

# Something More!

After meals you want something more—a bit of sweet with a change of flavor. WRIGLEY'S is that "something more" and it's more than that! It is a great aid to your good health, as medical authorities say.

This is from a recent book on health:

"Many physicians now recommend gum chewing . . . for a better and more complete change of the starches into dextrin."

# WRIGLEY'S

after every meal

—means that your digestion is aided while your pleasure is served; teeth and digestion both benefit. Your choice of several flavors, all of the WRIGLEY quality—sealed in its purity package.

**FUNERAL TODAY.**—The funeral of the late Mrs. John Smallwood will take place this afternoon from her late residence at Mermald, services starting at 2 o'clock. Rev. D. M. Lamont officiating.

**FUNERAL.**—The funeral of the late Herbert Gill will take place this afternoon at York. The services being held in the church upon arrival of the afternoon train from Charlottetown. Rev. Mr. Lamont officiating.

**MR. RISDEN'S DEPARTURE.**—Mr. John S. Risden who has represented the Frost & Wood farm machinery in the province for the last twenty-four years leaves today to join his family in Toronto. Mr. Risden who has been looked upon as one of ourselves in as much as he has always taken a deep interest in everything for the betterment of the community will be greatly missed. Our city is losing one of its most valued and popular citizens and while the best wishes of the hosts of friends will follow him to his old home town it is hoped that he may be spared to enjoy the remainder of his life blessed with good health and happiness, knowing that when he takes a holiday in this province he will be a welcomed guest.

**PROMOTING ACADIAN SOLIDARITY.**—In Saturday's issue of the St. John Telegraph appear pictures of Rev. A. D. Cormier, Shediac, and Hon. Justice Arsenault, city. In connection with their recent visit to Louisiana the Telegraph-Journal says: "To awaken the Acadian consciousness in the direct descendants of the French Acadians expelled from this country in 1755, now located in Louisiana and others in New England to a true realization of their traditions and to re-link them with their brothers located in the Maritime Provinces by bonds of a common ancestry was the mission of Rev. A. D. Cormier, of Shediac and His Honor Mr. Justice A. E. Arsenault, of Summerside, who returned recently from Louisiana."

**DARING AUTO THEFT.**—An automobile belonging to Mr. T. W. Bentley, M. L. A., was stolen Saturday night about 11:30 o'clock from the curb near the Bourke-Windsor Garage and after being driven recklessly through the city was found by the police near the corner of Fitzroy and Rochford Streets, where it had been brought to a stand after colliding with a telephone post. The person or persons responsible made a "get-away" before the police arrived, but diligent enquiries are being made as to their identity. The car was first driven down Grafton Street, where it crashed into the door of Captain Ryan's dwelling house. The collision later with the telephone post smashed in the radiator and caused other serious damage to the car, which was a new model Chevrolet, practically new. The stout wooden post was actually smashed in two by the collision. The car had been left by Mr. Bentley near the garage only a few minutes before the theft pending the arrival of the garage men to open the shop. The authors of this daring outrage will, it is hoped, be speedily brought to justice and severely dealt with.

**NOTICE TO CITIZENS.**—When cleaning up streets and backyards, collars, etc., send your accumulation of Street Sweepings, Ashes, Waste Paper, Tin Cans and other rubbish (dead cats not wanted) to our Dump, Grafton Street East adjoining our warehouses. One thousand loads of clean ashes wanted for top cover. Carter & Co., Limited. 11.
