The Wornout Nerves, The Weak Heart, The Tired Brain, The Wasted Strength.

What a multitude of women there are who feel that these words exactly suit their case. From early morn until late at night they have been on the go, year in and year out, attending to the daily household duties, looking after the wants of her children and spending the rest of her time attending to social and church work. It is hardly wonder then that sooner or later there comes a general collapse! The action of the heart becomes weak and palpitating, the nerves become unstrung, the brain feels in a whirl half the time and the usual force of vitality is lacking.

It is at this time a woman should look after herself. If she does not, serious female disorders may set in and often cause weary months and years of helplessness and miserable suffering. What she wants is something to build up her system. For this purpose there is nothing so equal

MILBURN'S HEART AND NERVE PILLS

They are the women's friend in every sense of the word.

They will strengthen the weak heart, tone up the shaky, starved nerves, make the brain clear, and restore the lost vitality. Mrs. George Lohmes, Stanley Section, N.S., writes: "I was greatly troubled with weak and dizzy spells and was so run down I could not attend to my household duties. I bought two boxes of Milburn's Heart and Nerve Pills and after taking them I found that my trouble had all passed away. I am now strong and healthy again."

Milburn's Heart and Nerve Pills are 60 cents per box or 3 for \$1.25. If your dealer does not handle them, send direct to The Milburn Co., Ltd., Toronto, Ont.

THE ARCH-FIEND OF THE AGE.

Not war, more deadly than ever this modern butchery—but Cattarrh which leads to consumption and annually kills more than famine and war combined. The doctors now successfully fight cattarrh with a remedy that never fails—"Cattarrhazone." It's death to every type of cattarrh. It destroys every root and relapse need never be feared. If troubled with colds, nasal or throat cattarrh, or subject to bronchitis or asthma, use Cattarrhazone and you'll be cured forever.

The members of the Crystal Hockey Club were royally entertained at a dinner given in their honor Wednesday night at the Russ Hotel. The boys have done exceptionally well this winter, capturing the P. E. I. league trophy, after its seizure of six years in the city, and the honor accorded them Wednesday night was no more than they deserved. The Russ was admirably adapted for such a function. The reputation of the popular Hotel for its magnificent spreads is so wide and favorable that it is scarcely necessary to mention the same, suffice it to say that the place was well worthy of the occasion. Neil McLeod presided and called off a long list of toasts which elicited very happy responses which were punctuated by some brilliant flashes of wit and humor. Dr. A. A. McLellan rendered a Scotch song very acceptably and Dr. J. E. McDonald sang a comic song which received a hearty encore. Letters of regret at inability to be present from Mayor Compton and Mr. Hainscombe were read. Following is the toast list:—

The King—The National Anthem.

Our Country and its future—C. J. Willis and B. W. Tanton.

Our local Legislature—J. M. Clark.

Trade and Commerce—T. B. Grady and J. E. Campbell.

The Crystal Hockey team—Wm. McNeill (cap) and H. M. Baker.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagant.—American Medical Journal 1st.

Is Silver Cleaning a Bugbear

and does your Silver often go uncleaned because you dread the rub, rub, rub of polishing it, the eyes full of flying powder, and at the end, the Silver each time a little duller than when it came home new? All this work is now ended. SILVEREASE is a new scientific preparation which cleans the Silver without any trouble on your part. It is in the form of a powder to be dissolved in a pan of hot water. All the silver is placed in the pan at once, and in from five to ten minutes it is ready to put away bright and sparkling as when it left the store. Silverease is as harmless as soap. Silver, sterling or plate, can remain in it for months without the slightest harm. Price 25c. Sold by
