SHOCKING MURDER IN HANTS COUNTY.

Armenian Pedler's Head Battered In and His Dead Body Thrown into the Tunnel at the Famous Tennycape Mine.

WINDSOR, Oct. 22.—With his head battered in and his face covered with blood from a great gash on the side of his face, the dead body of an Armenian pedler, who had been murdered, was found late this afternoon in the tunnel of the famous old Tennycape Mine, a short distance from Noel. The horrible discovery was made by two men who had been hunting.

They were proceeding along the road toward Noel when they met an Armenian pedler who was struggling under two large packs which he had strapped across his back. Shortly after passing him they found several trinkets, (such as are carried by pedlers) lying on the road side. They picked them up and after proceeding a short distance further they saw small patches of blood, and from the surroundings it looked as if a struggle had taken place. The suspicions of the two men were aroused very greatly, and they at once made up their minds that a crime had been committed.

They searched about the vicinity but could not find further trace of anything. When they returned to Tennycape they informed several people of their suspicions and what they had found on the road. A searching party was at once organized, and half a score of men with lanterns started out to make an investigation.

On reaching the place where the blood

was they gained an additional clue which put them on the right track. They then proceeded to the Tennycape Mine, and with lighted lanterns several of the men entered the tunnel.

After they had gone about forty feet the body of the pedler was found. It was removed to the surface, and then to Tennycape, where coroner Smith took charge of it.

The back of the skull was crushed in and there was a large wound on his face. It is thought that his skull was battered in with a rock or some heavy dull instrument. The name of the dead man is not known. He is about twenty years of age, and of medium build.

The other pedler upon whom suspicion rests on having committed the crime, went to Tennycape and put up at a house, where he intended to remain for the night. After the finding of the body he was placed under arrest and a guard put over him. The suspect is a man of about twenty-eight years. He can speak but very little English, and made no statement about the crime.

An inquest will be held on the body of the dead man tomorrow morning. The affair has caused great excitement, and crowds of people gathered tonight about the house at Tennycape, where the prisoner is confined.

HOW BELIEF CAME.

An Interesting Story From An Icelandic Settlement.

From the Logberg, Winnipeg, Man.

The readers of Logberg have long been familiar with the virtues of Dr. Williams' Pink Pills through the well authenticated cures published in these columns each week. Many of our readers are also able to vouch for cures which have come under their own observation. This week "Logberg" has received a letter from one of its readers, Mr. B. Waterson, a prosperous farmer living at Bru, in which he gives his own experience in the hope that it may benefit some other sufferer. Mr. Waterson says: "Some years ago I was suffering so greatly from rheumatism in my limbs that I was for a long time unable to do any work. I tried in many ways to obtain a cure, but without success. I saw Dr. Williams' Pink Pills advertised in the Logberg as being a cure for this trouble and determined to give it a trial. I bought a dozen boxes and before half of them were used I felt a great change for the better. This improvement continued from day to day, and before I had used all the pills I was completely cured. Since that time I have never had an attack of this trouble. After this I used the pills in several other cases and no other medicine has been so beneficial to me. I feel it my duty to publicly give testimony to the merits of this wonderful medicine so others similarly afflicted may be led to try it."

If you are weak of sinning; if your nerves are tired and jaded, or your blood is out of condition, you will be wise to use Dr. Williams' Pink Pills, which are an unfailing cure for all blood and nerve troubles. But be sure you get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. Sold by all medicine dealers or sent post paid at 50 cents a box or six boxes for \$2.50 by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.
