THE Lime Kiln Club will hold its annual parade on New Year's Day. The members are arranging to make this the best turn-out in the history of the Club. It is understood that there will be numerous local hits, particularly in reference to winter communication.

A MEETING of the directors of the P. E. Island Mutual Fire Insurance Company was held on Tuesday in the office of the secretary, Alexander Campbell, Summerside. THE marriage took place at 7 o'clock last evening of John J. Frizzell, tailor in the employ of Wm Calbeck to Miss Carrie Inman youngest daughter of Nelson Inman all of Central Bedeque. The bride was attended by Miss Magate Frizzell, sister of the groom while the groomsmen was Theophilus Inman brother of the bride. The ceremony was performed by Rev. Neil McLachlin at the home of the bride's parents. The Guardian extends best wishes.

ANOTHER of our oldest citizens has passed away. Yesterday the death occurred about 10 a. m., after an illness of about three months, of Thomas P. Huestis who had been a resident of Summerside for thirty-two years, prior to which he resided in Middleton and Bedeque. Deceased was in his 82nd year and a man of irreproachable character. Out of a family of nine only three survive him, namely Ezra residing in East Boston; Thomas B., of Bristol, Rhode Island; and William N., in Summerside. Besides there is a widow by his second marriage left to mourn.

The home of Peter and Mrs. Taylor. Freeborn was the scene of a happy event last evening when their youngest daughter was united in wedlock to John A. Jardine of Kensington. The officiating clergyman was Rev. D. P. Calder, Summerside while the happy couple were attended by Charles K. Taylor cousin of the bride and Miss Anna Jardine, sister of the groom, as groomsmen and bridesmaid respectively. The ceremony took place about seven p. m. amid a large number of invited guests and the evening was enjoyably spent. Mr. and Mrs. Jardine will reside in Kensington. The Guardian joins in felicitations.

A WONDERFUL BOOK.

As a work for family reference there was probably never compiled a more useful book than Dr. Chase's Receipt Book. Besides containing the symptoms of disease, their cause and cure and the great prescriptions gathered together during half a century of medical practice this book is replete with receipts for cooking and has a complete department devoted to the care of farm stock, bees, domestic animals, etc. For full particulars write Bomanson, Bates & Co. Office and Pocket Diaries for 1904 at Hassard & Moore, Sunnyside. 31 d 1f

A HAPPY and PROSPEROUS NEW YEAR

To all our Customers.

We likewise extend the same cordial greeting to all those whom we EXPECT to be customers, during 1904. It is scarcely six months since the New Firm started business, and although greatly hindered during the first few months, on account of a shortage in all lines of stock, which, of course, could not be replaced at short notice, we have succeeded past our most sanguine expectations. Our store is now completely stocked with a NEW and thoroughly reliable stock, and it will be our aim during 1904 to add to and improve upon it in every possible way. In a word, we will be satisfied with nothing less than a first class store in every respect. We have made several important changes in the store itself having now a much larger and better ventilated office—a decided improvement in the cash desk, a complete renovation upstairs for the accommodation of our "Perfection Brand" Clothing, and a magnificent system of lighting, besides several minor improvements. Our Christmas Trade has been enormous and we feel deeply grateful to our numerous friends in City and Country who helped to make ours a Merry Christmas indeed! Again wishing that the coming year may bring you one and all good health and material prosperity, We are Yours Gratefully,

SENTNER, TRAINOR & CO.

There is a SOMETHING about VIM TEA that is to be found in no other tea," said a Saint John lady to a grocer the other day. She did not know exactly what or how to describe the difference, only there was a "something" VIM TEA had that other teas lacked. That something was a little more QUALITY.
