Organization
For Cattle Im-
Provement
Organization, along community
lines for the improvement of the
cattle industry of the province, has
been receiving during the past few
weeks very close attention, by the
Federal and Provincial Depart-
ments of Agriculture. During the
past week officials of these two
branches have been particularly ac-
tive in organizing new live stock
improvement associations.
On Wednesday night organiza-
tion was effected over the district
embracing Long Creek, St. Cathar-
ines, New Argyle and a portion
of Canada Cove. The meeting which
was held at Long Creek was largely
attended and was addressed by
C. A. Archibald, Live Stock pro-
moter, Truro, and W. R. Shaw, Live
Stock Supt. of the Provincial De-
partment. Organization was es-
tablished, under the provisions of
the Federal Bull Loaning policy
which provides for the establish-
ment of three bulls all of the one
breed, in the one center, with three
distinct units operating in their
control. These animals are left
with the farmers for six years, and
the policy is so designed as to
stamp the characteristics of the
splendid selected on the cattle of
the district, before the time for the
final removal of the bulls arrives.
The speaker in outlining the policy,
stressed the great importance
of community effort, and dwelt on
the great importance and value of
improvement work in view of the
splendid opportunities that are open
to Island breeders on account of
the establishment of a restricted
area in this province and the
splendid low percentage of tubercu-
losis found among our cattle.
Our values have increased tremen-
dously it was stated, and our
breeders would be missing remark-
able opportunities if they did not
take immediate measures to im-
prove their cattle, and thus place
themselves in a position to reap
the full benefits of the conditions
operating in connection with the
industry.
Full organization was effected at
this meeting and arrangements
made to take charge of three
pure bred dual purpose Shorthorn
bulls on May 15th for use in this
center.
On Thursday night a similar
meeting was held at Argyle Shore
for the purpose of organizing the
Bonshaw, Argyle Shore and De-
Sable districts. Owing to the in-
clement weather the attendance
from the outlying districts was
not sufficiently large to establish
organizations in these districts. Ar-
rangements were made however to
complete organization without de-
lay. The Argyle Shore Club was
fully organized. The Dual purpose
Shorthorn was also selected for
this district. With these two im-
provement centers in operation,
and covering a territory of almost
ten square miles the district should
soon become noted as a splendid
territory of good grade dual pur-
pose shorthorns.

CUTICURA HEALS ECZEMA ON FACE
In Rash, Spread to Scalp, Itched and Burned, Face Very Sore.
"Eczema broke out in a rash on my face and later spread to my scalp. The rash scaled over and sore eruptions formed. It caused a great deal of itching and burning and my face was very sore. The trouble lasted three or four weeks."
"I was treated without any benefit. I began using Cuticura Soap and Ointment and could see great change after the first night. I con-
tinued the treatment and in four weeks I was completely healed."
(Signed) Miss Margaret Danyow, Ferrisburg, Vermont.
Daily use of Cuticura Soap, with touches of Cuticura Ointment now and then, keeps the skin fresh, smooth and clear. Cuticura Talcum is also ideal for the skin.

WOMAN COULD HARDLY WALK
Mrs. Horn Tells how Lydia E. Pinkham's Vegetable Compound Restored Her Health
Hamilton, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound and would not be without it now. I had a female trouble so badly I could hardly walk and I was all run-down and could hardly get around to do my housework. I would be in bed three or four days at a time. I was told by a friend to try your Vegetable Compound. I did, and by the time I took two bottles I was beginning to get around again. I took ten bottles in all, and now I am all right again and doing my own work. I have six grown-ups to work for, so I have plenty to do. I also used Lydia E. Pinkham's Sanative Wash, and I think it is good. But, owe my health to the Vegetable Compound, and I think if more of it was used women would be better off. I would not be without it if it cost much more."
—Mrs. NELLIE HORN, 28 St. Matthews Avenue, Hamilton, Ontario.
Do you feel broken down, nervous and weak sometimes? Lydia E. Pinkham's Vegetable Compound is excellent to take at such a time. It always helps, and if taken regularly and persistently, will relieve this condition.
