisco a slight lead. Up to the beginning of the second Cleveland meeting he was credited with fifteen winners and seven placed horses in the Grand, Ohio, Orange County and Bay State Circuit meetings. His winners are: Fayette National, 2.03 3/4; Sparkle 2.05 1/4; Delicisco, 2.06 1/4; Tulip Frisco, 2.07 1/2, which died last week, and Hollywood Frisco, 2.08 1/4, on the mile tracks and Eva Frisco 2.11 3/4; Frisco Star, 2.14 1/4; Sybil Frisco, 2.15 1/4; Trumpator, 2.13 1/4; Miss Muffet, 2.13 1/4; Frisco Star, 2.14 1/4; Pongee Silk, 2.12 1/4; Ammu 2.17 1/4; Great Frisco, 2.20 1/4; Sunny Hours on the half-mile track. His list of placed horses presents the names of Hope Frisco, Major Frisco, Knap Frisco, Hello Frisco, Star Frisco, Arnold Frisco, and the two year old filly Silver Crown which finished second to Spafstaf in 2.15 1/4 at Goshen.

Guy Axworthy is in second place with fourteen winners and thirteen placed horses. His leader is Margaret Spangler with which Fred Hyde won the \$25,000 pace at Kalamazoo in 2.02 1/4. A few have referred to the event as a fluke race on account of the conditions and the interference which Guy's favorite met with in two of the three heats. With all of this admitted it is a fact that Margaret Spangler was timed separately in each of the heats in 2.02 1/4, and she never made a false move in one of them. She was there to win and won.

The other Guy Axworthy winner is Jean Worthy, 2.07 3/4; Guy Lightning, 2.08 1/4; Erla Guy, 2.09 1/4; and the three year old pacer Theodore Guy, 2.07 1/2, on the mile tracks. The half-mile tracks on contributed Eleanor Guy, 2.09 1/4; Gu Onward, 2.11 3/4; Reamore, 2.15 1/4; Svelte Worthy, 2.16 1/4; Clover Guy, 2.17 1/4; Lea Worthy, 2.15 1/4; Proliferate Guy, John Kyle and Fairway Guy. The placed horses in the Guy Axworthy family include Ilo Guy, Miladi Guy, Hot Toddy with which Murphy won a heat at Kalamazoo, Eleanor Worthy, Gleaming Silk Chester Belle, Mr. McElwyn with which Ben White expects to make a lot of trouble in the futurity Guy Silver, Guy Bonnet, and Guy Trogan. To this lot can be added Guy Richard which James P. Berry purchased for \$30,000 last week. He has been in 2.04 1/4 and will make his first 1924 start at Cleveland next week.

Labor Day Meet At Abegweit Grounds

By W. H. Gocher.

Labor Day will be celebrated at the Abegweit Grounds by a grand athletic gathering under the auspices of the Abegweit A. A. A. In the past these Labor Day events have been conspicuous successes, and had on September 1st will follow in line if preparation counts for anything. Three features will be of the interest—(1) from the competitors will be selected a team to represent this city at the Maritime Championships to be held at Halifax, Sept. 6th. (2) the competition of sailors from warship then in port. (3) the addition of a number of events for competition among members of the Labor Union. Suitable medals will be awarded winners in the open events, and money prizes to the Labor Union. A band will be in attendance and will render a choice concert program. The sports will begin at 2.30 p.m. sharp. The gathering will bring out the very best of our athletes. It is expected that Phil McDonald, one of the Canadian Olympic Team, just returned from the contests in France, will compete and will give an exhibition of hurdle running, in which event he represented Canada.

The program is as follows:—100 yds. run, 140 yds. run, 880 yds. run, 1/2 mile bike, 2 mile bike, broad jump, high jump, pole vault, 120 yds. hurdles, 220 yds.—18 years and under.

Labor Events.—100 yds. union men, petto race, walking race, 1/2 mile, needle race—girls, tug of war union men vs. warship.

The placed horses are led by The Great Volo, Ethelinda, Athalle, Tobann, second to Worthy Todd at Goshen in 2.09 1/4, Peter Broadleaf, Peter Fellows, The Great Chance, Daphne the Great, Sister Peter, Peter Stratta, Peter Fletcher, Peter Kennedy, Peter Stout, Peter Florentine, Peter Boreal, Peter Vingling, Annie Judson and The Great. The returns show that there will be a formidable array of this horse's get on the turf for at least six or seven years.

The Belwins have made a very favorable showing. So far he has had ten winners and six placed horses. At the Grand Circuit meetings this family won with Colonel Bosworth in 2.05 1/4, a record which was reduced to two minutes, the following week at Toledo, Guardian Trust and Miss Belwin, 2.02 1/4, winner of one of the heats in the big pace at Kalamazoo. The Belwins also won on the half mile tracks with Brandywine, Querta in 2.09 1/4. Rifle Grenade and Coleman at three quarters of a mile in 1.33 1/4. The list of placed horses include Barksdale, Lincoln, Popsy, Conclave, Clarkie and Palm-tto.

Six winners have been placed to the credit of Etawah. His leader is Etta Druhen. She won at Cleveland in 2.06 1/4, at Kalamazoo in 2.07 1/4, and at Windsor in 2.05 1/4. At this point she defeated Fayette, the trotter which took her wind out of her sails at Columbus after she reduced the four year old record for fillies to 2.02 1/4. The other winners by Etawah are Dr. White, 2.09 3/4; Parentawah, 2.11 3/4; Ettagale 2.11 1/4. Genuine and Green Wah. His placed horses are Trumpet Band, Miss Etawah, Manawah, John Fox Directwah, The Buckeye, Morganwah, Laura Etawah, Martha Wise and Rose W.

