FOR SKIN IRRITATION

We Guarantee Relief. Your Money Back if Not Satisfied.

We have an ointment possessing extraordinary power to permanently relieve all forms of eczema, skin eruptions, pimples, blotches, ringworm, acne, tetter, scaly scalp, hives, all forms of itching and irritation caused by insect bites. Its power to soothe ulcers, sores and wounds is very pronounced.

We are so positive that Rexall Eczema Ointment is unexcelled for overcoming these ailments that we sell it with our personal promise that it will not cost the user anything unless it in every way gives satisfaction. We exact no promise and in no way obligate the purchaser. You must admit that we could not afford to make such a broad liberal guarantee, except we are certain we could substantiate our claim.

Rexall Eczema Ointment is a grayish-white, pleasant smelling, antiseptic, cooling healing salve that is strongly germicidal. It destroys the germs that penetrate the skin and cause eczema and other tormenting skin ailments. A remedy must do that to be effective, for in no other way can such diseases be overcome.

Rexall Eczema Ointment is ideal for the treatment of skin irritations peculiar to children, for barber's itch, and for sore itching feet.

It is positively the best remedy we know of, and we urge you to try it at our risk. Two sizes, 50c. and $1.00.—The Rexall Store. MacKinnon Drug Co.

SATURADAY'S MATCH CIVILIANS WIN

On account of three members of the winning Intermaritime team being unavoidably absent on Saturday afternoon the match arranged for between them and a team from the Charlottetown Civilian Rifle Association could not be completed but it will be shot at the first opportunity. Five members of each team were present however and shot over the range the scores being as follows:

C. C. R. A.

A. N. McKay	93
Major J. A. McDonald	92
Lt. W. K. Rogers	85

This shows a majority of six points for the Charlottetown Civilian team and is a pretty good indication of what the result will be when the full teams meet.

Little Francis McInnis, the eighteen month's old child of William and Mrs. McInnis who live in an alleyway off Dorchester Street near Murray's bakery, had a narrow escape from death Friday afternoon. The little one which had been playing in the alleyway had, unnoticed by its mother, toddled out to the street and was struck by John McKenna's delivery team the driver turning in from Pownal Street not noticing the child. The child's head was apparently struck by the horse's knee but it was not tramped on and the waggon wheels escaped it. The mother, seeing the child being carried home and being told that it was dead went off into a faint, Dr. Conroy was called in and it was found that the child was not seriously injured and the mother soon revived. The father is at present with the Gulnare at Gaspe.

Miss Mary Essery, of Charlottetown the President of the Rebekah Assembly of the Maritime Provinces, on the occasion of her official visitation to Opal Rebekah Lodge last evening, was given an enthusiastic reception. The members were present in large numbers, including four visitors from Massachusetts Lodges, one from Seattle, Washington, and several from Lockeport and other Nova Scotia towns. The Lodge room was beautifully decorated for the evening, apple blossoms predominating. The beautiful worp of the Rebekah degree was exemplified, after which the president addressed the Lodge at some length. Other visitors responded and at the close ice cream and cake was served. Miss Essery visits the Lodge at Clark's Harbor on Friday evening, Barrington Passage on Monday evening, and other Lodges. While in Yarmouth Miss Essery will be the guest of Mrs. Pollard, the Deputy President in this district. —Yarmouth Exc.

Sincere regret followed the announcement yesterday of the death at Dromore of Mrs. Patrick O'Brien of that place in the sixty-eighth year of her age. The deceased was formerly Miss Anne Mullins and was one of the most respected and revered women of the locality in which she lived. She was particularly endowed with all those good qualities which make up womanly graces and in her home enjoyed to a more than usual extent the blessings of close family ties. On her death bed she was surrounded by her family but two children, two of those present, Rev. P. J. and Mrs. Jos. Cunningham, travelled long distances to be at her side. Besides her bereaved husband there are left to mourn the following sons and daughters:—Rev. Patrick J., Seattle, Lawrence and Mary, in the West, and Mrs. James Cunningham, Bellingham. The funeral notice appears elsewhere. The Guardian joins with the many friends of the bereaved family in extending sympathy.

The coming Coronation ceremony is eliciting from all parts of the British Empire expressions of loyalty. Church, state and commerce will observe the day in a fitting manner and will evidence their allegiance to the Sovereign heads on Coronation Day. Industries too will give their employees an opportunity to display their patriotic sentiment and the latest to fall in line is the London and Northwestern Railway of whom an exchange says: "The directors of the London and Northwestern Railway have decided to commemorate the Coronation by granting a day's holiday without deduction of pay to all the servants on the wages list except those engaged in the working of the traffic, who will either be paid an extra day's wages or will be granted a holiday on some other day. The salaried staff will also be allowed a holiday." The question arises now as to whether Canadian, Maritime or P. E. Island Railways will adopt a similar plan in order to assist in the celebration of the day. Employees would appreciate it and it would be a seemly way in which to partake of the patriotic spirit of the event.

WIZARD SHELDON UP FOR TRIAL

MONTREAL, Que., June 8—The trial of C. D. Sheldon, the wizard of finance whose profits of thirty per cent. per month on alleged stock exchange transactions induced thousands of Canadians to hand him over their money to invest commenced this morning before Judge Langelier. Sheldon is held on charges of theft and false pretenses. His long time in jail waiting trial, has had a very evident effect on the once prosperous looking blind pool operator. When he stood up in the dock this morning, he looked thin and worn and the energy and vigor which formerly marked his every word and action had entirely disappeared. I gave Sheldon more money to invest that I can count, declared Henry O'Neill, called by Crown Prosecutor Walsh. I mortgaged my house and gave my note to everybody who would lend me money to invest. I had thousands of dollars with him on October 10th. He told me then that I would get very large returns. He left the city on October 11, and I am waiting for my returns yet. Six other witnesses told very similar tales. They all declared they had had implicit trust in Sheldon and had given all the money they could raise into his hands. Dr. Pellitier, Sheldon's counsel, raised repeated objections, claiming that the court had no right to inquire into Sheldon's business previous to the first week in October. Sheldon listened to the evidence impassively.
