P. W. C. DEBATE.—The second meeting of the Prince of Wales College Debating Society for the year 1917, was held on Tuesday Jan. 30th. The subject for debate was "Resolved, That Expectation is Better Than Realization." The speeches were up to the standard but owing to the number of absentees there was only one speaker on the con side, Mr. Geo. McCabe, who defended his side in a very capable and efficient manner. The critic, Miss Bertie Buxton, was very well pleased with the debate. The Honorary President said that in future absentees would be dealt with in a very severe manner. The speakers were: Pro, George Furness, Dorothy Duchemin, and Ruth McLeod. Con, George McCabe.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

WHEN CROSS, FEVERISH AND SICK GIVE "CALIFORNIA SYRUP OF FIGS."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, soon then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach ache as diarrhoea. Listen Mother, see if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste goes out of the system and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Be the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

At the close of Mr. Gordon's talk a number of the boys spoke a few words on the subject and then the meeting closed with the singing of an old favorite hymn. Next Sunday morning there will be a debate on some suitable subject by a number of the boys. A most interesting meeting is assured and all students who can possibly attend should do so.

Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or in perfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, and the tube restored to its normal condition, hearing will be destroyed forever. New cases of deafness are caused by Catarrh which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Drug stores, 75c. F. J. CHENEY

VALUABLE HORSE DROPPED DEAD—While on their way home from the recruiting meeting at Kingston on Monday night a livery horse conveying Major Fullerton, a soldier and the driver, took a sudden weakness on the North River Road and collapsed. The harness was removed from the animal as quickly as possible but it never rallied and died in a few minutes. The accident occurred about a couple of miles from town and the occupants of the sleigh were obliged to walk the remainder of the distance to the City. All regretted most keenly the unfortunate incident. The animal was a valuable mare owned by Large Bros. and was driven at but a moderate rate by a driver supplied by the stables.

Mrs. F. Newsome and Miss Isabel Cook, city, are spending a few days in Truro, N. S.

Misses Frances Cameron, Victoria, returned home Saturday after spending a short time with friends in Charlottetown. —V.