The outlook for a Peter Volo year faded early. Up to the half year point he had had five winners, one of them being the returned Colonel Bosworth, 2.06 1/4. The others are the two year old fillies Sister Volo, 2.17 1/4; Margaret Volo, 2.18 1/4; Sunflash, now dead, and Javolo. His list of placed horses is led by Walter Sterling and by Jack des Saules, Patience Volo, Viola Sunshine and Sage King on the smaller ovals.

Wont Swim Again For Some Days

By W. H. Gocher.

DOVER, Eng., Aug. 15.—The young Argentine woman, Lillian Harrison, owing to injuries received in striking her leg against a rock when she started Monday in an attempt to swim the English Channel from Cape Gris Nez, France, to Dover, will not be able to take the water again for a week. Dr. Tillot, her Boulogne physician sent word to Dover to this effect today. Dr. Tillot said that the muscles in her thigh had been severely strained.

Harvester, Harvest Laddie and Harvest Barbara are the representatives of the ex-champion that have been placed.

In Spafstaf the roan horse Trampstaf had a formidable representative in the two year old events in the Bay State and Orange County Circuits. From his first start at Readville in June he was on the firing line. His best showing was made at Goshen where he trotted his seventh race and won over a field of eleven in 2.15 1/4. Trampstaf, another member of the family, won at the first Cleveland meeting in 2.06 1/4. Homefast scored at an Ohio half-mile track meeting in 2.14 1/4, and Flingfast won in 2.17 1/4 at Worcester. Trampstaf and Trampstaf are the ones by him that have been placed.

Margaret Dillon, the three year old filly Minia Dillon 2.07 1/4, and Lucera Dillon 2.11 1/4, and Intermediate Dillon 2.09 1/4, have kept the name of Dillon Axworthy at the top of the summaries. Of his other starters Rachel Dillon, Thompson Dillon and Bida Dillon have been in the money. This family usually has its inners in the futurities.

The Ohio horse Malcolm Forbes has had three winners on the New England tracks and one in Ohio. They are Lady Conchman 2.09 1/4; Baron Forbes 2.09 1/4; Christie Mac 2.11 1/4, and Gay Forbes. He has also been placed with Brazil and Laura Forbes.

The youngsters by Ortolan Axworthy have been busy in Ohio and New England. To date their side has been credited with Orion 2.11 1/4; Orzolan 2.15 1/4; and the two year old Bob Ortolan 2.18 1/4. His other starters include the placed horses Milton Axworthy, Dr. Strongworthy, and Otto Axworthy. This horse has a great future before him.

Peter Scott is the sire of Sam Williams 2.09 1/4, the first two year old trotter to enter the 2.10 list in a race this year. Pete Green

GOLF MATCH

By W. H. Gocher.

With the excursionists on Wednesday last from New Glasgow there came a goodly number of golf players 6 ladies and 10 men, to play a match with the Charlottetown ladies of the tea committee and all appetites being good a vast amount of delicious eatables disappeared. The visitors were loud in their praise of Charlottetown's beautiful game the visitors thoroughly enjoyed it. The match was won by the home players with a good margin.

The following is the score list:

Charlottetown—Ladies—New Glasgow	
Mrs. J. O. Hyndman	1
Mrs. C. Morris	2

2.06 1/4, a winner at Windsor, and Peter Wooster. The Exponent has also had three winners, his representatives being The Upholder, The Expression and The Consequence. General Watts has come through with three. His trio is made up of the unbeaten half-mile track star Pluto Watts, Strong Watts and Patsy Watts. My Rosebud and Linara Watts by him have been placed in a few races.

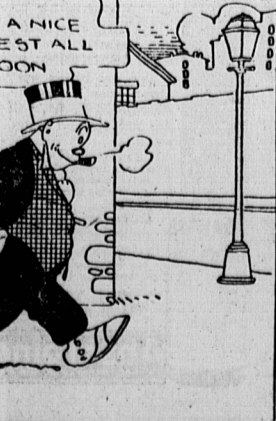

The slaters Rochelle Maid and Sakura are the only Atlantic Express winners this year. The former scored on the mile tracks in 2.04 1/4 and Sakura on the double ovals in 2.10 1/4. Atlantic Express, however, has several others on the way as his list of placed horses includes Palostrina with which Gibbons won a heat at Springfield in 2.09 1/4. Escotillo, Wilson Express, Jarieta, Watson B. Jr. and Oscawanna, second in 2.07 1/4 to Pluto Watts at Goshen.

Hedgewood Boy has a great pair of racing pacers out in Ponywood and Jenny H. Hal B. started off in a race this year. Pete Green

C. A. and Hal Bee, both of which won in the Bay State Circuit. Bingen Silk also has a pair. His representatives are the two year old Billy Alkahira Silk 2.17 1/4 and Kinney Silk 2.07 1/4.

A check-up shows that the sires of such stars as Baron Worthy, 2.01, Tilly Brook 2.01 1/4, Hal Mahone 2.02 1/4, Anokia 2.02 1/4, Jimmy McKerron 2.01 1/4, Kate Hal 2.01 1/4, Czarworthy 2.02 1/4, Favonian 2.03 1/4, Colonel Bidwell, 2.04 1/4, Sir Itoche 1.59 1/4, Grace Direct 2.04 1/4 and Worthy Todd 2.09 1/4, have each had but one winner this year. This is ample evidence of the quality required to make the grade in first class company on either the mile or half-mile tracks.
