In the report of the standing of pupils of the MacDonald Consolidated School, Hillsboro, which appeared in a recent issue of The Guardian, Grade 6 should have read: Alma Mason, first in place of Allan Hamm.

Douglas Steel and Miss Frances Steel came to Shediac from Charlottetown to spend the holiday with their parents, Rev Geo and Mrs Steel. Percy Steel, of St. John, also spent the holiday with his parents at the parsonage.—(25c.)

Provincial shippers will be interested in the ad of Francis L. Schnaud, 110 Fulton Fish Market, New York, which appears in today's paper. Making a specialty of fresh fish, clams, soft crabs and lobsters the firm is in a position to handle large quantities to the best possible advantage and to secure a prompt and high market for all consignments. Nicely packed fish from this Province is greatly in demand and consignments on which care has been expended, always call for the highest prices.

The Presbyterian Church at Free-town, having been renovated and beautified, will be re-opened for worship next Sunday. This event marks also the twentieth anniversary of the dedication of the church. Two services will be held. In the afternoon at 3 o'clock, Rev. John Sterling, a son of the minister who officiated at the dedication twenty years ago, will preach. The evening service at 7 o'clock will be conducted by Rev W. I. Green, who is under appointment as missionary to Trinidad.

Among the choice confections at the McKenna Grocery on Queen Street, is a full selection of White's high grade chocolates in bulk and boxes. These chocolates come in assorted flavors, hard and soft centres. The creams are simply delightful, being made of the richest ingredients and coated with pure chocolate. They simply "melt in one's mouth," and are the delight of all lovers of pure, wholesome confections. The nut and hard centres are most nutritious, the nuts being crisp and as clear flavored as when taken direct from the shell. There are also assorted jellies of several kinds, in fact so many varieties are offered that everyone can choose just the kinds best liked and then have a good assortment. The new, fresh stock just in at the McKenna grocery should be sampled today.

About that toothache—You probably haven't one now, but when you have, you will want something at once that will safely stop pain. A good dentist, of course, is best, but you cannot always have one with you. The next best thing is Ingraham's Toothache Stopper. It eases the pain soon as applied. Only 10c. E. A. Foster, Central Drugstore, Sunnyside.

Miss A. Johnston, City, was in Gagetown, N. B., last week.

Miss May Stavert, Wilmot Valley, is visiting in Newcastle, N. B.

The services in St James Presbyterian Church, Dartmouth, were well attended on Thanksgiving Sunday, the seating capacity in the evening being taxed. The preacher was the Rev Mr Sterling, of Kensington, P. E. I., who preached in an earnest and forceful manner.

The sudden death from pneumonia of Eliza McCormick beloved wife of Freeman Nuttall of Bothwell, P. E. I., has cast a gloom over the entire community. The deceased was a lady of sterling character being a faithful Christian and member of the Baptist church. She was dearly loved by all who knew her. She leaves to mourn a sorrowing husband, three daughters: Elsie, Francis and Laura, and one son, Edward, all at home. To the bereaved family The Guardian extends sincere sympathy.

The death occurred in this city on Oct. 4th. of Mrs. James Stewart, the beloved daughter of Henry B. and Mrs. Robertson, of Victoria Park, city, at the early age of thirty-five years. Mrs. Stewart was dearly beloved by her relatives and her death, after a painful illness borne with great patience and resignation to Divine will, is deeply deplored. Besides her husband, she leaves to mourn three brothers: George M., in Calgary, Edward and Duncan in Vancouver. Much sympathy is felt for the aged father and mother in the loss of an affectionate daughter. (Vancouver papers please copy.)
